VICE CHAIR’S REMARKS
- Vice Chair Duckett thanked those in the audience for attending. He also stated that Chair Cochrane is unable to join the meeting due to the death of his sister. He asked the audience to observe a moment of silence.
- The Vice Chair shared that the board would hear a presentation on the University Libraries and the Philosophy, Politics, and Ethics Program.
- Vice Chair Duckett acknowledged Vice Chancellor Matt Fajack and thanked him for his service to the university.
  - Asked Secretary Keyes to read a resolution of appreciation.

RESOLUTION OF APPRECIATION
FOR
MATTHEW M. FAJACK
FEBRUARY 1, 2018
WHEREAS, Matthew M. Fajack served as the University’s chief financial officer and vice chancellor for finance and administration from June 2014 providing exemplary management and clear vision during that time; and,

WHEREAS, Mr. Fajack carefully guided Carolina through a period of growth and transition, spearheading stronger oversight of campus-wide financial planning, budgeting, and treasury and risk management; and,

WHEREAS, Mr. Fajack skillfully managed and optimized facilities planning, construction and operations; real estate development; purchasing; public safety; campus enterprises; and environmental health and safety; and,

WHEREAS, Mr. Fajack reimagined the way the University conducts business, overseeing the Student Stores’ evolution into a modern retail space generating millions of dollars for student aid; and streamlining operations through Carolina Service, which identifies more efficient and effective ways to deliver services and share resources across key business activities; and,

WHEREAS, Mr. Fajack ensured the University is a good steward of the environment by launching the Three Zeroes initiative, which established the goal of reducing Carolina’s environmental impact via net-zero water usage, waste to landfills and greenhouse gas emissions;

WHEREAS, Mr. Fajack achieved all these important endeavors with thoughtful collaboration, administrative skill and professional expertise;

NOW, THEREFORE, BE IT RESOLVED that the Board of Trustees of the University of North Carolina at Chapel Hill thanks Vice Chancellor Matthew M. Fajack and extends its deep gratitude for his contributions, leadership and service.

Vice Chair Duckett called for a motion to approve the resolution. Trustee Grumbles made the motion; Trustee Brown seconded and it passed.

- Vice Chair Duckett recognized newly appointed Vice Chancellor for Finance and Operations Jonathan Pruitt.
- Vice Chair Duckett recognized and thanked Wayne Blair, University Ombudsman, who will be leaving his position after twelve years.
- The Vice Chair acknowledged Coach Sylvia Hatchell on her milestone 1,000th win last month.
- Chair Cochrane asked that Vice Chair Duckett speak to the positive momentum at the University under Chancellor Folt.
- The Vice Chair ended his remarks by restating the board goals for 2017-18.
- Vice Chair Duckett introduced Trustee Elizabeth Adkins to provide remarks.

REPORT OF THE FINANCE, INFRASTRUCTURE & AUDIT COMMITTEE

Trustee Stone presented the report from the Finance, Infrastructure and Audit Committee. The following items were presented to the committee for action:

Designer Selection

1. LED Lighting Updates to Four Parking Decks

The project will provide lighting upgrades to LED fixtures at four parking decks; Cobb Deck, Rams Head Deck, Jackson Deck, and Business School Deck. The project budget is $896,000 and will be funded by Transportation and Parking reserves.

The project was advertised on November 2, 2017. Eleven (11) proposals were received. Four (4) firms were interviewed on January 10, 2018. Members of the Board of Trustees did not participate in the interviews. The committee recommended the selection of the three firms in the following priority order:

1. DeVita & Associates Charlotte, NC
2. Clark Nexsen Raleigh, NC
3. PDC Engineers Raleigh, NC

The firms were selected for their past performance on similar projects, strength of their consultant team and experience with campus projects.

(ATTACHMENT C)
2. **Carroll Hall Addition**

The project will establish a new Media & Communication Studio and add new laboratory/maker spaces, to be constructed as an addition to Carroll Hall. The anticipated gross square footage of the project is 14,500 GSF. The project budget is $6,660,000 and will be funded by donations.

The project was advertised on November 6, 2017. Six (6) proposals were received. Four (4) firms were interviewed on December 15, 2017. Members of the Board of Trustees did not participate in the interviews. The committee recommended the selection of the three firms in the following priority order:

1. Szostak Design
   Chapel Hill, NC
2. HH Architecture
   Raleigh, NC
3. Watson Tate Savory
   Charlotte, NC

The firms were selected for their past performance on similar projects, strength of their consultant team and experience with campus projects.

