TO: Members of the Board of Trustees
FROM: Carol L. Folt
RE: Mail Ballot
DATE: March 13, 2017

I write to request your approval by mail ballot of the following matters related to the Endowment Fund:

1. The Department of Microbiology and Immunology holds quasi endowment fund #71326 for the benefit of the Department. The current market value of the fund as of December 31, 2016 is \$304,146.16. The Department, with the approval of the Dean of School of Medicine, wishes to withdraw the remaining balance and fully liquidate the fund for faculty salaries in upcoming fiscal years. Without this action, due to past budget cuts, these salary expenses will not otherwise be covered. I recommend approval of the withdrawal.
2. In 2005, the Department of Environmental Sciences and Engineering (ESE) created a quasi-endowment fund #71065 using expendable gifts and over time reinvested the distribution to build up the fund. The current market value of the fund as of December 31, 2016 is \$1,327,440.41. ESE wishes to withdraw \$1,000,000 from principal for investments in new faculty start-up, shared Department equipment purchases and new initiatives in connection with support for the Water Institute for personnel and other related expenses. I recommend approval of the withdrawal. The Board of Trustees of the Endowment Fund has approved this withdrawal.

Please mark and return the enclosed ballot indicating whether or not you approve of the above action. Thank you.

The Ordinance Regulating Traffic and Parking on the Campus of The University of North Carolina at Chapel Hill

INTRODUCTION

This Ordinance defines the general operations and policies for traffic and parking on the campus of The University of North Carolina at Chapel Hill. The provisions set forth in this Ordinance are designed to ensure the safety and protection of all users of the system.

Effective Date - August 15, ~~2016~~2017

Be it ordained by the Board of Trustees of The University of North Carolina at Chapel Hill, pursuant to Chapter 116, Article 1, Part 6 of General Statutes of North Carolina:

ARTICLE I. GENERAL PROVISIONS

Sec. 1-1. Definitions

The words and phrases defined in this section have the meaning indicated when used in this Ordinance, unless the context clearly requires another meaning:

1. *"Bicycle"* means every device propelled by human power upon which any person may ride, and supported by either two tandem or three wheels, one of which is sixteen inches or more in diameter. *"Abandoned bicycles"* are those which have not been moved from the same location for a period of two weeks or longer.

2. *"Booting"* means to immobilize a Vehicle through the use of a device designed to be attached to the rear tire or wheel to render the Vehicle inoperable.

3. *"Campus"* means all property that (i) is owned or leased in whole or in part by The State of North Carolina and (ii) is subject to the general oversight of the Board of Trustees of the University excepting and excluding:

- (a) property leased to another not located within one of the areas set out in Sec. 3-3;
- (b) the University Lake watershed; and
- (c) property held for use as an official residence for administrative officers of the University.

4. *"Chancellor"* means the Chancellor of the University.

5. *"Electric Two-Wheeled Vehicle"* means any Motorized Two-Wheeled Vehicle that is propelled by means of a battery powered motor, including, without limitation, Segways.

6. *"Electric Vehicle"* means any Vehicle that is propelled, partially or exclusively, by means of a battery powered motor.

7. *"Internal Combustion Two-Wheeled Vehicle"* means any Motorized Two-Wheeled Vehicle that is propelled by means of an internal combustion motor, including, without limitation, motorcycles, mopeds, motorbikes, and scooters.

8. *"Main Campus"* means the portion of the Campus where the Old Well is located and all other portions of Campus contiguous thereto by University ownership or lease that are north of Fordham Blvd. For purposes of illustration, this definition is intended to include the portions of Campus commonly referred to as "North Campus" and "South Campus," and

exclude (without limitation) the portions of Campus commonly referred to as “Carolina North,” the “Mason Farm Property,” and “University Lake.”

9. “*Motorcycle*” means any Motorized Two-Wheeled Vehicle that has an engine size exceeding 150 cubic centimeters.

10. “*Motorized Two-Wheeled Vehicle*” means any two-wheeled (or three-wheeled) Vehicle that is self-propelled by means of an internal combustion motor or a battery powered motor, and is capable of carrying passenger(s), including, without limitation, Internal Combustion Two-Wheeled Vehicles and Electric Two-Wheeled Vehicles.

11. “*Park*” means to leave a Vehicle unattended by any person authorized to, or capable of, moving it immediately upon the direction of a law enforcement or parking control officer. Notes in Vehicles, activated hazard lights, or a running engine do not render a Vehicle “attended.”

12. “*Parking Coordinator*” means a department-assigned staff member who acts as a liaison with the University Department of Transportation and Parking.

13. “*Parking Permit*” means any identification assigned by the Department of Transportation and Parking to be displayed on a Vehicle for parking legally on the Campus.

14. “*State-owned Vehicles*” are all Vehicles, including service Vehicles, owned by the State of North Carolina.

15. “*T&P*” means the University’s Department of Transportation and Parking.

16. “*University*” means The University of North Carolina at Chapel Hill.

17. “*Vehicle*” means any device by which a person may be transported upon a roadway, except (a) bicycles and other devices moved by human power, and (b) devices used as a means of transportation by a person with a mobility impairment and limited by design to travelling no more than 15 miles per hour.

18. “*Visitor*” means any individual other than a student or employee of either the University or UNC Hospitals and any of their contract or temporary employees.

Sec. 1-2. North Carolina Motor Vehicle Laws; Regulating; Delegating of Authority

1. The laws and regulations of Chapter 20 of the General Statutes of the State of North Carolina relating to the use of highways of the State and the operation of motor vehicles thereon apply to all streets, alleys, driveways, parking lots, and parking structures on University property.

2. The Chancellor is authorized to adopt and promulgate such rules and regulations and to establish such administrative procedures as he/she may deem necessary or advisable for the administration, interpretation, and enforcement of this Ordinance.

3. The Chancellor may delegate administrative responsibilities imposed on him/her by this Ordinance to the Director of Public Safety, the Director of Transportation and Parking, and other officers of the University that the Chancellor may choose.

4. The Department of Transportation and Parking operates twenty-four hours a day, seven days a week. In-office customer service is available from 7:30 a.m. until 5:00 p.m., Monday through Friday, except on University-recognized holidays and as otherwise posted. Regulations may be enforced at any time deemed necessary by special event activities or other circumstances.

Sec. 1-3. Posting Notice of Ordinance and Regulations

The Chancellor, through his/her designated administrative officers, shall cause to be posted a public notice of traffic and parking restrictions imposed by or pursuant to the authority of this Ordinance and by Chapter 116, Article 1, Part 6 of the General Statutes of North Carolina. Once posted, these restrictions are in effect at all times unless otherwise stated.

Sec. 1-4. Publications of Ordinance and Regulations

The Chancellor, through his/her designated administrative officers, shall cause copies of this Ordinance and regulations issued pursuant hereto to be printed and made available to students, faculty, and employees of the University in the lobby of the Department of Public Safety building. In addition, this Ordinance shall be posted on the website of the Department of Transportation and Parking.

Sec. 1-5. Filing of Ordinance and Regulations

A copy of this Ordinance and all regulations issued hereunder, except temporary police regulations, shall be filed in:

1. the Office of the President of The University of North Carolina;
2. the Office of the Chancellor of The University of North Carolina at Chapel Hill;
3. the Office of the Secretary of the State of North Carolina;
4. the Office of the University Director of Transportation and Parking; and
5. the Office of Student Affairs.

Sec. 1-6. Liability

The University assumes no liability or responsibility for damage or theft to any Vehicle parked in or on University properties subject to the jurisdiction or control of the Board of Trustees of the University. The provisions of this Ordinance shall apply to all operators of all Vehicles, public and private, and they shall be enforced twenty-four hours a day except as

otherwise specified by this Ordinance. It shall be unlawful for any operator to violate any of the provisions of this Ordinance except as otherwise permitted by The Ordinance or General Statutes of North Carolina.

The operator of any Vehicle shall obey the lawful instruction of any law enforcement officer, parking control officer, official traffic signs or control devices appropriately placed and in accordance with provisions of these regulations.

Sec. 1-7. Cooperation with Civil Authorities

The Chancellor and his/her designated administrative officers shall cooperate with all law enforcement authorities of the State of North Carolina and its political subdivisions in enforcing this Ordinance and issuing regulations hereunder. When the Town of Chapel Hill enacts an Ordinance that, pursuant to G.S. 116.44.5, supersedes any portion of this Ordinance or any regulation issued hereunder, the Chancellor's designated administrative officers shall, upon receiving a copy of such Ordinance from the town clerk, immediately cause to be removed all parking meters, signs and other devices or markings erected or placed on a public street by authority of the superseded Ordinance or regulations.

Sec. 1-8. Rules of Evidence

When a Vehicle is found to be in violation of this Ordinance it shall be considered prima facie evidence that the Vehicle was parked by:

1. The person to whom University parking permit for the Vehicle is registered;
2. If no parking permit has been issued for the Vehicle, the person, company, corporation or firm in whose name the Vehicle is registered with the North Carolina Division of Motor Vehicles or the corresponding agency of another state or nation; or
3. The son, daughter, spouse, or ward of the registered owner enrolled in or employed with the University or UNC Hospitals.

The prima facie rule of evidence established by this Section 1-8 shall not apply to the registered owner of a leased or rented Vehicle when said owner can furnish evidence that the Vehicle was, at the time of the parking violation, leased or rented, to another person. In such instances, the owner of the Vehicle shall, within reasonable time after notification of the parking violation, furnish the Department of Transportation and Parking with the name and address of the person or company who leased or rented the Vehicle.

Sec. 1-9. Trust Accounts

All monies received pursuant to this Ordinance, except for the clear proceeds of civil penalties that are required to be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2, shall be placed in trust accounts and may be used for the following purposes:

1. to defray the cost of administering and enforcing this Ordinance and Chapter 116, Article 1, Part 6 of the General Statutes of North Carolina;
2. to develop, maintain, and supervise parking lots, areas and facilities;
3. to provide bus service or other transportation systems and facilities, including payments to any public or private transportation system serving University students, faculty, or employees;
4. as a pledge to secure revenue bonds for parking facilities issued under Chapter 116, Article 21, of the General Statutes of North Carolina; and/or
5. for any other purpose related to parking, traffic, and transportation on the Campus as authorized by the Chancellor or his/her designated administrative officers.

Sec. 1-10. Parking on Streets or Roads of the Town of Chapel Hill

Except as expressly permitted by this Ordinance, it is unlawful for any person to park a Vehicle:

1. on the Campus; or
2. on those portions of the following streets in the Town of Chapel Hill where parking is not prohibited by The Ordinance of the Town of Chapel Hill:
 - a. both sides of Battle Lane for its entire length;
 - b. both sides of South Road from Country Club Road to South Columbia Street;
 - c. both sides of Country Club Road from Raleigh Street to South Road;
 - d. both sides of Raleigh Street for its entire length;
 - e. both sides of Pittsboro Street for its entire length;
 - f. both sides of Boundary Street from East Franklin Street to Country Club Road;
 - g. both sides of Park Place for its entire length;
 - h. both sides of South Columbia Street from East Franklin Street to Manning Drive;
 - i. both sides of Cameron Avenue from Raleigh Street to South Columbia Street;
 - j. both sides of McCauley Street from South Columbia Street to Pittsboro Street;
 - k. both sides of Ridge Road between Country Club Road and Manning Drive; and
 - l. all sidewalks.

Nothing in this Ordinance shall be construed as recognition by the Board of Trustees of the University as a prescriptive easement in any street specifically named herein.

ARTICLE II. PAYMENTS AND COLLECTIONS

Sec. 2-1. Payment Methods

Payments owed to the Department of Transportation and Parking may be made in the following ways (the Department of Transportation and Parking reserves the right to change payment methods for operational efficiency):

1. Cash (not recommended to be sent through the mail) except unrolled coins (receipts will not be given until coins are properly rolled);

2. Checks or money orders (payable to the Department of Transportation and Parking);
3. University and UNC Hospitals Payroll Deduction;
4. University Journal Entry (to be used by University departments for transferring funds);
5. University Departmental Direct Fund Transfers (following T&P Accounting Services guidelines);
6. Department Validation Coupons
7. MasterCard/VISA;
8. UNC - One Card;
9. Online and pay-by-phone payments; and
10. Automated pay stations.

