CHANCELLOR CAROL FOLT’S PREPARED REMARKS
UNC Board of Trustees Meeting
Thursday, July 21, 2016

OPENING

• Wish could say hope all had restful summer… time of stress & trial. Senseless killings nation & world.
• Hearts & prayers go out to all.
• Derek, Jeff—thank you, DPS team.
• To business at hand – I congratulate Chair Stone on appointment for a second term & thank Trustee leadership on standing committees.
• Appreciate BOT continuing guidance. Echoing Chair Stone: Believe much accomplished over past 12 months.
• Also echo Chair Stone: Thanks to NC GA/legislators support of Carolina during budget process. Final budget supported a few key priorities; express our gratitude.
• University busy place—even during summer—Less students, but our work goes on.

SACSCOC

• Great news on 6/15 – maintained accreditation; removed from probation – not victory lap – recognizes dedication of so many.
• > A year addressing academic irregularities that ended 2011.
• > 70 reforms/initiatives since 2015.
• Demonstrated commitment to excellence & self-oversight.
• Next year regular 10-year review.

NCAA

• Anticipate submitting response to NCAA Amended NOA shortly.
• Hope for hearing before Committee on Infractions later this fall.
• As was for SACSCOC, Carolina committed to progress/excellence.

• David Margolis, CARE Investigator.

• Know about treatment & prevention; Cure new frontier—within our grasp.
Zika awareness event

- Zika Virus—*What you need to know* on June 30. Epitomized role of great public university, bringing together top experts, researchers.
- First discovered Uganda > 50 years, much still unknown about Zika.
- Challenge: 75% infected no symptoms. Birth defects (microcephaly) & sexual transmission are unprecedented.
- UNC-CH infectious disease specialists & virologists, global leaders in field — > 10 groups working here to understand biology & transmission.
- SOM working with state/federal health officials, including CDC & NIH.
- SOM funded 3 pilot grants; research relevant to NIH; NIH/CDC supplemented grants.
- Informational event standing room only. Presentations, Q-A session, information fair & free ice cream.

Commitment to Armed Services

- Hosted Warrior-Scholar Project (*June 5-11*), helps military vets transition from service to higher education.
- Academic boot camp at Carolina & 10 other top universities; Carolina’s second year—20 participants.
- Learn study tools, writing skills, exposure to contemporary/classical literature. Professors & graduate students volunteer their time.
- One participant learned while here accepted to UNC Class of 2020 (USMC vet Frankie Burgos).