(ATTACHMENT D)

3. **Frank Porter Graham Student Union Auditorium Renovation**

The project will renovate the 3,585 square foot 1980s auditorium that includes replacing the auditorium’s fixed seating, carpet, and wall covering, upgrading the audio, video, lighting systems, and fire alarms, modifying and resurfacing the existing stage, providing new finishes and adding an ADA stage lift. The project budget is $1,500,000 and will be funded by the Student Union Trust Fund.

The project was advertised on November 14, 2017. Thirteen (13) proposals were received. Four (4) firms were interviewed on December 19, 2017. Members of the Board of Trustees did not participate in the interviews. The committee recommended the selection of the three firms in the following priority order:

1. BHDP
   Raleigh, NC
2. Watson Tate Savory
   Charlotte, NC
3. Evoke Studio
   Durham, NC

The firms were selected for their past performance on similar projects, strength of their consultant team and experience with campus projects.

(ATTACHMENT E)

4. **Carmichael Residence Hall – Exterior Deck**

This project will provide a new ADA accessible pathway and improved connections from the residence hall to the new Athletics/Campus Recreation venues under construction east of Carmichael Residence Hall. The deck also improves accessible egress from the new BeAM (maker space) and Carmichael lobby as well as much needed outdoor gathering space for the 450 student residents by developing the steeply sloped area that is currently unusable. The project budget is $849,660 and will be funded by housing receipts.

The project was advertised on December 6, 2017. Seven (7) proposals were received. Three (3) firms were interviewed on January 16, 2018. Members of the Board of Trustees did not participate in the interviews. The committee recommended the selection of the three firms in the following priority order:

1. FWA Group
   Charlotte, NC
2. Huffman Architects
   Raleigh, NC
3. RND Architects
   Durham, NC
The firms were selected for their past performance on similar projects, strength of their consultant team and experience with campus projects.

(ATTACHMENT F)

5. Wet Lab Incubator Space
   The project is for the design of a wet-lab incubation facility for the Office of the Vice Chancellor for Innovation, Entrepreneurship and Economic Development to be used by biotechnology industry start-ups associated with the University. The project site is located in leased space in a multi-tenant office building in downtown Chapel Hill. Total gross square footage is approximately 12,000 square feet and encompasses an entire floor of the building. The space will include a mix of private labs and open lab benches, private offices and co-working desks, conference facilities, and common spaces such as kitchen/break room, copy/print, storage, IT, etc. The laboratory space will be suitable for BSL-2 work. UNC will receive the leased space in shell condition and the building owner is responsible for ensuring the availability of any required engineering infrastructure needed for this combination of office and laboratory use. The project budget is $3,900,000 and will be funded by University funds.

   The project was advertised on December 12, 2017. Fifteen (15) proposals were received. Four (4) firms were interviewed on January 16, 2018. Members of the Board of Trustees did not participate in the interviews. The committee recommended the selection of the three firms in the following priority order:
   1. Gaudreau, Inc.               Baltimore, MD
   2. Integrated Design, Inc.      Raleigh, NC
   3. Gensler                      Raleigh, NC

   The firms were selected for their past performance on similar projects, strength of their consultant team and experience with campus projects.

(ATTACHMENT G)

6. Morehead Chemistry Ventilation Improvements
   The project will improve the Morehead Chemistry Laboratories. The building has original (1983) HVAC equipment that has aged and requires replacement. Additionally, the design of the original equipment is not able to provide the level of temperature and humidity control required by current UNC lab standards. The focus of the proposed project is on partial replacement of the (8) lab exhaust fans on the roof, (4) make-up air fans, and the controls and accessories to this equipment which serves the chemistry teaching labs. The project budget is $845,000 and will be funded by R&R funds.

   The project was advertised on November 22, 2017. Eight (8) proposals were received. Four (4) firms were interviewed on January 11, 2018. Members of the Board of Trustees did not participate in the interviews. The committee recommended the selection of the three firms in the following priority order:
   1. Engineered Designs, Inc.     Cary, NC
   2. McKim & Creed                Raleigh, NC
   3. Clark Nexsen                 Raleigh, NC

   The firms were selected for their past performance on similar projects, strength of their consultant team and experience with campus projects.