Sec. 2-2. Pay Lots After-Hours

1. Vehicles Exiting Unattended Pay Lots After-Hours. Vehicles exiting pay parking lots after pay attendant operations have closed and when the gates are lowered must pay for all parking fees incurred by utilizing the automated pay stations to process their payment for parking fees.

2. Failure to Pay Upon Exiting a Pay Lot. The owner of any Vehicle exiting a visitor or patient parking facility without paying or otherwise having parking validated will be sent a billing notice for a full day's parking.

Sec. 2-3. Replacement Fee

A lost or stolen parking permit must be reported immediately to the Department of Transportation and Parking and an affidavit must be filed. A lost permit will be replaced at a charge of \$25.00 or the face value of the permit, or whichever is less. The replacement fee shall be refunded if the missing permit is found and returned to the Department of Transportation and Parking.

A permit reported stolen will be replaced free of charge on a one time only basis. In order for a stolen permit to be replaced free of charge, a police report must be filed for such permit. Permits reported lost or stolen may not be replaced without the approval of the Director of the Department of Transportation and Parking or his/her designee.

Sec. 2-4 Returned Checks

Any payment made by a check that is returned by the bank and not cleared upon notification shall necessitate that a hold be placed with the University Registrar or that the amount be deducted from an employee's paycheck. Returned checks of non-affiliated individuals or companies will be forwarded to a collection agency if not cleared upon notification. A \$25.00 service charge shall be imposed for all returned checks.

Sec. 2-5 Collection Methods

No parking permit may be issued to any individual who has outstanding debts to the Department of Transportation and Parking. The Department of Transportation and Parking may reduce or retain any refund from the cancellation of a permit to clear all outstanding balances associated with the account. Failure to pay debts within the required time frame can result in the University arranging for the collection of fees assessed against faculty, staff, students, and visitors in the following manner:

1. Debts owed by employees of the University and UNC Hospitals may be deducted from payroll checks.
2. Debts owed by students necessitates that a “hold” status be placed with the University Registrar.
3. The Attorney General for the State of North Carolina may recommend the use of a collection agency to collect debts from individuals whose debts may not be collected by payroll deduction or by other means.
4. Failure to pay civil penalties or other just debts owed to the Department of Transportation and Parking within ten calendar days of the date of the citation(s) or incurrence of the debt will result in a \$10.00 late payment fee being assessed on each unpaid citation or other transaction.
5. Debts owed by individuals not eligible for payroll deduction may be subject to garnishment of North Carolina State income tax refund.

Sec. 2-6 Civil Suits for Recovery of Penalties

When the Chancellor in his sole judgment determines that civil penalties validly imposed for violation of this Ordinance cannot or will not be collected through normal administrative procedures, he may request the Attorney General of North Carolina to bring a civil action against the offender in the name of the State for the recovery of the penalty.

ARTICLE III. PARKING

Sec. 3-1. Method of Parking

The Chancellor, or his/her delegates, shall cause each area in which parking is permitted by this Ordinance to be surveyed and developed for parking. Each parking space shall be defined by appropriate signs and painted lines (when the parking area is paved). Parking spaces in unpaved lots will be marked by wheelstops. When parking spaces have been marked off in the area in which parking is lawful, Vehicles shall be parked within the spaces so designated at all times.

1. Some spaces shall be marked for compact Vehicles. These spaces shall be fifteen feet in length and five feet in width, with two and one-half feet of hatching between spaces. It is unlawful for any Vehicle to occupy more than the five-foot portion of the space. Signs shall be posted or on-ground markings shall designate compact spaces.

2. It is a violation of this Ordinance to occupy portions of more than one space when such spaces are defined by painted lines. It is also a violation of this Ordinance to park in any portion of the area not clearly designated for parking.

3. When spaces are painted at an angle (diagonally) to a street curb or dividing median, Vehicles must park with the front of the Vehicle next to the curb or median. When parking spaces are parallel to a curb or dividing median, Vehicles must park with the front of the Vehicle facing the direction of travel authorized for that side of the street or driveway.

Sec. 3-2. Disabled Vehicles

It is unlawful to leave a disabled Vehicle parked in violation of this Ordinance without immediately notifying the Department of Transportation and Parking. If the Vehicle is obstructing traffic, in a reserved space, or creating a hazard, it must be moved immediately.

No Vehicle will be placed on the disabled Vehicle list more than one time per month unless the operator will accept assistance from the Department of Transportation and Parking or a tow firm. Persons who exceed the limitations for placing their Vehicle on the disabled list and do not accept assistance shall be subject to the appropriate penalty if the Vehicle remains parked in violation of this Ordinance. If the Department of Transportation and Parking has permits available for the lot in which the Vehicle is parked, the operator may be required to purchase a permit rather than be placed on the disabled list.

Sec. 3-3. Parking Zones

Any person parking a Vehicle in the parking lots and areas described in this Section 3-3 must display the appropriate permit for that lot or parking area during those days and hours specified at the entrance to such lots or areas. Any Vehicle parked without displaying a valid permit is subject to the issuance of a civil penalty, Vehicle immobilization/booting, and/or towing.

If the assigned zone is full, a temporary permit for an alternate zone may be obtained from the Department of Transportation and Parking in the Public Safety building located off Manning Drive. UNC Hospitals' employees may obtain temporary permits from the Hospital Parking Office.

It is unlawful to park a Vehicle within any zone other than the one authorized by permit, as displayed on the registered Vehicle. Vehicles displaying a valid special permit obtained through the Department of Transportation and Parking may park as indicated by use of those permits and their related restrictions. All Main Campus permits shall also be valid in any R Zone lot.

Pursuant to Section 1-2, the Chancellor, through his/her delegated administrative officers, may modify parking zones, by adding or deleting University parking areas from such zones, and may change traffic flow patterns and hours of operation as deemed necessary or advisable for the administration or enforcement of this Ordinance.

Sec. 3-4. Parking Fees

1. Parking Permit Fees. Parking permit fees for employees are established based on an employee's base salary as of April 1st prior to the beginning of the permit year. The salary scale determined on April 1st will be used for the entire permit year and will not change if salary changes occur during the permit year. If an employee's employment begins after April 1st, the employee's starting day base salary will be used to determine the parking permit fee.

The student parking permit fees shall be charged as follows:

Sec. 3-5. Special Event Parking

The Chancellor, through his/her delegated administrative officers, may cause any lot to be reserved to accommodate special event parking (e.g., for concerts, plays, athletics, and other similar events). The applicable fee(s) are set forth in Section 3-4. Excluded from this fee are lots approved for use under Section 3-5.2 (football and basketball parking).

Parking in certain lots or areas will be reserved for athletic events held in Kenan Stadium, the Dean E. Smith Center, and other athletic facilities for specifically authorized persons. Management of the lots or areas is the responsibility of the Department of Transportation and Parking. Special permits are required and shall be issued and controlled by the Athletic Department, the Educational Foundation, and the Department of Transportation and Parking, as applicable. Sample permits shall be provided to the Director of Transportation and Parking.

The Director of Transportation and Parking is authorized to remove and/or cite Vehicles parked in reserved spaces prior to football and basketball games pursuant to Section 3-20. On the day that the relocation occurs, a list of all relocated Vehicles will be available at the offices of the Department of Transportation and Parking in the Department of Public Safety building.

1. Notification to Permit Holders. The Chancellor, through his/her delegated administrative officers, will take one or more of the following steps to inform permit holders of special event parking policies:

- (a) Information electronically mailed to all permit holders affected by special event parking,
- (b) Informational signs posted at the entrances to lots reserved for football, basketball, and other special events,
- (c) Press releases,
- (d) Information posted on the website of the Department of Transportation and Parking, and
- (e) Other methods as appropriate.

2. Football and Basketball Game-Day Parking

(a) The Chancellor, through his/her delegated administrative officers, may reserve in advance parking lots for use by authorized persons during times designated for football home game day operations. Special permits are issued and controlled by the Athletic Department, Educational Foundation, the Chancellor's Office and the Department of Transportation and Parking for these times. Vehicles without the appropriate authorization or credentials are not permitted in the affected lots during these times.

(b) Certain parking lots will be designated and reserved in advance for use by working employees who have permits for lots that have been reserved for football special events and others as defined by the Chancellor, through his/her delegated administrative officers. Vehicles already parked in lots designated and reserved for working employees will not be required to move.

(c) Parking is prohibited at metered and permitted spaces on Main Campus roadways between the hours of 8:00 a.m. and 12:00 midnight on home football game days to accommodate routing of incoming and outgoing traffic.

3. Concerts. The Chancellor, through his/her delegated administrative officers, may reserve in advance parking lots for pay parking for the public during times designated for concerts and other non-athletic events. Vehicles already parked in these lots are not required to move unless otherwise posted.

4. Miscellaneous Services.

(a) Charter Bus Services. The Department of Transportation and Parking will assist with chartering service for buses with local companies, subject to the payment of applicable fee(s) described in Section 3-4.

(b) Monitor Services -- the Department of Transportation and Parking will arrange for monitor services for small events upon request of the sponsoring department, subject to the payment of applicable fee(s) described in Section 3-4.

(c) Reserving Meters -- the Department of Transportation and Parking may reserve meter spaces for an event, subject to the payment of applicable fee(s) described in Section 3-4.

(d) Permit Fees -- the Department of Transportation and Parking will schedule small events during normal regulation hours upon the request of the sponsoring department, subject to the payment of applicable fee(s) described in Section 3-4.

(e) Equipment Set-up -- the Department of Transportation and Parking will provide the necessary equipment and signs for a special event, including equipment set-up and removal services, subject to the payment of applicable fee(s) described in Section 3-4.

Sec. 3-6. Metered Spaces

The Chancellor, through his/her delegated administrative officers, may designate metered parking spaces within any parking lot or area on the Campus for general use, or on those

portions of public streets as indicated in Section 1-10 and may specify the length of time for parking in each space. Meter activation is required Monday through Friday ~~from 7:30 a.m. until 9:00 p.m. unless otherwise~~ during the hours posted. On-street parking meters, off-street parking meters, and meter pay stations may be activated, depending on the design, by insertion of lawful currency of the United States, credit cards or debit cards. The applicable fees are set forth in Section 3-4.

1. Expired Meter. It is a violation of this Ordinance for any Vehicle to occupy a metered space without the meter being activated by appropriate payment.

2. Cumulative Violations of Expired Meter. Any Vehicle in violation of Section 3-6.1 will be subject to the issuance of an additional citation for each additional period of one hour that the Vehicle occupies the space with the meter expired.

3. Extended parking at meters. It is a violation of this Ordinance for any Vehicle to occupy any portion of a metered space for more than twenty-four consecutive hours, regardless of whether or not the meter is activated.

4. Abuse of meters. It is a violation of this Ordinance for any person to damage, tamper with, willfully break, destroy or impair the usefulness of, or open without lawful authority any parking meter installed pursuant to this Ordinance. It is a violation of this Ordinance for any person to insert any object into a parking meter that is not a lawful currency of the United States or a credit/debit card.

Sec. 3-7. Controlled-Access Zones

The Chancellor, through his/her delegated administrative officers, shall cause a gate to be erected at the entrance and exit of each controlled access lot and each controlled access deck that can be opened and closed either by assigned methods of gate-control (gate card, access code, remote control) or by a gate attendant. It shall be unlawful to transfer or to use assigned access cards or devices for Vehicles not registered for that controlled-access zone and for that card or device. If any person uses or allows to be used his or her access card or device to knowingly enable another Vehicle to enter or exit a controlled-access zone without paying the applicable parking fee or permit fee, such person, in addition to being responsible for the applicable parking fine, may have their card-access rights to University controlled-access zones deactivated for a period of one calendar year.

