The mission of the CCCG is to grow vegetables and fruit so that all employees have access to fresh, sustainably grown produce through the shared efforts of staff, students, faculty, and local residents and to serve as a learning community for developing gardening skills, healthy living, social responsibility, and interdisciplinary academic pursuits.
More than 500 volunteers: students, staff, faculty, community members
More than 100 housekeepers have received 14,000 pounds for a savings of $71,000.
Celebrity chefs demonstrate healthy recipes using garden produce
Much more than a garden...
Community Workshops:

- Making "Lasagna Beds"
- Bee Keeping
- Composting
The CCCG has been involved with many UNC-Chapel Hill courses offered through the departments of communication, environmental science and English.
