MEMORANDUM

TO: Members of the Board of Trustees

FROM: Carol L. Folt

RE: Mail Ballot

DATE: December 11, 2015

You have authorized my office to poll you by mail concerning personnel matters which require attention by the Board. Accordingly, we are transmitting to you herewith personnel actions as follows:

EPA Faculty Compensation & Tenure Actions Attachment A

Please mark and return the enclosed mail ballot indicating whether or not you agree with the actions proposed. Thank you.

The University of North Carolina at Chapel Hill EXECUTIVE SUMMARY Board of Trustees December 17 , 2015

Revised March 2, 2012, Initial Charter Approved July 22, 2004

<u>Finance, Budget, Finance, and Audit Committee</u>

<u>Infrastructure, and Audit Committee</u>

Audit Related Charter

This Finance, Infrastructure, and Audit Budget. Finance, and Audit Committee Charter (Charter) is an administrative supplement to the Bylaws of the Board of Trustees of the University of North Carolina at Chapel Hill. Article I section 104 - Committees. This administrative supplement to the by-laws addresses audit matters at the University.

I. Background

Each special responsibility constituent institution, including the University of North Carolina at Chapel Hill, is required by State law to have a financial audit conducted annually by an external auditor. Historically, the Office of the State Auditor has conducted the annual financial audit and has not performed any non-audit services including those prohibited by the Sarbanes Oxley Act. The Office of the State Auditor determined staff assignments for individual audits, including rotation of Audit Managers for each audit client. General Statute 116 30.8 provides that the University may contract with the State Auditor or with a certified public accountant to perform the annual financial audit. This Charter shall take effect when approved and shall remain in effect until amended change applies to fiscal year 2011 12 and subsequent fiscal years.

II. Purpose

One standing committee of the Board of Trustees of the University of North Carolina at Chapel Hill (Board) shall be known as the Finance, Infrastructure, and Audit Budget, Finance, And Audit Budget, Finance, And Audit Budget, Tele primary audit related function of the Committee is to assist the Board in fulfilling its responsibilities related to the:

- Integrity of the University's financial statements and other financial reporting;
- Adequacy and effectiveness of systems of internal control; and
- Independence and performance of the external and internal audit functions.

The duties of the Committee do not replace or duplicate established management responsibilities and delegations. Instead, the-Committee serves in an advisory capacity to guide the direction of management's actions and set broad policy for ensuring accurate financial reporting, sound risk management, and ethical behavior.

Commented [PP1]: Reflects prior name change and requirement in the *UNC GA Best Financial Practices* guidelines that the title of the Trustees committee responsible for audit matters must include "audit".

Commented [PP2]: Added to clarify that the charter is not intended to define and govern all duties of the Committee, only those related to audit matters.

Commented [PP3]: Colleges and universities are not subject to Sarbanes Oxley.

Commented [PP4]: Statue amended and universities are no longer allowed to engage a public accounting firm to perform the annual financial statement audit.

Formatted: Font: (Default) Times New Roman, 10 pt

2nd Revision ????

Formatted: Superscript

III. Composition

The Chair of the Board will select members of the Committee. Each Committee member must be independent of management of the University and free of any relationship that would impair such independence. Members may not receive consulting, advisory, or other fees from the University.

The UNC Board of Governors is responsible for appointing Board of Trustee members who understand financial data and can serve on the Committee. A majority of the members of the Committee should be financially literate and, if possible, at least one member should be a financial expert. Financial literacy is the ability to understand fundamental financial information and statements. A financial expert is someone who has an understanding of generally accepted accounting principles and financial statements preferably relative to higher education; experience in applying such principles; experience in preparing, auditing, analyzing, or evaluating financial information; experience with internal controls and procedures for financial reporting; or an understanding of the audit committee function.

If feasible, the role of financial expert will be rotated on an annual basis.

IV. <u>Duties and Responsibilities</u>

The following shall be the principal audit-related duties and responsibilities of the Committee or the Chair on behalf of the Committee:

- Meet at least four times during the year.
- Monitor internal control systems at the University through activities of the internal and external auditors.
- Obtain assurance that the University is performing self-assessments of operating risks and evaluations of internal control on a regular basis.
- Confirm with University management that the University has not engaged the external auditor to perform any prohibited, non-audit services, as defined in the Sarbanes-Oxley Act.
- Request, as needed, that the external auditor rotate the Audit Manager assigned to the University's financial statement audit.
- Receive the audit engagement letter and other significant audit related communications from <u>any</u> the external auditor. The external auditor will be directed to copy the Committee on any such communications.
- At the beginning of the audit cycle, review and approve the annual internal audit plan for the campus. At the end of the cycle, reviewing a comparison of the approved internal audit plan to internal audits performed. Review and approve the Internal Audit Department's Charter, annual audit schedules, and long range audit plans. Confirm with the Director

Commented [PP5]: The need for these capabilities were initially defined in the Sarbanes-Oxley Act. While that Act does not apply to not-for-profit universities, the need for financial literacy on an Audit Committee is a best practice.