It is unlawful for Vehicles to enter or park in an hourly/daily pay parking area or other controlled access area during the posted operation hours without paying the appropriate fee or displaying a valid permit for that controlled-access area. Whether or not a gate is open during the hours of pay parking operation is not an indication that an unauthorized Vehicle may legally drive through and park in the gated zone.

It is unlawful for any person to deface, damage, tamper with, willfully break, destroy, impair the usefulness of, evade without tendering due payment or open without lawful authority an entry or exit gate or equipment. A \$10.00 fee will be charged for replacing damaged access mechanisms, in addition to the applicable parking fine.

It shall be unlawful for a Vehicle to enter or exit a controlled-access zone by trailing immediately behind another Vehicle before the gate has an opportunity to drop (a.k.a. “tailgating”) for the purpose of evading payment of the applicable parking fee or permit fee. It shall be unlawful to allow a Vehicle to enter or exit a controlled-access zone by tailgating behind one’s own Vehicle for the purpose of knowingly enabling the second Vehicle to evade payment of the applicable parking fee or permit fee. Violators of either of the two preceding sentences, in addition to being responsible for the applicable parking fine, shall have their card-access rights to University controlled-access zones deactivated for a period of one calendar year.

The applicable parking fees for the University’s various hourly/daily pay parking lots and decks are listed in Section 3-4. The hours of operation for each hourly/daily pay parking lot or deck shall be posted at the entrance to such lot or deck. During holidays when the parking attendants are not on duty, the parking gates will be open, and there will be no charge for parking in the University’s hourly/daily pay parking areas.

Vehicles are prohibited from parking in any hourly/daily pay parking lot or deck, without prior authorization from the Department of Transportation and Parking, for more than 15 concurrent days without moving from the space. If any Vehicle continues to remain parked without moving from such parking space 5 days after having been ticketed for this parking violation, such Vehicle shall be deemed abandoned and subject to impoundment procedures in accordance with Section 7.3. If the Vehicle is impounded, the owner shall be responsible for both the towing fees and the parking fee for such hourly/day pay parking lot or deck for the applicable number of days.

1. Dogwood Parking Deck. The Dogwood Parking Deck is primarily reserved for UNC Hospitals patient services. In order to legally park in this deck, University-affiliated faculty members, staff employees and students must be a bona-fide patient or visitor of UNC Hospitals and display an approved permit. Employees and students displaying valid S11 or PDV permits may park in the Dogwood Parking Deck solely on the 4th and 5th levels and between the hours of 2:30 p.m and 9:30 a.m., Monday through Friday and on weekends, unless otherwise posted. The UNC Park and Ride permit, HAPDV, and all other South Campus commuter permits are valid on the 4th and 5th levels and between the hours of 5:00 p.m and 9:30 a.m., Monday through Friday and on weekends, unless otherwise posted. The maximum daily parking fee for the Dogwood Parking Deck listed in Section 3-4 may be changed from time to time by mutual agreement of the Department of Transportation and Parking and UNC Healthcare Systems.

2. Ambulatory Care Lot. Parking is available in the Ambulatory Care Lot solely for patients and visitors. Employees and students are not eligible to park in this lot during operational hours unless attending a medical appointment.

3. Hospital Discharge Lot. Short term parking is available for certain individuals in accordance with the Short-Term Discharge Policy posted at the entrance to this lot.

4. Swain Lot. No Vehicle shall remain parked for more than a 24-hour period in the visitor spaces without exiting and paying the required fees.

5. Morehead Lot. Visitors must park in the designated visitor spaces. Faculty, students, and staff are not eligible to park in visitor parking spaces Monday – Friday from 7:30 a.m. until 5:00 p.m, unless otherwise posted. ~~Payment notices will be placed on Vehicles left in the lot at the time the lot closes.~~ No Vehicle shall remain parked for more than a 24-hour period in the visitor spaces without exiting and paying the required fees.

6. Raleigh Road Visitor Lot. Staff, Faculty, and Students are not eligible to park in visitor parking spaces during operational hours unless otherwise posted. Vehicles can not be left overnight in this lot between the hours of 1:00 a.m. and 7:30 a.m, unless otherwise posted. No Vehicle shall remain parked for more than a 24-hour period in the visitor spaces without exiting and paying the required fees.

7. Rams Head Deck. Student commuter permits for the deck are valid in the deck Monday through Friday, 7:00 a.m. until 6:00 p.m, unless otherwise posted. Students without a commuter permit, as well as any employee or visitor, may park in the Rams Head and pay the applicable fee described in Section 3-4. No Vehicle shall remain parked for more than a 24-hour period in the deck without exiting and paying the required fees.

8. Parking Validation Coupons and Validation Stamps. Departments wishing to pay parking fees for visitors or patients may purchase validation coupons from the Department of Transportation and Parking, which are valid in all pay and hourly visitor parking areas on Campus. The One-day validation coupon is valid for 8 hours of parking. Fees not covered by the validation coupons are the responsibility of the visitor or patient. Parking validation coupons can be obtained by submitting an approved application and payment (Account Number for Direct Transfer (DT), a check, Visa or MasterCard, or cash) to the Department of Transportation and Parking. The fees for the various types of parking validation coupons are described in Section 3-4. Departments unable to use the coupons for parking in the visitor pay areas may apply for a validation stamp. This stamp is designated for use by the departments to authorize parking for visitors and patients. The parking charges will be billed to the hosting department on a monthly basis. There will be a monthly processing fee of \$10.00 for all validation stamp accounts. Validation stamps and coupons are not to be used by employees or students of the University or UNC Hospitals, and any misuse by the aforementioned persons will result in revocation of stamp and coupon privileges for one calendar year with no refund.

9. Reserving Spaces in Controlled-access Lots. Departments wishing to pay for reserved spaces in the Swain Lot, Morehead Lot, Raleigh Road Visitor Lot, or Rams Head Deck must purchase reservation coupons. The fees for reservation coupons are listed in Section 3-4. A half-day coupon is to be used when a visitor is arriving and leaving before 12:00 p.m. (noon). A full-day coupon is used when a visitor arrives before noon and leaves after noon or when they arrive any time after noon.

Sec. 3-14. Reserved Parking

A sufficient number of parking spaces shall be reserved to accommodate Service Vehicles, State-owned Vehicles, motorcycles, Electric Vehicles, visitors, and to meet special needs as they arise. The Chancellor, through his/her delegated administrative officers, shall determine the precise location and status of reserved spaces. Reserved spaces for individuals or departments must receive approval from the Chancellor, through his/her delegated administrative officers. The annual fee for reserved spaces shall be defined in Section 3-4 (Permit Fees, RS spaces).

Parking at the Carolina Inn, Horace Williams Airport, School of Government, Friday Center, Kenan Center, and certain other designated University lots, as posted, is reserved parking. Spaces are charged at the reserved rate unless otherwise provided herein.

It is unlawful for any unauthorized person to park a Vehicle in a reserved space. Notice of the reserved status of a parking space shall be prominently posted at the space. Once posted, such spaces are reserved at all times unless otherwise indicated.

1. Visitor Disability Parking. It is unlawful for non-mobility impaired affiliated individuals to display a State disability plate, State disability permit, or disabled veteran license plate. Misuse of such plates or permits shall result in the issuance of a parking citation, immobilization, and/or impoundment. A sufficient number of parking spaces shall be reserved to meet the needs of the mobility impaired. It is unlawful to park a Vehicle in a space posted for disability parking or in a manner denying access to a disability parking space or disability access to a building or sidewalk. Public disability spaces are reserved at all times unless otherwise indicated. University and UNC Hospitals' employees (including contract employees), and students are required to apply for and purchase the appropriate permit to park in spaces reserved for disability.

2. Service Zone Parking. Sufficient areas shall be set aside for two-hour service zones for the use of persons making deliveries to and pick-ups from University buildings. The Chancellor, through his/her delegated administrative officers, shall decide the size and location of each two-hour service zone. It is unlawful for any person to cause a Vehicle to occupy a

two-hour service zone for any purpose other than that for which the area is designated or without the appropriate permit.

3. Disability Parking for UNC Employees, Students and Affiliates. A sufficient number of parking spaces shall be reserved to meet the needs of University and UNC Hospitals affiliated mobility impaired persons. It is unlawful for any unauthorized person to cause a Vehicle to occupy these designated spaces.

4. Electric Vehicle Parking. Electric Vehicle charging stations have been installed in a limited number of parking facilities on Campus. Adjacent to each Electric Vehicle charging station, one or more parking spaces shall be reserved for Electric Vehicle parking. It is unlawful to park a non-Electric Vehicle in a space reserved for Electric Vehicles.

Sec. 3-15. Visitor and Conference Parking

Departments may request parking spaces in one of the short term visitor pay parking lots (as described in Section 3-7). Applicable fees are set forth in Section 3-4. Parking may be available in fringe lots or visitor parking during the summer and academic breaks at a rate of \$6.00 per permit.

Sec. 3-16. Bus Stops

Sufficient areas shall be set aside for bus stops for the use of municipal and regional public transportation systems serving the University community or any bus / shuttle system operated by the University. The Chancellor, through his/her delegated administrative officers, shall decide the location of each bus stop. It is unlawful for any person to cause a Vehicle to occupy a bus stop for any purpose other than for which the areas are designated.

Sec. 3-17. State-owned Vehicle Parking

State Vehicles may park on Campus as follows:

1. State-owned Vehicles may park in any spaces specifically reserved for state Vehicles for the amount of time indicated on the sign designating the space as a state Vehicle space.
2. State-owned Vehicles may park in any regular parking space for no more than forty-eight hours. All State Vehicles owned or assigned to the are required to display parking permits:
3. Departments with State-owned Vehicles including utility or golf carts are required to complete a parking permit application indicating each Vehicle that it owns or leases. Departments will be issued a permit and charged an annual fee for all Vehicles utilizing parking spaces.
4. State-owned Service Vehicles are subject to parking actions as follows:

(a) State-owned Service Vehicles are prohibited from parking in a regular parking space for more than forty-eight hours and are subject to the issuance of a civil penalty, and Vehicle immobilization / booting and/or towing fees.

(b) Certain regular parking spaces on Campus may be restricted from use by State-owned Vehicles from time to time, in accordance with Section 3-20.

Sec. 3-18. Motorized Two-Wheeled Vehicle Parking

Owners of Motorized Two-Wheeled Vehicles are required to purchase and display a Permit and must park in designated parking areas for Motorized Two-Wheeled Vehicles. No person shall park a Motorized Two-Wheeled Vehicle in any area of Campus not designated as Motorized Two-Wheeled Vehicles parking, unless permit requirements are not in effect. Motorized Two-Wheeled Vehicles may park at metered spaces upon activation of the meter. In parking lots, Motorized Two-Wheeled Vehicles are required to park in designated Motorized Two-Wheeled Vehicle parking areas with the appropriate permit.

In the case of a person wishing to register a combination of an automobile and a Motorized Two-Wheeled Vehicle, full payment will be required for the automobile permit, but there will be a reduced charge for the additional Motorized Two-Wheeled Vehicle permit. A Motorized Two-Wheeled Vehicle permit is at the full price when purchased in conjunction with a PR permit or other park and ride areas. No more than one Vehicle permit and one Motorized Two-Wheeled Vehicle permit shall be issued to any registrant.

Sec. 3-19. Bicycle Parking

Employees and students of the University and UNC Hospitals are required to display a bicycle permit when bringing bicycles to Campus. This permit is issued free of charge upon the completion of a bicycle registration form. Bicycle parking is available throughout the Campus and is designated by the presence of bicycle racks or specifically designated areas.

Warning tags issued by the Department of Transportation and Parking may be attached to a bicycle in violation of this Ordinance. Bicycles owners finding such warning tags attached must remove the bicycle within eight hours or it will be impounded. However, impoundment for violation of this Ordinance may be executed with or without such tags attached.