7. **Cogen Plant Dry Sorbent Injection System**

The University of North Carolina at Chapel Hill operates two (2) 250,000 pounds per hour Circulating Fluidized Bed boilers permitted to burn coal, biomass, natural gas and number 2 oil. The primary fuel is Eastern Bituminous Coal. Limestone is added in the combustion chamber of each boiler to control SOx emissions, and baghouses collect particulate downstream of the boilers. Due to new permit requirements that take effect in May 2019, the University desires to install a dry sorbent injection system to control HCl gas in the boiler exhaust. The project will utilize the design build method of delivery as defined in NCGS 143-128.1A. The project budget is $5,000,000 and will be funded by the Utility Infrastructure Fee Trust Fund.

The project was advertised on November 21, 2017. Three (3) proposals were received. All three (3) firms were interviewed on January 9, 2018. Members of the Board of Trustees did not participate in the interviews. The committee recommended the selection of the three firms in the following priority order:

1. Mid-Atlantic Infrastructure Systems  
   Winston-Salem, NC
2. Muter Construction  
   Zebulon, NC
3. AECOM  
   Princeton, NJ

The firms were selected for their past performance on similar projects, strength of their team, ability to meet schedule, and experience with campus projects.

**Site Approval**

1. **UNC Hospitals Emergency Power Generation Plant and South Campus Parking Lot**

The UNC Hospital has a project to consolidate individual emergency generators servicing the hospital campus into a new plant sited on the existing S-1 surface parking lot. UNC-CH Transportation and Parking has a project to construct a 450 space parking deck that replaces 250 spaces lost to development of Surgical Towers and the Generation plant.

The project budget for the Generator Plant is $50,000,000 and will be funded by the Hospital. The project budget for the Parking Deck is $14,445,000 and will be funded from the Transportation and Parking Trust.

(ATTACHMENT J)

A motion came from committee to approve the designers in priority order and the site for UNC Hospitals. Trustee Grumbles seconded and it passed.

A copy of this presentation is located in the Office of the Assistant Secretary and at bot.unc.edu.

UNCP MASTER PLAN
Planning Principles

1. Support Carolina’s mission.

2. Engage in initiatives that impact the town, region, state, nation, and world.

3. Activate UNC’s innovative, creative, and diverse culture.
   Mix of programs and uses
   Breadth of the UNC community

4. Build a campus of enduring character and quality.
   Communicate openness and welcome
   Timeless buildings and landscapes
   High performance, per the Three Zeros Initiative
What defines this master plan?

Ideas developed alongside the University’s Strategic Framework.

Pillars
Of the public, for the public. Innovation made fundamental.

Strategic Initiatives
The New Graduate
The Great Convergence
Modernizing Student Support
Carolina Whole Health
Culture of Innovation
Arts Everywhere

Ideas that are both operational and aspirational.

Operational
- Achieve greater efficiency and higher utilization
- Reconceive of how Carolina works

Aspirational
- Bold ideas
- Leading edge strategies
- Innovative implementation partnerships
The New Graduate

Extend Carolina
• Commitment to student residential experience
• Increased online education for traditional undergraduates
• Increase in residential graduate students
• Increase in non-traditional students thru online and in-person instruction

Modernizing Student Support
• Integrated, personalized and student centered support services for students of all backgrounds

Learning Imperative
• Hands-on, collaborative and digital learning opportunities for all students
The Great Convergence

Applied Physical Sciences
• New investments in applied physical, biomedical, and computational sciences
• Increase translational and commercialization activity centered in Innovation office

Creativity Hubs
• Prioritize research bringing together cross-disciplinary scholars for focused explorations of groundbreaking and high impact topics

Arts Everywhere
• Commit to visible and accessible art and arts experience for the entire campus community
• Highlight University’s commitment to arts, innovation, fitness and sustainability

And after graduation?
“My public service experience at UNC was the most profound and important aspect of my college experience. It created a thread through my academic coursework and passions that led me to my current position.”

“I owe who I am today to my experiences as a Public Service Scholar.”

“I am so thankful for those who ensured I would graduate as an informed citizen dedicated to using my own skills to improve the lives of others.”