Commented [PP6]: Is rotation of the financial expert something the Committee wants to commit to?

Commented [PP7]: Required by General Administration

Commented [PP8]: Included in GA Best Financial Practices – does the Committee want to do this?

University will need to have a process that ensures that Committee members get copies of the annual Self-Assessment of Internal Controls over Financial Reporting or that management affirms that the assessment has been done.

Also, Committee might want to get information about the University's Key Performance Indicators reported to General Administration

Commented [PP9]: Striking since the University no longer has the option to engage a public accounting firm to do its financial statement audit instead of the Office of the State Auditor. As stated in the Background section, the Office of the State Auditor determines staff assignments and rotation.

Commented [PP10]: Better describes responsibility.

of Internal Audit, on an annual basis, efforts to coordinate the work of the Internal Audit Department and the external auditor to ensure complete audit coverage, reduce duplication of work, and use audit resources effectively.

- As needed, review and approve revisions to the Internal Audit Department's Charter.
- Be available to meet during the year with the external auditor for consultation purposes
 or to discuss the auditor's judgments about the quality, not just the acceptability, of the
 University's accounting principles and underlying estimates in its financial statements.
- Receive management's representation letter to the external auditor.
- Review the results of the annual financial audit with the North Carolina State Auditor or his
 or her designated representative.
- Discuss the results of any other audit performed and report/management letter (i.e.
 information system audits, investigative audits, etc.) issued by the North Carolina State
 Auditor with either the State Auditor or his staff, the Director of Internal Audit, or appropriate
 campus official.
- For any audit finding contained within a report or management letter issued by the State
 Auditor, review the institution's corrective action plan and receive a report once corrective
 action has taken place.
- Discuss the results of any audit performed by other external auditors and, if there were auditfindings, review the institution's corrective action plan and receive a report once corrective
 action has taken place. Receive year end financial statements, findings, the management
 letter, and other matters from the annual independent audit.
- Review internal audit reports and summaries of external and internal audit activities.
 Ensure that management is devoting adequate attention to issues raised.
- Review all audits and management letters of University Associated Entities as defined in section 600.2.5.2[R] of the UNC Policy Manual.
- Review and resolve any significant disagreement between University management and the external auditor or the Internal Audit Department in connection with the preparation of the financial statements or with other audits.
- Obtain annual assurance form the Director of Internal Audit that all internal audits were conducted in accordance with Professional standards.
- Consult with the appointing authority regarding the selection and removal of the Director of Internal Audit.
- Oversee the University's mechanisms for receiving, resolving, and retaining records of complaints, regarding accounting, internal control, and auditing matters.
 Receive briefings from University management or the Director of Internal Audit regarding

Commented [PP11]: Moved from prior bullet

Commented [PP12]: Who sends?

Formatted: Normal, Indent: Hanging: 0.23", Right: 0", Space Before: 0 pt, Line spacing: single, Don't hyphenate, Tab stops: Not at 0.54"

Commented [PP13]: Better defines actual responsibilities.

Commented [PP14]: Should the Committee get a copy of reports from all external audits of the University and any related corrective action plans? This will include audits by any regulatory body as well as the annual NCAA financial agreed-upon-procedures review.

Having them get these reports is a good idea. If we define this as a responsibility of the Committee, the University will need a way to be sure that units campus-wide know to send these reports to the Chancellor's Office to be posted to the Trustee website.

Commented [PP15]: This duty is also in the Best Practices document but an alternative approach might be better.

Only a few AE audit reports have findings. It might be preferable for the Committee to get a summary report that lists the AE findings and subsequent reports that states what's been done to fix a finding.

Commented [PP16]: A responsibility not previously stated.

Commented [PP17]: Part of the annual certification letters.

Formatted: Font: (Default) Times New Roman, 10 pt

2nd Revision ????

Formatted: Superscript

any significant complaints or misuse of funds.

- Consult with the Office of University Counsel to review any legal matters that may
 have a significant impact on the University's financial statements or overall financial performance.
- Review and forward with recommendations to the full Board significant management initiatives involving financial reporting matters.

The Committee may modify or supplement these duties and responsibilities as needed.

The Committee shall have the authority to engage, in accordance with State rules and regulations, independent counsel or other advisors as necessary to carry out its duties. The University shall provide appropriate funding as determined by the Committee for payment to advisors employed by the Committee.

The Committee, with the assistance of the Office of University Counsel and the Director of Internal Audit, should periodically review and assess the adequacy of the Budget, Finance, and Audit Committee the Committee Charter.

DESIGNER SELECTION – BEARD HALL 2ND FLOOR RENOVATION

This project will renovate approximately 13,400 square feet of the existing space on the 2nd floor of Beard Hall into a new classrooms and clinical simulation teaching spaces for the Eshelman School of Pharmacy. The project will also address accessibility deficiencies with the elevator and the restrooms and replace failing building HVAC system located in the attic.

The project budget is \$9,713,728 and will be funded by University funds.