1. Improper Bicycle Parking. Any bicycle parked in violation of this Ordinance is subject to impoundment without prior warning. Bicycles shall not be parked or stored in any location other than areas designated for bicycle parking, including:

- (a) inside a University building, where an unsafe or hazardous condition is created for building occupants;
- (b) against or attached to any tree, bush, plant, or foliage;
- (c) against or attached to any electrical fixture, sign post, railing, public seating fixture, or emergency safety device; or

(d) in any other area where parking is prohibited specifically by this Ordinance.

2. Bicycle Registration. Any bicycle parked on Campus will be required to register for and display a bicycle permit. At the beginning of each semester a four week warning period will be in place to allow for the registration and display of the permits to occur. Repeated violations of this section may result in bicycle impoundment.

Sec. 3-20. Temporary Parking Restrictions

The Chancellor, through his/her delegated administrative officers, is authorized to temporarily prohibit parking, stopping, or standing on driveways, streets, alleys, and parking lots on Campus and on public streets in this Ordinance, and to reserve parking spaces for special use when such action is necessary due to special events, emergencies, or construction. Temporary signs or barriers shall be posted, and a representative of the Department of Public Safety, a representative of the Department of Transportation and Parking, or other University official shall give notice of regulations issued under this section. It is unlawful for any person to violate such regulations.

1. Overnight Parking Restrictions. Certain parking lots, parking areas, or parking spaces shall be restricted from overnight parking to ensure availability of the facilities during alternate hours. Signs and/or barriers shall be posted at these locations. It shall be unlawful for any person to violate such regulations.

2. Athletic and Special Event Parking Restrictions. Certain parking lots, parking areas, or parking spaces shall be restricted from overnight parking to ensure availability of the facilities during athletic events and other special events. Signs and/or barriers shall be posted at these locations. It shall be unlawful for any person to violate such regulations.

Sec. 3-21. Night Parking

The Chancellor, through his/her delegated administrative officers, may cause certain lots to be reserved on weekdays after 5:00 p.m. and on weekends to accommodate night parking. It is a violation of this Ordinance to park in lots that have been marked for reserved night parking without a valid permit.

Sec. 3-22. Acquisition of Non-University Parking Support

The Chancellor or his/her designee is authorized to acquire by contract parking, parking management and other related services from representatives owning or controlling non-University facilities.

Sec. 3-23. Idling at Air Intake Vents

It is a violation of this Ordinance for any person to cause a Vehicle to be parked with the engine running near a building's air intake louver. Signs indicating the locations of these air

intake louvers shall be posted prominently. Vehicles in violation of this section are subject to the issuance of a citation.

Sec. 3-24. Signs

The Chancellor, through his/her delegated administrative officers, shall decide on the size and appearance of parking signage located on Campus. It is a violation of this Ordinance for any person to deface, damage, tamper with, break, destroy, impair the usefulness of, remove, relocate, steal, or possess any traffic or parking sign erected by the Department of Transportation and Parking. Possession of any such sign shall be prima facie evidence of the violation of this section. Conviction for violation of this section may result in criminal prosecution, a fine, suspension, or expulsion from the University.

ARTICLE IV. PARKING PERMITS

Sec. 4-1. Parking Permits

The Chancellor, through his/her delegated administrative officers, may issue permits to park in lots and areas described in Section 3-3 to employees or students of the University and to employees of the UNC Hospitals and affiliated organizations operating on the Campus upon payment of the appropriate fee listed in Section 3-4. As part of the parking permit application process, applicants are required to provide the license plate number(s) of the Vehicle(s) they plan to park on Campus. All permits issued under this section are subject to limitations that may be imposed by the Chancellor, through his/her delegated administrative officers, under Section 3-20 (Temporary Parking Restrictions). Permits shall be allocated among the faculty, students, and staff of the University, and of the UNC Hospitals in a manner that will best serve the needs of the University community as a whole. The University Departmental Parking Permit Allocation Policy is available online at <http://move.unc.edu/parking/parking-allocation-formula/>.

1. Transferring Employee Permits: if an employee transfers from one department to another department, the permit stays with the allocating department. If the employee's new department does not have an allocation, then the individual will be referred to the Department of Transportation and Parking's Registration Division for resolution.

2. Student Parking Permit Allocations. Student parking permits are distributed primarily through a lottery system in accordance with procedures posted on the T&P website. A supplemental set of student parking permits are made available for hardship cases. Student Government representatives are responsible for assigning the available set of student hardship permits to students in accordance with the procedures of the Student Government hardship parking committee.

3. Student Parking Permit Eligibility. The following student parking permit eligibility restrictions apply:

(a) No first-year undergraduate student is eligible for a permit during the academic year unless authorized by the Office of the Dean of Students.

(b) No parking permit shall be issued to any student for any Vehicle that is required to be registered pursuant to Chapter 20 of the North Carolina General Statutes, or the corresponding statute of a state other than North Carolina, until the student requesting the permit provides the name of the insurer, the policy number under which the student has financial responsibility, and the student certifies that the Vehicle is insured at the levels set in G.S. 20-279.1(11) or higher.

4. Retired Faculty/Staff Permits. An allocation of a maximum of 350 permits designated as PM/ALG will be available to retired faculty and staff applying for parking on Campus. The PM/ALG permits are valid in permit zoned lots excluding the Cardinal Deck after 12:00 p.m. Retired faculty and staff interested in applying for a PM/ALG permit must submit their request through their department coordinator. PM/ALG permits will be distributed to departments requesting them based on the same formula that is utilized to distribute the primary parking allocations. The PM/ALG permit fee will be based on the PM permit at the lowest tiered rate.

5. Postdoctoral Fellows' Permits. Postdoctoral Fellows shall be allocated an appropriate number of permits by the Department of Transportation and Parking. A Postdoctoral Fellow may submit a request to be issued a permit from the Postdoctoral Fellows' allocation if he/she so desires. If there are more requests for permits than there are permits, priority will be given based on years of service with the University. Any Postdoctoral Fellow not receiving a permit will be placed on a waiting list. The department in which the Postdoctoral Fellow works may assign a permit from its departmental allocation if it so desires.

6. Temporary Permits. Temporary permits may be issued in areas where space is determined to be available. A fee will be charged for such permits.

7. Other Agencies. Parking permit allocations may be assigned to agencies closely related but not affiliated with the University as appropriate based on determination by the Department of Transportation and Parking. Full payment of the value of the allocation will be required prior to receipt of the permits for distribution.

Sec. 4-2. Special Parking Permits

The Chancellor, through his/her delegated administrative officers, may issue special permits under the conditions and at the fees indicated in Section 3-4. All permits issued under this section are subject to limitations that may be imposed by the Chancellor, through his/her delegated administrative officers, under Section 3-20 (Temporary Parking Restrictions). Misuse of said permits shall result in confiscation of the permit and no further permits shall be issued for the remainder of the year. No refunds shall be issued on those permits requiring a paid fee. Persons found to be displaying said permits in violation of this section may be subject to a fine and impoundment of their Vehicle.

1. Service Permits.

(a) Two-hour service permits are designed for use by employees who perform maintenance on equipment, deliver or install equipment, or have duties that cannot be met by transit or state Vehicles. Use of the two-hour service permit is limited to a two-hour time limit in any one location, unless otherwise specified. Departments may apply for two-hour service permits through the Department of Transportation and Parking using an application form which must be signed by the Department Director / Department Chair. Requests for additional permits must include justification of the need and address the reasons for inability of transit to meet the departmental needs. Vehicles displaying a two-hour service permit may park in any unreserved parking space or any designated service permit space.

(b) Fifteen-minute service permits are designed for use by representatives of non-affiliated service companies using unmarked Vehicles that have a need to make deliveries taking fifteen minutes or less. Companies may apply for the permit through the Department of Transportation and Parking. Use of the permit is restricted to fifteen minutes in any one location. The fifteen-minute service permit may not be used by University or UNC Hospitals employees or students. Vehicles displaying a fifteen-minute service permit may park in any unreserved space, or any designated service permit space.

2. Vendor Service Permits. Representatives of non affiliated service companies that have a contractual relationship with the University to deliver goods or services may apply for a vendor service permit through the Department of Transportation and Parking. An application must be completed by the vendor and approved by the Director of Transportation and Parking. Vendors with Vehicles prominently displaying the vendor's name or logo, performing routine deliveries and pick-ups from University buildings, and requiring less than fifteen minutes are exempt from any permit requirement. Faculty, staff and students are not eligible to display or purchase Vendor Service Permits.

Vendors may purchase temporary (one-day) permits from the Department of Transportation and Parking. Vehicles displaying a Vendor Permit may park in areas designated by the Department of Transportation and Parking.

Government Vehicles displaying Federal license plates are exempt from the permit requirement. Construction Vehicles are not exempt and contractors must contact the Department of Transportation and Parking to arrange for appropriate parking. Construction contractors are not eligible for Vendor Permits.

3. "ALG" permits. These permits are issued to employees having broad, significant, Campus-wide responsibilities. ALG permits may be used in all gated and non-gated parking spaces, which are not otherwise reserved, with the exception of the Dogwood, Cardinal, and Rams Head Decks and all surface visitor parking lots. "ALG" permits shall be allocated from the zone adjacent to the primary work location. "ALG" permits are approved by the Chancellor or his/her designee.

4. Morning shift (AM permit). The Chancellor, through his/her delegated administrative officers, may issue special permits to employees of the University and UNC Hospitals whose regular work hours are within the time period 7:30 a.m. to 12:30 p.m., Monday through Friday. The "AM" permit will entitle the holder to park in the assigned zone from 7:30 a.m. to 12:30 p.m., Monday through Friday.

5. Afternoon shift (PM permit). The Chancellor, through his/her delegated administrative officers, may issue special permits to employees of the University and UNC Hospitals whose schedule of work begins after noon 12:00 p.m. These permits entitle the holder to park in the assigned zone space after noon 12:00 p.m., Monday through Friday.

6. Rotating shift (SR/NR permits). The Chancellor, through his/her delegated administrative officers, may issue special permits to employees of the University and UNC Hospitals who have regular working hours rotate equally among shifts. An NR permit will be allocated from one of the north Campus primary zones, which shall appear on the permit. SR permits will be allocated from one of the south Campus primary zones, which shall appear on the permit. The permit shall only be valid in the designated zone, unless the lot is specifically reserved as outlined in Section 3-5.

7. Disability Permits. Mobility impaired students and employees of the University and employees of UNC Hospitals desiring parking on Campus must obtain a UNC Disability permit by the established application process, through the Department of Transportation and Parking. An allocation of spaces will be made available to mobility impaired users, based upon a physician's certification of need. UNC Disability permits will be assigned from zones throughout Campus, and their cost will be based on the sliding scale fee structure. the Department of Transportation and Parking will determine the zone based on access needs and availability. By displaying the UNC Disability permit, an individual may park in his assigned space or any unreserved space within his designated zone. Reasonable accommodations for mobility impaired students and employees will be made.

8. Vanpool permits. The Chancellor, through his/her delegated administrative officers, shall determine vanpool allocations by the predominant driver based on space availability. Vanpool users must submit a list of participants to the Department of Transportation and Parking with name, department name, and work telephone number for each individual. The parking permit fee will be waived for vanpools.

9. Carpool permits. Those persons wishing to carpool may apply through their department jointly for a single transferable permit at no additional charge. Once issued, this permit will be transferable only among the Vehicles in the carpool, as registered with the Department of Transportation and Parking. This permit shall be displayed as provided in Section 4-3. Only one of the registered Vehicles may be parked in the zone designated during parking control hours.

The Chancellor or his/her designee shall determine carpool allocations based on space availability. The Commuter Alternatives Program (CAP) outlines available carpool options.

If a carpool is disbanded during the permit year, the carpool permit must be cancelled and returned to the Department of Transportation and Parking.

10. Emergency Staff Permits. Emergency staff permits are issued by UNC Hospitals for those persons responding to emergency medical calls. The permits are only valid in the spaces designated for emergency staff parking.

11. Official Visitor Permits. Departments may apply for annual official visitor permits through the Department of Transportation and Parking. Justification of need must accompany each request. The permit is not authorized for use by employees or students of the University or UNC Hospitals. If there is a visitor lot within two blocks, that lot must be used in lieu of obtaining official visitor permits. Official visitor permits are not valid in any pay operations lot. Vehicles displaying this permit may park in spaces that are not metered, gates controlled for zone permits, pay visitor parking, or other areas specifically reserved.

