TRANSFER TO THE UNIVERSITY OF THE ENDOWMENT’S DISTRIBUTION FROM
THE INVESTMENT FUND

Annually the Chapel Hill Investment Fund authorizes a distribution to its participating investors, including the Endowment Fund. Exhibit 1 is a table showing the proposed June 30, 2013 transfer of that distribution from the Endowment to the University, by category, for expenditure during the 2013-2014 fiscal year as well as two (2) pages of explanatory notes. Regulations adopted by the Board of Governors require that the Trustees approve any transfer of Endowment principal or income to the useful possession of the institution. The Board of Trustees of the Endowment Fund approved, by mail ballot, the proposed June 30, 2013 transfer for University expenditure during the 2013-2014 fiscal year.

Exhibit 2 provides a flowchart of the approval process as background information.

RECOMMENDED ACTION

A motion to approve the June 30, 2013 transfer from the Endowment to the University of the amounts shown on Exhibit 1 for University expenditure during the 2013-2014 fiscal year.

(1) Some of this allocation has been previously committed by the Chancellor.
Consistent with the procedures for implementing the Uniform Prudent Management of Institutional Funds Act (UPMIFA) presented to the Board of Trustees of the Endowment Fund in 2009, the recommended distribution and transfer exclude any invasion of principal. There were no underwater endowments at the end of fiscal year 2012-13, so the distribution and transfer were not reduced from the calculated payout distribution.

The Restricted Funds amount is a direct pass through of the approved Investment Fund distribution. Unlike June 2008 and previous years, the distribution and transfer for certain Unrestricted Funds do not include previously approved increased transfers. The allowable increased transfers are being suspended for the June 2013 distribution but may continue in subsequent years consistent with previous Board actions.

The Unrestricted Funds category reflects allocations as recommended by University management to the Board for approval. Unrestricted Funds in the Pogue Fund – Chancellor’s Fund, the Clayton Fund - Chancellor’s Fund and the Other Unrestricted categories are allocated by the University Budget Committee.

Designated, unrestricted allocations were reduced by 7.4 percent in June 2010, consistent with the reduction in the approved Chapel Hill Investment Fund distribution. The same allocation levels were continued in June 2011 and June 2012. Although partial or full restoration was considered, the recommended allocations for designated, unrestricted funds remain at June 2012 levels.

Unspent prior year allocations are not carried forward for use by the campus unit but are available for reallocation by the University's Budget Committee. The recent history of the unrestricted allocations follows:
Allocations for Faculty Research and Study, Jr. Faculty Development, Library Acquisitions, University Research Council, Scholarships, and Fellowships are discontinued from the University of North Carolina at Chapel Hill Foundation, Inc. and are recommended to be transferred to the distribution from the Clayton Fund for June 2013. The change in funding source will allow the Foundation’s unrestricted distribution to be allocated for other important needs supporting the University.