12. Board Members Permits. Special permits are issued to serving members of the:

- (a) Board of Trustees of the University;
- (b) Board of Governors of The University of North Carolina;
- (c) Board of Directors of the UNC Healthcare System; and
- (d) Other University-affiliated boards, as specified by the Chancellor, through his/her delegated administrative officers.

Vehicles displaying these permits may park in any unreserved zoned space and in any service space. Normally, these permits shall not be valid for controlled-access zones.

13. Construction Trailer Permits. Contractors who need parking for storage of materials or supplies may purchase a permit for \$70.00 per month. The construction trailers will be stored at a designated location on Campus.

14. Reserved Space Permits (RS). The Chancellor, through his/her delegated administrative officers, may issue a reserved space permit to a person, department, or school. Job duties and other functions associated with employment shall be considered in determining whether a reserved space permit is appropriate (e.g., area directors required to live in residence halls). The cost of the permit and space shall be as defined in Section 3-4. Reserved spaces assigned to departments are for use by visitors / patients to the department only. Use of these permits by departmental employees is prohibited. Should reserved space abuse occur, the Department of Transportation and Parking reserves the right to revoke the department's reserved space permits.

15. Bicycle Permits. Students and employees of the University and UNC Hospitals are required to display a bicycle parking permit. A bicycle registrant will be issued a free, five-year bicycle permit to be affixed as a sticker to the bicycle frame as described in Section 4-3. Bicycle permits are not transferable.

16. Park and Ride Permits. Park and Ride lots are designated for University employees and students commuting to Main Campus by parking their Vehicles away from the Main Campus and using transit services to reach Main Campus. Persons parking in Park and Ride lots shall register in the Park and Ride program and display a Park and Ride (PR) permit in their Vehicle. The pricing for Park and Ride (PR) permits is set forth in Section 3-4. Window sticker permits are to be affixed to the lower right-hand side of the front windshield.

Employees with a primary worksite located adjacent to a Park and Ride lot will not be eligible to utilize a Park and Ride lot as proximate worksite parking. Park and Ride lots are for use by those taking advantage of transit for their daily commute to Main Campus and not meant as primary parking for those working adjacent to the lot.

17. Night Parking (NP) Permits. The Chancellor, through his/her delegated administrative officers, may issue night parking permits. The "NP" permit will entitle the holder to park in designated NP parking zones from 5:00 p.m. to 7:30 a.m., Monday through Friday. For parking zones marked as both an NP zone and as a daytime zone or PR zone, the daytime and PR parking permits will still be honored and remain valid after 5:00 p.m. (subject to Section 3-5).

Sec. 4-3. Display of Permits

The parking permit must be properly displayed at all times. Parking permits must be clearly visible and cannot be obscured in any manner. A violation of this section will result in the appropriate fine.

Permit display options are:

1. Hanging from the Vehicle's rearview mirror facing the front of the Vehicle, clearly visible through the front windshield. When using a special permit assigned to a department (such as two-hour service, etc.), the parking zone permit must be displayed in front of the special permit, so that both permits are clearly visible through the front windshield.

2. If the tint, slant, or other design factors of the Vehicle obscures in any way the permit's visibility, the permit should be displayed on the passenger side of the windshield in the lower corner.

3. Bicycle permits must be affixed to the rear upright frame bar supporting the seat of the bicycle.

4. Permits for motorcycles must be displayed on the rear fender so it can be seen when viewing the license plate from behind the motorcycle or on the front fork, or on the State inspection plate. Permits for motorcycle covers must be permanently affixed on the top rear area of the motorcycle cover. ~~the~~The Department of Transportation and Parking must record the license plate number of the authorized motorcycle on the motorcycle cover permit.

5. Permits for Vehicles using car covers must be affixed permanently on the top center windshield portion of the cover. The license plate number of the authorized Vehicle must be recorded on the permit by the Department of Transportation and Parking. An additional permit must be displayed from the rearview mirror of the authorized Vehicle. the Department of Transportation and Parking will record the license plate number of the Vehicle on the car cover.

6. Adhesive windshield permits should be displayed in the lower right-hand corner of the front windshield.

Sec. 4-4. Counterfeiting/Altering Parking Permits

It is unlawful for any person to produce (or cause to be produced), to alter, or to display, without authority of the Chancellor, through his/her delegated administrative officers, any parking permit, sticker, decal, gate card, or other device indicating eligibility to park on the Campus. Such permits shall be confiscated, no refunds shall be issued, the violators will be issued a citation, the Vehicles shall be towed or booted, and the violators shall be ineligible for a parking permit for one calendar year. Violators will first meet with the Chancellor's designated Hearing Officer, and then violations may be forwarded to the appropriate agency for disciplinary action(s) (i.e., the Student Attorney General for students, the Office of Human Resources and the department chair for [SPASHRA](#) employees, the department chair for University faculty and [EPAEHRA](#) non-faculty employees, and UNC Hospitals Personnel Department for hospital employees). Prior to the release of the Vehicle, the improper permit must be surrendered to the Department of Transportation and Parking.

Sec. 4-5. Obtaining Parking Permits Through Unlawful Means

It is unlawful for any person to obtain a parking permit by any means other than procedures established by the Chancellor pursuant to this Ordinance, including but not limited to, obtaining such permits by theft, fraud, trickery, willful misrepresentation of fact, purchase from another, or gift from another. Such permits shall be confiscated, no refunds shall be issued, the violators will be issued a citation, the Vehicles shall be towed or booted, and the violators shall be ineligible for a parking permit for one calendar year. Violators will first meet with the Chancellor's designated Hearing Officer, and then violations may be forwarded to the appropriate agency for disciplinary action(s), (i.e., the Student Attorney General for students, the Office of Human Resources and the department chair for [SPASHRA](#) employees, the department chair for University faculty and [EPAEHRA](#) non-faculty employees, and UNC Hospitals Personnel Department for hospital employees). Prior to the release of the Vehicle, the improper permit must be surrendered to the Department of Transportation and Parking.

Sec. 4-6. Unauthorized Display of Parking Permits

The Chancellor, through his/her delegated administrative officers, may issue regulations for the transfer of permits from one Vehicle to another owned or used by the holder of the permit, and it is unlawful for a person in possession of such a permit to use it in any manner inconsistent with such regulations.

It is unlawful for any person in possession of a parking permit, whether that possession is lawful or unlawful, to give, sell, or otherwise transfer or to attempt to transfer it to another. It is unlawful for any person to display on a Vehicle a parking permit not issued to that person for use with that specific Vehicle or to display a lost, stolen, counterfeit, or an altered permit. Such permits shall be confiscated, no refunds shall be issued, the violators will be issued a citation, the Vehicles shall be impounded or booted, and the violators shall be ineligible for a parking permit for one calendar year. Violators will first meet with the Chancellor's designated Hearing Officer, and then violations may be forwarded to the appropriate agency for disciplinary action(s), (i.e., the Student Attorney General for students, the Office of Human Resources and the department chair for ~~SPA~~SHRA employees, the department chair for University faculty and ~~EPA~~EHRA non-faculty employees, and UNC Hospitals for hospital employees). Prior to the release of the Vehicle, the improper permit must be surrendered to the Department of Transportation and Parking.

Sec. 4-7. Reinstatement of Eligibility

Any person who is permitted to retain their eligibility for a parking permit after being charged with a violation of Section 4-4, 4-5, or 4-6 will not be issued a refund for previously purchased permits (payroll deduction will continue). The person will be required to purchase a permit at the current prorated issuance rate for the zone being purchased.

ARTICLE V. TRAFFIC

Sec. 5-1. Interference with Traffic; Temporary Traffic Restrictions

It is unlawful for any person to park or bring to a halt on the Campus any Vehicle in such manner as to interfere with normal vehicular or pedestrian traffic.

The Chancellor, through his/her delegated administrative officers, may cause traffic to be restricted or rerouted as necessary by construction, emergency situations, and special events. A notice of such restrictions shall be given by placing temporary signs or barriers by a representative of the Department of Public Safety, a representative of the Department of Transportation and Parking, or other University official. It shall be unlawful to violate such regulations.

Sec. 5-2. Fire Lanes/Fire Hydrants

No person (whether mobility impaired or not) shall park a Vehicle, or allow it to idle in or block access to any area designated as a fire lane or fifteen feet in either direction of a fire hydrant. Any emergency authorization for use of fire lanes must be obtained through the Department of Public Safety or the Department of Transportation and Parking. Pavement markings and/or signs will prominently indicate fire lanes.

Sec. 5-3. Sidewalks and Landscape

No person shall operate or park a Vehicle on grass or shrubbery unless such areas are signed and marked for such activity.

No person shall operate or park a Vehicle on a Campus sidewalk unless authorized by the Chancellor or his/her delegates. Bicycles and Electric Two-Wheeled Vehicles may be operated on Campus sidewalks; provided that no person shall operate a bicycle or an Electric Two-Wheeled Vehicle in a manner that jeopardizes pedestrian safety, or State or private property.

No person shall use in-line skates or skateboards (a) on the Campus in a manner that jeopardizes the safety of other pedestrians, or (b) on any walls, monuments, gutters, ditches, railings, bicycle racks, benches, other structures, fixtures, or property on the Campus, or (c) on any ramps or steps on the Campus except for the purpose of entering or leaving a building or making normal pedestrian progress along a Campus sidewalk.

Sec. 5-4. Speed Limits

1. It is unlawful to operate a Vehicle on the Campus in excess of a speed of ten miles per hour, except as otherwise posted.
2. It is unlawful to operate a Vehicle on Cameron Avenue, Raleigh Street, or Bowles Drive in excess of a speed of twenty-five miles per hour.
3. It is unlawful to operate a bicycle or an Electric Two-Wheeled Vehicle on sidewalks on Campus at a speed or in a manner that would prove to be hazardous for the safety of pedestrians.

Sec. 5-5. [Reserved. Intentionally left blank.]

Sec. 5-6. [Reserved. Intentionally left blank.]

Sec. 5-7. Vehicular Traffic at Marked Crosswalks

The Chancellor, through his/her delegated administrative officers, may establish pedestrian crosswalks across streets, alleys, and driveways on the Campus and on the public streets listed in Section 1-10 where the location of University buildings and sidewalks requires large numbers of persons to cross streets and driveways at points other than street intersections as governed by G.S. 20-155(c). A crosswalk shall be indicated by traffic signals, signs, or white stripes (hatched or unhatched) and will be a minimum of six feet in width. When a crosswalk has been marked off, it is unlawful for the driver of any Vehicle traveling on the street or driveway to fail to stop and to yield the right-of-way when there is a pedestrian in that portion of the crosswalk. The pedestrian must be on that side of the street or driveway in which the Vehicle is traveling.

Sec. 5-8. Pedestrian Obstructing Traffic

It is unlawful for a pedestrian to stand on the traveled portion of any street, alley, or drive-way on the Campus in such a manner to obstruct or prevent the free flow of traffic thereon, and in crossing streets, alleys, or driveways pedestrians shall keep in motion when in the traveled portion thereof.

Sec. 5-9. Passenger Pick Up and Discharge

It is unlawful for any person to stop a Vehicle on any street, alley, or driveway on the Campus for the purpose of picking up or discharging a pedestrian without first drawing up to the right hand curb.

ARTICLE VI. PARKING CONTROL

Sec. 6-1. Penalties

Any person violating any provision of this Ordinance or a regulation issued hereunder is subject to a civil penalty as indicated in the following schedule:

Sec. 6-2. Emergencies; Law Enforcement Operational Necessities

Vehicle operation and parking may be prohibited under emergency and/or other law enforcement operational necessities. It shall be unlawful for any person to violate police instructions related to this section.

Sec. 6-3. Repeated Offenses

If any person is cited for violation of this Ordinance with respect to parking more than five times in a period of twelve months or more than twice in a period of thirty days, or is determined to owe more than \$250.00 in unpaid fines, the Chancellor, through his/her delegated administrative officers, may cancel any parking permit issued to such person without refund of any portion of the fee paid thereof and shall cause the violator's license plate numbers to be entered on a list of repeated offenders. Once a person's license plate numbers are placed on a repeat offender list, the Vehicle is subject to impoundment or immobilization upon being parked in violation of this Ordinance. A citation found to be invalid will not be counted for purpose of this section. Any repeat offenses of this nature may be forwarded to the appropriate agency for disciplinary action(s), (i.e., the Student Attorney General for students, the Office of Human Resources and the department chair for ~~SP~~ASHRA employees, the department chair for

University faculty and ~~EPA~~[EHRA](#) non-faculty employees, and UNC Hospitals Personnel Department for hospital employees).

ARTICLE VII. FEES

Sec. 7-1. Vehicle Impoundment Fee

In addition to the assessment of the applicable civil penalty pursuant to Article VI, any Vehicle parked in violation of this Ordinance may be removed to a storage area. The Chancellor or his/her designee may refuse to authorize release of the Vehicle to the owner or custodian until the towing fee, storage fees, and all other outstanding balances owed to the Department of Transportation and Parking are paid in full or a payment plan established during normal business hours.

The owner or custodian of a Vehicle impounded under any regulation of this Ordinance may appeal the impoundment in person or in writing within ten calendar days to the Chancellor's designated Hearing Officer pursuant to Section 8-1. Submitting an appeal to the Chancellor's designated Hearing Officer does not substitute for payment of the towing or storage fees for removal of the impounded Vehicle.

The Chancellor, through his/her delegated administrative officers, is authorized to have towed from Campus any Vehicle violating the provisions of this Ordinance. A towing fee shall be charged, in addition to any applicable penalty for violation of the Ordinance, to reimburse the University for its costs in removing the Vehicle.

Towing fees are as follows:

<i>Standard Tow</i>	<i>Dolly Wheels Used</i>
\$90.00	\$100.00

If the operator of the Vehicle to be towed arrives at the Vehicle prior to the tow truck moving the Vehicle from where it was parked, such operator shall still be responsible for the cost of the tow fee, which is charged to the University upon the dispatch of the tow truck. If the tow truck has initiated towing actions and the Vehicle's owner has arrived, the Vehicle will not be released until the appropriate fees have been paid to the Department of Transportation and Parking.

A storage fee of \$10.00 per day may be charged to the owner or custodian of Vehicles left at the University compound for more than twenty-four hours after towing. A storage fee of \$2.00 per day may be charged for bicycles, skateboards, or in-line skates, as well as a \$10.00 impoundment fee.

A valid driver's license must be provided by the owner/operator of the Vehicle prior to its release.

Sec. 7-2. Vehicle Immobilization Fee

Any Vehicle parked in violation of this Ordinance or any parking regulation issued hereunder may be immobilized by use of a wheel boot. Notice of the application of a wheel boot shall be posted prominently in one of three locations: (1) on the driver's side of the front window of the Vehicle, (2) on the rear windshield, or (3) on the driver's side window. Placement of the notices will depend on the type of Vehicle. A Vehicle immobilization fee shall be charged, in addition to any applicable penalty for violation of the Ordinance, to reimburse the University for its costs in immobilizing the Vehicle.

The Chancellor or his/her designee may refuse to authorize release of the Vehicle to the owner or custodian until the immobilization fee, storage fees, and all outstanding balances owed to the Department of Transportation and Parking are paid in full or a payment plan established during normal business hours. Wheel boots may only be removed by the Department of Transportation and Parking staff or the Department of Public Safety staff, upon payment of the \$55.00 Vehicle immobilization fee. If the operator of the booted Vehicle arrives at the Vehicle prior to the parking control officer leaving the scene, such operator shall still be responsible for the cost of the Vehicle immobilization fee. The owner or custodian of the Vehicle impounded under any regulation of this Ordinance may appeal the immobilization in person or in writing within ten calendar days to the Chancellor's designated Hearing Officer, pursuant to Section 8-1. Submitting an appeal to the Hearing Officer is not a substitute for payment of the immobilization fee.

Vehicles immobilized for longer than twenty-four hours shall be removed to a storage area. The owner/custodian of the Vehicle shall be responsible for both the immobilization and tow fees and applicable storage fees.

Sec. 7-3. Impoundment of Abandoned and Derelict Vehicles

Any Vehicle that is partially dismantled or wrecked and/or deemed abandoned under Section 3-7 and/or does not display a current license plate and such Vehicle is left in such condition for more than 10 days shall have a warning tag placed on it by a parking control officer. Such tag shall provide notice that if the Vehicle is not removed within 5 days from the date reflected on the tag, it will be considered abandoned and derelict. Such Vehicles shall be removed at the end of the 5-day period to the University storage area at owner's expense and disposed of in accordance with Section 7-4 of this Ordinance.

Sec. 7-4. Disposal of Abandoned and Derelict Vehicles

1. An "abandoned Vehicle" is one that has been removed to the University's storage area pursuant to authority granted in this Ordinance and has remained in said storage for longer than five days. A "derelict Vehicle" is a Vehicle:

(a) that has an expired registration and the registered and legal owner no longer resides at the address listed on the last certificate of registration on record with the North Carolina Department of Transportation;

(b) that has major parts removed so as to render the Vehicle inoperable and incapable of passing inspections as required under existing standards;

(c) that has the manufacturer's serial plates, Vehicle identification numbers, license plate numbers, and any other means of identification removed so as to nullify efforts to locate or identify the registered and legal owner;

(d) for which the registered and legal owner of record disclaims ownership or releases his/her rights thereto; or

(e) for which the Vehicle is more than twelve years old and does not bear a current license as required by the Department of Motor Vehicles.

2. When any derelict or abandoned Vehicle is in the University's possession, the University shall dispose of it in accordance with North Carolina statutes.

3. Any proceeds from the sale of a derelict or abandoned Vehicle, after costs have been deducted for removal, storage, investigation, sale, and satisfying any liens of record on the Vehicle, shall be held by the University for thirty days and paid to the registered owner upon demand. If the owner does not appear to claim the proceeds within thirty days after disposal of the Vehicle, the funds shall be deposited in the University Department of Public Safety Trust Fund, and the owner's rights therein shall be forfeited forever.

4. No person shall be held to answer in any civil or criminal action to any owner or other person legally entitled to the possession of any abandoned, lost, or stolen Vehicle for disposing of the Vehicles as provided in this section.

Sec. 7-5. Bicycle and Skateboard Impoundment Fee

It shall be lawful for the Chancellor, through his/her delegated administrative officers, to impound at the owner/rider's expense, any bicycle that is considered abandoned, junked, lost/stolen, parked/stored or operated in violation of this Ordinance, or state or local fire safety regulations. It shall be lawful for the Chancellor, through his/her delegated administrative officers, to remove security devices attached to Vehicles for impoundment purposes. The University shall not be held liable for damages made to bicycles or locks while impounding or during storage of the bicycle.

It shall be lawful for the Chancellor, through his/her delegated administrative officers, to impound at the owner's/rider's expense any skateboard or in-line skates that are considered abandoned, junked, lost/stolen, or operated in violation of this Ordinance. The University shall not be held liable for damages done to skateboards or in-line skates while impounded. Owners/riders of impounded skateboards or in-line skates may claim them in person at the Department of Transportation and Parking in the University Department of Public Safety building, subject to the payment of the penalty fee, if applicable, under Article VI for violation of Section 5-3. Owners/riders who are under age 18 must bring a parent or guardian with them to

claim impounded skateboards or in-line skates. The Department of Public Safety staff or the Department of Transportation and Parking staff, upon payment of the \$10.00 bicycle/skateboard impoundment fee, may release impounded bicycles and skateboards.

Bicycles that remain stored on racks for more than thirty days at the end of any academic term, including summer sessions, will be deemed University property.

Sec. 7-6. Disposal of Junked Bicycles and Impounded Skateboards

Letters shall be sent notifying bicycle owners with registered permits when Vehicles have been impounded; when owner is unknown, notice shall be posted at the Department of Transportation and Parking in the Department of Public Safety building. Bicycles unclaimed thirty calendar days after the original date of impoundment shall be deemed University property.

When the owner/rider of a skateboard or in-line skates is known, he or she shall be given or sent a letter notifying him or her that the skateboard or in-line skates have been impounded and informing the owner/rider how to claim the impounded skateboard or in-line skates. Where the owner/rider of an impounded skateboard or in-line skates is under age 18, a copy of the letter shall be sent to his or her parent or guardian, if known. When the owner/rider is unknown, notice shall be posted at the Department of Transportation and Parking in the Department of Public Safety building. Skateboards or in-line skates unclaimed within sixty days after the original date of impoundment shall be deemed University property.

ARTICLE VIII. APPEALS

Sec. 8-1. Appeals

Any person cited for violation of any portion of this Ordinance for which a civil penalty is imposed or a Vehicle is impounded or immobilized for violations may appeal in person, or in writing, or by email within ten calendar days of issuance to the Chancellor's designated Hearing Officer.

Failure to meet the ten day appeal period requirement shall result in a forfeiture of all appeal privileges. The Hearing Officer shall review all written appeals and establish limited hours to review those in-person appeals that meet the ten-day requirement.

Written appeals must be submitted on a standard appeal form, available from the Department of Transportation and Parking.

If the Hearing Officer decides the appeal against the appellant, he or she may appeal to the Chancellor, in writing, within ten calendar days of the date of the Hearing Officer's decision.

The Chancellor may delegate to a committee or other body as he/she may establish authority to hear appeals on his/her behalf. Disposition of an appeal by a vote of the full committee to affirm without a panel hearing or by a vote of the majority of a panel in the case of

an appeal having been referred to a panel for hearing shall be deemed to exhaust the available appellate procedures. Final disposition by the committee shall be understood to mean a ruling in which the committee or its panel affirms, modifies, or reverses a decision of the Hearing Officer. Any person cited to the District Court Division of the General Court of Justice for violation of this Ordinance constituting a misdemeanor must pursue his plea and appeal, if any, as provided by law for criminal actions generally.

Submitting an appeal to the Chancellor's designated Hearing Officer does not substitute for payment of the towing and storage fees for removal of the impounded Vehicle. Such fees must be paid in accordance with Section 7-1. If the hearing officer decides the appeal in favor of the appellant, the Department of Transportation and Parking will refund the costs of towing and storage.

In the event that the owner or operator elects to leave the Vehicle impounded while filing an appeal, the storage fees will be waived from the day the appeal is submitted to the Hearing Officer until the day the decision is rendered.

ARTICLE IX. REPEALS

Sec. 9-1. Former Regulations Repealed

All resolutions heretofore adopted regulating traffic and parking on the Campus are repealed. The repeal herein of these regulations shall not abate or otherwise affect any civil, criminal, or administrative action or proceeding concluded or pending on the effective date of this Ordinance. Except as otherwise provided, this Ordinance may be amended in whole or in part by action of the Board of Trustees. The effective date of this Ordinance shall be August 15, ~~2016~~2017.

DESIGNER APPROVAL – MEDIA & COMMUNICATIONS STUDIO

This project will construct a 12,000 square foot addition to Koury Natatorium to house media and communication studios for the ACC network. The facility will include three control rooms and two studios. The broadcast center will also provide a robust production service (live production, studio services) to campus entities and offer opportunities for academic partnerships and real-world experience in growing fields for students.

The project budget is \$10,000,000 and will be funded by Athletics funds.

This project was advertised on February 2, 2017. Four (4) proposals were received. Three (3) firms interviewed on February 28, 2017. Members of the Board of Trustees did not participate in the interviews.

The committee recommended the selection of the three firms in the following priority order:

- | | |
|------------------------------|-----------------|
| 1. Corley Redfoot Architects | Chapel Hill, NC |
| 2. Murray Wagner Architects | Charlotte, NC |
| 3. Duda Paine Architects | Durham, NC |

The firms were selected for their past performance on similar projects, the strength of their project team members, and experience with campus projects.

RECOMMENDED ACTION:

A motion to approve the three firms in the following priority order:

Letter of Interest**

Dear Ms. Register:

Thank you for the opportunity to submit four hard copies and one electronic copy of our qualifications for the McGavern Greenberg AHU & ERU Repairs project. RMF has enjoyed a successful working relationship with UNC Chapel Hill for over 20 years, which has included more than 60 design and construction projects for the University. Additionally, RMF was recently awarded the mechanical Open Ended Design Services Agreement Contract to provide Mechanical Engineering Services for UNC Chapel Hill.

Our proposal will illustrate the experience and knowledge of the proposed RMF team including our history, continuous improvement in HVAC field investigation, system analyses, master planning and design of HVAC renovations. The proposed team focuses solely on prime mechanical projects for universities and is quite proficient. Whether it is expansion to accommodate an increase in building space, or renovation to accomplish code compliance, occupancy comfort or energy savings, RMF is the right firm for the job!

We appreciate your interest in our firm, and we are looking forward to another opportunity to work with you. Please do not hesitate to contact me at alan.cave@rmf.com or 919.941.9876 should you require additional information.

Sincerely,

RMF ENGINEERING, INC.

1. Experience and Expertise in This Type of Project

HVAC Experience

System designs are always tailored to the specific design criteria of the project. RMF has designed multiple projects in every specific area as required for this project. The majority of our HVAC projects have included detailed system analyses and master planning prior to the initiation of design efforts. HVAC renovations have included institutional, industrial, maintenance, governmental and commercial type projects. Work orders range in size from a few thousand square feet up to complete system replacements.

All HVAC projects are approached from an initial qualitative as well as quantitative system analysis utilizing computerized peak load determination and annual operating costs. Various systems are life-cycle costed using present worth analysis. System sophistication levels and operator capabilities are always considered in the final HVAC system selection to ensure adequate and proper performance and maintainability. The firm can provide a variety of automatic temperature control system approaches ranging from electric, electronic, and pneumatic, to direct digital (DDC) technologies.

RMF has been the prime consultant for over 600 HVAC renovation projects. RMF's experience has included many laboratory and test facilities which utilize electronic equipment for testing, analytical research, and data processing.

Systems design expertise includes:

- Geothermal heating and cooling systems
- Custom-built air handling units for hospitals and laboratories
- Particulate and chemical filtration systems
- Energy recovery systems (glycol recovery, enthalpy recovery, wrap-around heat pipes)
- Demand control ventilation units
- Primary hydronic, and primary-secondary hydronic for chilled and heating water systems
- Solar energy recovery
- Thermal storage systems
- Chilled beam induction units

Fire Protection Experience

RMF provides a full spectrum of services required for fire protection systems, including:

- General services
 - Integrated fire protection and life-safety systems testing
 - Commissioning of fire protection and life-safety systems
- Active fire protection systems design
 - Water-based fire suppression

- Fire sprinkler
- Standpipe
- Foam

- Special Hazard fire suppression
 - Carbon dioxide systems
 - Clean agent systems
- Smoke management design
 - Smoke exhaust
 - Atrium exhaust
 - Stairwell pressurization
 - HVAC system integration
- Explosion venting
- Fire alarm
- Passive fire protection systems consulting
 - Fire resistance
 - Fire load
 - Interior finishes
 - Compartmentation and separation
 - Structural steel fireproofing
 - Means of egress

A Sample of RMF's Higher Education Laboratory Experience Listing includes:

- CVM Anatomy Lab Study & Renovations, North Carolina State University
- New Animal Veterinary Medical Center, North Carolina State University - CVM
- Phytotron Research Building Energy Conservation Measures, NCSU
- Jordan Hall Laboratory Addition, North Carolina State University
- Partners II Fit-Up & Renovation, North Carolina State University
- Broughton Hall Laboratory Renovation, North Carolina State University
- Gross Chemistry Building Renovation, Duke University
- New Science Building, North Carolina A&T State University
- New Student Health Center, North Carolina A&T State University
- New Coastal Studies Institute, UNC Coastal Studies Institute - East Carolina University
- New Rogers Science and Health Building, Queens University
- New Physical & Life Science Building, Winston-Salem State University
- New Teaching Laboratory University, North Carolina at Wilmington
- New Mary M. Townes Science Building, North Carolina Central University

MEMORANDUM

TO: Dwight Stone, Chair, UNC-Chapel Hill Board of Trustees
Chuck Duckett, Chair, UNC-Chapel Hill Board of Trustees University Affairs Committee

FROM: James W. Dean Jr., Executive Vice Chancellor and Provost

DATE: March 8, 2017

RE: Update on Centers and Institutes at UNC-Chapel Hill

This update includes action items concerning the establishment and discontinuation of centers and institutes at UNC Chapel Hill. Each item is listed below along with related policy information.

I. Recommendation for Authorization to Establish (Attachment)

Creating a new center or institute within the UNC system requires a two-step process involving, first, a request for authorization to plan and, second, a request for authorization to establish the new unit. Authorization to plan is granted by the Chancellor and Provost, with notification to the Board of Trustees. Authorization to establish the new center or institute is given by the Chancellor, the Provost, and the Board of Trustees.

At the January 2017 meeting, I notified the Board of Trustees that Chancellor Folt and I had approved a request for authorization to plan the Center for Medication Optimization through Practice and Policy (CMOPP), a new interdisciplinary research center to be housed in the Practice Advancement and Clinical Education (PACE) division at the Eshelman School of Pharmacy. The Centers and Institutes Review Committee has since considered a request to establish CMOPP, which would build on the current work of Jon Easter, professor of the practice in the PACE division and director-designee of the Center, and his colleagues. Its mission would be to bring together healthcare stakeholders to conduct real world research, generate evidence, disseminate best practices, and advance education that integrates medication optimization into value-based care delivery and payment models.

CMOPP's focus on improving healthcare delivery through the optimization of medications is unique within the UNC System and reflects its role as a neutral liaison between academia, the private sector, and government agencies. As noted by Dr. Denise Rhoney and Dean Bob Blouin in their letter of support, the work of CMOPP will be critical to the overall success of the Eshelman School of Pharmacy by ensuring that its education, research, and strategic partnerships align with the transforming U.S. healthcare system. The collaborative efforts of CMOPP will help the School achieve its goal of positioning its profession and students for success within emerging healthcare models by implementing rigorous evaluations, solutions, best practices, and policies toward improving patient health outcomes and healthcare delivery.

Startup funds for CMOPP will be provided by the Eshelman School of Pharmacy to cover staff and operational costs for the first three years. Additional funding includes a \$3 million endowment from the Eshelman School of Pharmacy Foundation to cover student and post-

doc positions, as well as grants and contracts over the first five years to create a path to self-sustainability. Designation as an official University center will better position CMOPP to attract new funding from a wider array of sources. Other University support comes in the form of renovated space and facilities in the Eshelman School of Pharmacy.

The Centers and Institutes Review Committee has forwarded a recommendation for approval of the request for authorization to establish CMOPP, which both the Chancellor and I have accepted. I am now forwarding this recommendation for your consideration.

II. Recommendation for Discontinuation of Centers and Institutes (Attachment)

According to policy, following a periodic review or a formal written request from the administrative officer to whom the center or institute reports, the Centers and Institutes Review Committee may recommend discontinuation of a center or institute to the Executive Vice Chancellor and Provost. If the Executive Vice Chancellor and Provost determines that discontinuation is warranted, he or she will ask the Chancellor and Board of Trustees to approve this action.

The Centers and Institutes Review Committee recently considered requests to discontinue or reclassify three school-based centers. These requests were initiated in response to recent revisions of the UNC General Administration's *Regulations on Planning, Establishing, and Reviewing Centers and Institutes in the University of North Carolina* (UNC Policy Manual section 400.5[R]) and corresponding changes to UNC-Chapel Hill's *Policies and Procedures Governing Centers and Institutes*. These policies now provide clearer definitions of the terms "center" and "institute," specifying that their primary purpose is to facilitate cross-disciplinary or cross-unit collaboration. The policies stipulate that coordinating entities within single departments or disciplines may be considered exempt from these regulations, with final determination to be made by the University regarding whether to classify them as centers or institutes subject to the policies mentioned above.

The Committee recommends, and the Chancellor and I agree, that the following units no longer be classified as centers or institutes. All are more appropriately classified as "coordinating entities" as described in the UNC Policy Manual section 400.5[R]. Each is situated within a single department and has no independent administrative structure.

- **Center for Oral and Systemic Diseases**, Department of Periodontology, School of Dentistry.
- **Center for Pain Research and Innovation**, Department of Endodontics, School of Dentistry.
- **Center for Bioethics**, Department of Social Medicine, School of Medicine.

I look forward to discussing these notifications and recommended actions with you and your colleagues later this month.

Dear Vice Provost Tresolini,

As requested in the university policy on the authorization to establish a center, we would like to respectfully submit a letter of endorsement for the Center for Medication Optimization through Practice and Policy (CMOPP), which is embedded within the Practice Advancement and Clinical Education (PACE) Division at the UNC Eshelman School of Pharmacy.

The Center for Medication Optimization through Practice and Policy (CMOPP) at the UNC Eshelman School of Pharmacy is being created with a mission to bring together healthcare stakeholders to create impactful real world research, generate evidence, disseminate best practices, and advance education that integrates medication optimization into value based care delivery and payment models.

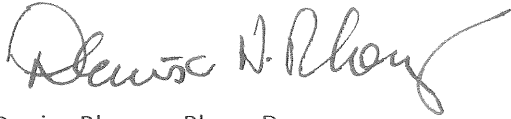

The work of CMOPP is critical to the overall success of the UNC Eshelman School of Pharmacy to ensure that the education of our students, a key element of our research, and a focus of our strategic partnerships are all aligned with a rapidly transforming healthcare system in the U.S. This transformation is opening up new opportunities to think and act in innovative and creative ways to bring about the change. The shift to value provides significant opportunities for the profession of pharmacy to demonstrate the value of medications and medication optimization services as a significant contributor to emerging care delivery and value based payment models.

Ultimately, the goal of the UNC Eshelman School of Pharmacy is to position our profession and students for success within emerging value based healthcare models in the U.S. The collaborative efforts of CMOPP will help us achieve this goal by implementing rigorous evaluations, solutions, best practices, and policies toward improving patient health outcomes and health care delivery. One of the key objectives of policy shaping will be to help define, build, and champion new value-based payment models that account for value-added services aimed at optimizing medications. We envision a highly collaborative research that will result in endorsement of new and innovative approaches of care delivery at the state and federal levels, and encourage adoption by payers and providers across the state and the nation.

Given the importance of this work to the profession of pharmacy, as well as the attention garnered by healthcare foundations and Federal agencies to identify solutions, we are confident that CMOPP will not only become self-sustaining through strong leadership, but it will set an aggressive course of growth in the future. In addition, we believe CMOPP has the potential to become a positive national voice in health policy, while providing a strong training ground to develop pharmacy leaders of the future.

As such, we endorse the creation of CMOPP and respectfully request that you approve the CMOPP Authorization to Establish a Center application.

Subject: Authorization to Establish a Center

Dear Vice Provost Tresolini,

As requested in the university policy on overseeing the creation of centers, the UNC Eshelman School of Pharmacy would like to respectfully submit this letter as an authorization to establish a center, the Center for Medication Optimization through Practice and Policy (CMOPP).

- 1. Proposed units designation as either a research, instructional, or public service unit, in accordance with its primary mission and with the understanding that it may conduct complementary activities outside its designated primary mission.**

The Center for Medication Optimization through Practice and Policy (CMOPP) is a research based unit organized to improve healthcare and patient health outcomes through effective medication optimization by implementing rigorous evaluations and identifying best practices that generate meaningful evidence for policymakers, health systems, and payers to make better decisions.

- 2. Mission, goals and objectives of the proposed center or institute.**

The mission of the Center for Medication Optimization through Practice and Policy (CMOPP) at the UNC Eshelman School of Pharmacy is to bring together healthcare stakeholders to create impactful real world research, generate evidence, disseminate best practices, and advance education that integrates medication optimization into value-based care delivery and payment models. We are not aware of any other group or structure within the university system that is focused on improving healthcare delivery through the optimization of medications. The uniqueness of this center is that it fulfills the role as a neutral third party between academia, the private sector and the government to facilitate collaborative research that will produce real world evidence, and has the ability to inform health policy while educating our students.

Goals of the Center for Medication Optimization through Practice and Policy (CMOPP) are focused in three areas:

- Build a core, 'mission driven' research capability that will facilitate evidence on optimizing medication use, while achieving self-sustainability and growth through grants and contracts.
- Through evidence dissemination, thought leadership and collaboration, develop a global reputation as a pre-eminent, trusted, and unbiased resource on appropriate medication use to inform healthcare policy development.
- Integrate the healthcare reform environment as a component of the UNC Eshelman School of Pharmacy curriculum to create student leaders who will positively influence healthcare delivery models.

The objectives of The Center for Medication Optimization through Practice and Policy (CMOPP) at the UNC Eshelman School of Pharmacy are to:

- a. Influence positive Health Policy changes that integrate pharmacy services into value based payment and care delivery models.
 - b. Facilitate collaboration within the UNC Eshelman School of Pharmacy, as well as externally with diverse stakeholders, such as health systems, commercial payers, patient groups, and pharmacy organizations in order to build scalable, results-oriented, real world research projects.
 - c. Build a world-class 'applied, mission-driven' research capability that addresses the needs of payers and value purchasers, and then use that evidence to educate policymakers on evolving value based reimbursement models.
 - d. Integrate healthcare reform and practice innovation into the curricular transformation at the UNC Eshelman School of Pharmacy to prepare the next generation of practitioners.
- 3. The anticipated benefit of the unit's work to the research, instructional, or public service programs of UNC-Chapel Hill; and, if inter-institutional arrangements are involved, the anticipated benefit to the participating institutions.**

The Center for Medication Optimization through Practice and Policy (CMOPP) will create a highly collaborative research program that will result in endorsement of new and innovative approaches of care delivery at the state and federal levels and encourage adoption by payers and providers across the state and the nation. We envision working on research collaborations with other entities in the university system, including the UNC Gillings School of Global Public Health, Health Policy and Management, School of Medicine, UNC Health Care, NC State Department of Industrial and Systems Engineering, and many others. The Center will also interact with external partners, including NC State and UNC Asheville to collaborate around medication optimization.

- 4. A description of how the achievement of the unit's mission, goals, and objectives will be measured, documented, and assessed.**

The Center for Medication Optimization through Practice and Policy (CMOPP) will create a Communications and Dissemination Plan to document, measure and assess the Center's mission, goals and objectives. The key objectives of the Communication and Dissemination Plan are to proactively manage the output of research projects in the areas of peer reviewed publications, white papers, case studies, meetings and presentations, and to develop a scorecard to track the reach and impact on traditional and nontraditional audiences. The Center will also facilitate monthly meetings with internal faculty and external partners to report on research project planning, grant writing, and communication activities to drive accountability.

- 5. Description of the organizational structure, including reporting lines, leadership, staffing, and advisory boards, and an organizational chart showing both the unit's relationship to existing campus units and the internal organization of the unit.**

The Center will be housed at the UNC Eshelman School of Pharmacy, within the Practice Advancement Clinical Education (PACE) Division. The Center Director will report to the Associate Dean for Pharmacoinformatics and Data Science, and also to the PACE Division Chair, who reports to the Dean of the UNC Eshelman School of Pharmacy.

The proposed CMOPP organizational structure:

Table 1. Proposed Center Positions and Key Responsibilities

6. Description of space, facilities, and equipment needs and how those needs will be met both immediately and in the five years of operation.

Space was renovated within the UNC Eshelman School of Pharmacy to house the Center and provide an open, collaborative environment for research and faculty-student interaction. An endowment provided by the UNC Eshelman School of Pharmacy Foundation covered the cost of the initial renovation. It is anticipated that startup funds will cover basic A-V and computer equipment for the first three years, and then funding from the endowment, contracts and grants will cover ongoing equipment needs to achieve the goal of self-sustainability.

7. Five-year budget detailing personnel and non-personnel costs and sources of revenue, including state funds, non-state funds, and in-kind support.

The Center director is a full time faculty member within the UNC Eshelman School of Pharmacy. Startup funds will be provided by the school to cover staff and the operational budget over the first 3 years. Additional funding includes a \$3 million endowment from the UNC Eshelman School of Pharmacy Foundation, which will provide approximately \$140,000 per year to fund student and post doc positions. Additional funds will be procured through grants and contracts over the first five years to create a path to self-sustainability. Existing research that CMOPP will manage in 2016-2018 includes:

- Transforming Primary Care Practice through Comprehensive Medication Management (ACCP award), a \$2.4 million award to evaluate medication optimization best practices in primary care
- Community Pharmacy Enhanced Services Network (CPESN), a \$15 million CMMI award to Community Care of North Carolina (UNC Eshelman School of Pharmacy is subcontractor in the amount of \$2.5 million) to transform payment and delivery in the community pharmacy setting
- Eshelman Institute for Innovation, a \$600,000 award to develop the technology platform to assimilate and disseminate best practices in medication optimization
- CMMI Transforming Primary Care Initiative, a \$18 million dollar award to CCNC to transform primary care practice with medication optimization component (UNC Eshelman School of Pharmacy is a subcontractor in the amount of \$500,000)

Table 2. 5-Year Anticipated Personnel/Non-Personnel Costs

	Years 1-2	Years 3-5	Total
Center Personnel costs	\$1,140,000	\$2,250,000	\$3,390,000
Non-personnel costs	\$168,200	\$252,300	\$420,500

Table 3. 5-Year Anticipated Revenue from Grants/Contracts/Endowments

	Years 1-2	Years 3-5 (projected)	Total
Endowment	\$280,000	\$420,000	\$700,000
Grants and Contracts	\$550,000	\$5,000,000	\$5,550,000

8. Acceptance of requirements for periodic review of the director and of the center or institute and requirements related to political and legislative activity. Specific dates for the initial director and center/institute reviews must be noted.

The Center director will be responsible for the day-to-day programmatic, fiscal, and personnel decisions of the unit.

The Center director will not engage in political activity while on duty, as described in UNC Policy Manual Section 300.5.1 and will receive comprehensive annual training concerning I.R.S restrictions on political and legislative activities. All professional Center staff will receive comprehensive annual training concerning I.R.S. restrictions on political and legislative activity.

The Center director will undergo an annual performance review during the first quarter of the following year. The Center will undergo a review every five years during the first quarter of the following year as a mechanism for evaluating its relevance and effectiveness as an academic and administrative entity.

Thank you for the opportunity to submit a request for authorization to establish a new center. We look forward to working with the Vice Provost for Academic Initiatives to answer any questions or further discuss the Center for Medication Optimization through Practice and Policy (CMOPP).

Respectfully submitted,

Dear Dr. Tresolini:

As a follow up to our conversation on November 22, 2017, I would like to request that the University begin the “decommissioning” process for both the Center for Oral and Systemic Diseases located in the Department of Periodontology and the Center for Pain Research and Innovation located in the Department of Endodontics, both in the School of Dentistry. A review of the Policies and Procedures Governing Centers and Institutes indicates that each of these two units would be more appropriately classified as a coordinating entity. These units are disciplined-based and housed in a single department. They do provide strengthened and enriched programs but lack sufficient resources to support the tripartite endeavors of the University. Dr. Everett and I have met with both Dr. Gary Slade and Dr. Steve Offenbacher and explained the reason for this request.

I assume these units were referred to as “Centers” in a previous document submitted to the University and thus became so named in a somewhat informal manner.

Let me know if you need additional information.

Sincerely,

Ken May, DDS

Dear Dr. Tresolini,

I would like to request that the University begin the decommissioning process for the Center for Bioethics, and instead re-classify it as a coordinating entity within the Department of Social Medicine. The Center for Bioethics no longer meets the definition of center or institute as described in Section II of the *Policies and Procedures Governing Centers and Institutes*. The School of Medicine does not consider the Center for Bioethics to be a stand-alone center.

If the Centers and Institutes Review Committee require additional information, please do not hesitate to contact us.

Resolution 2017-3. On Authorizing the Titles “Teaching Assistant Professor” and “Teaching Associate Professor” for Fixed-Term Faculty.

The Faculty Council resolves:

The Board of Trustees is asked to amend Section 2.b.5 of the *Trustee Policies and Procedures Governing Academic Tenure in the University of North Carolina at Chapel Hill* to read as follows:

Fixed-term faculty and other special faculty ranks: Appointments may be made to fixed-term faculty and other special faculty ranks with title designations “Professor of the Practice,” “Lecturer,” “Senior Lecturer,” “Teaching Assistant Professor,” “Teaching Associate Professor,” “Teaching Professor,” “Artist in Residence,” “Writer in Residence,” and any of the faculty rank designations provided in paragraphs (1) through (4) of this subsection with the prefix-qualifier “Adjunct,” “Clinical,” “Teaching,” or “Research,” under the conditions and with the incidents herein provided. Such an appointment, utilizing any of the foregoing title designations, is appropriate for one who possesses unusual qualifications for teaching, research, clinical service, academic administration, or public service from an academic base, but for whom none of the professorial ranks nor the instructor rank is appropriate because of the limited duration of the mission for which appointed, or because of concern for continued availability of special funding for the position, or for other valid institutional reasons.

Submitted by the Chair of the Faculty and the Fixed-Term Faculty Committee.

Proposal:

January 20, 2017

The Chair of the Faculty and the Fixed-Term Faculty Committee at UNC-Chapel Hill recommend that a resolution be brought to Faculty Council that replaces the fixed term titles of Lecturer and Senior Lecturer with Teaching Assistant Professor and Teaching Associate Professor, respectively.

The Lecturer title may still be used for a variety of other circumstances (graduate student; Master's level teachers; part-time; adjuncts, etc.) as appropriate.

Background:

- UNC College of Arts and Sciences employs **about 220 non-tenure track full-time faculty** (~ 26%).
- Of these, **119 are Lecturers and 62 are Senior Lecturers**.
- However, titles of Lecturer and Senior Lecturer are **outdated and not reflective** of these faculty members' roles in the University as full time Teachers, mentors, advisors, innovators and citizens of the University.
- **The title of Lecturer denotes a lesser status of faculty membership** in higher education and is especially demeaning to long-standing teaching faculty.
- Our Lecturers and Senior Lecturers are vital members of our Faculty. **In fact, most of our full-time Lecturers and Senior Lecturers do not just lecture**, but use innovative ways to educate our students. They are Center Directors, Graduate Program Directors, Assistant Deans and Committee Chairs, among many other leadership roles.

Recent progress:

- In 2014, the Faculty Council voted to replace the title of the fixed-term faculty rank **Master Lecturer** with **Teaching Professor**, which was subsequently approved by the Board of Trustees.
- The next step is to change the **Lecturer and Senior Lecturer ranks to Teaching Assistant Professors and Teaching Associate Professors**, respectively.
- The choice of the Teaching modifier is consistent with both their contributions to the University and with the progressive rankings in other disciplines across the University: Clinical and Research.
- This designation is common throughout the UNC System: **NCSU, ECU, and UNC-Charlotte** use the Teaching modifier for fixed-term faculty with relevant rank (Assistant, Associate and Full).
- Similar institutions use the Teaching modifier (**Georgetown University, Notre Dame, University of Minnesota, Villanova University**).
- Offering Teaching Assistant Professor and Teaching Associate Professor **titles is a tangible way to support highly valued full-time fixed-term faculty**.
- **It allows departments to attract and retain the best and brightest teachers.**
- **Students will be taught by Professors, a title that denotes academic accomplishment.**
- **Professional performance will continue to be evaluated on the basis of Teaching Excellence.**
- **There is no cost associated with change.**