The project was advertised on November 12, 2015. Sixteen (16) proposals were received. Five (5) firms were interviewed on January 5, 2016. Members of the Board of Trustees did not participate in the interviews.

The committee recommended the selection of the three firms in the following priority order:

1.	Perkins Eastman	Charlotte, NC
2.	ВВН	Raleigh, NC
3.	BHDP	Raleigh, NC

The firms were selected for their past performance on similar projects, strength of their consultant team and experience with campus projects.

RECOMMENDED ACTION

A motion to approve the three firms in the following priority order:

1.	Perkins Eastman	Charlotte, NC
2.	ВВН	Raleigh, NC
3.	BHDP	Raleigh, NC

Perkins Eastman

December 3, 2015

Mr. Joe Fenton
The University of North Carolina at Chapel Hill
Department of Facilities Planning & Design
103 Airport Drive, Campus Box #1090
Chapel Hill, NC 27599-1090

Reference: Beard Hall 2nd Floor Renovations Project

The University of North Carolina at Chapel Hill, School of Pharmacy

Dear Mr. Fenton and Members of the Selection Committee:

Please accept the enclosed response for planning, programming and comprehensive renovations of Beard Hall, part of the UNC Eshelman School of Pharmacy. We propose a partnership of Perkins Eastman and Rotman Architecture, PA, to bring exceptional knowledge of the department, its needs, and the existing building. Additionally, this partnership will leverage national expertise in medical education, extensive work in prototyping, and executing new learning and technology platforms. We have the capacity to deliver the project within expected time-frames, cost effectively.

Our team is made up of an extremely knowledgeable consultant group. We have worked with many of these firms and all of them have completed work of this type on the UNC-Chapel Hill campus.

We understand the overarching goals for this project include master planning activities to address global accessibility access concerns, and the development of a coherent campus for the School of Pharmacy (Schematic Level). In addition, the assignment will include design services for a comprehensive renovation to Beard Hall 2nd Floor classrooms, core vertical circulation and building systems – all to be completed while the building remains in use. Our team is prepared to work with UNC stakeholders who will provide guidance on this project including UNC School of Pharmacy, Facilities Planning and Services, Environmental Health, Energy Services, Public Safety and Transportation, and others as deemed appropriate. Our approach will develop a design solution that is comprehensive, sensitively phased, and affordable using a process to engage, collaborate, and engender ownership.

Key qualifications for this assignment include:

- National Capability, Local Management and Delivery Our teaming approach provides the School of Pharmacy well known leadership capabilities, planning and programming expertise. Rotman Architecture, PA has over 20 years of experience with UNC-Chapel Hill School of Pharmacy staff and faculty and the Charlotte office of Perkins Eastman will provide the necessary project design and production support for project needs.
- National Medical Education Experience Our team members and firm wide resources have worked in 'real world' pharmaceutical environments (U797) with clients like UNC-Wilmington, Rutgers University, Duke University (Singapore), UC Davis, Columbia, UCLA and many more.
- Experience Prototyping and Implementing Collaborative Learning Models Creating dynamic, technology rich learning environments including distance education and active learning space that promote student engagement.
- Extensive experience with UNC-Chapel Hill and the UNC Eshelman School of Pharmacy We are familiar with UNC facilities staff, campus, and the buildings supporting the School of Pharmacy including Beard Hall 2nd floor, where Rotman Architecture, PA is currently working.
- Over 70% of our Higher Education Work Incorporates Renovation work that responds to the
 ever changing goals and needs of academic institutions and their diverse users. Much of our
 renovation work mitigates the challenges of phasing and construction in buildings that remain
 occupied and operational.
- We Value Long-Term Relationships We listen first, and then work diligently to serve each client's specific project goals and budget.

ATTACHMENT E

<u>DESIGNER SELECTION - KENAN LABORATORIES BASEMENT AND FLOORS 3-</u> 9 FIRE SPRINKLERS

This project will address the fire safety needs for this ten story, 140,410 square feet building in order to meet the current NFPA fire protection requirements. The project will provide for the installation of a new wet pipe fire sprinkler system for the floors 3-9 and the basement. The fire sprinkler systems for the ground, first and second floors were installed under a previous project.

The project budget is \$2,460,000 and will be funded by the 2014 Repairs and Renovation funds.

The project was advertised on November 20, 2015. Nine (9) letters of interest were received. Three (3) firms were interviewed on January 13, 2016. Members of the Board of Trustees did not participate in the interviews.

The committee recommended the selection of the three firms in the following priority order:

1.	McKim & Creed	Raleigh, NC
2.	RDK Engineers	Durham, NC
3.	Engineered Designs	Cary, NC

The firms were selected for their past performance on similar projects, strength of their consultant team, knowledge and experience with campus projects.

RECOMMENDED ACTION

A motion to approve the three firms in the following priority order:

1.	McKim & Creed	Raleigh, NC
2.	RDK Engineers	Durham, NC
3.	Engineered Designs	Cary, NC

Ms. Amy E. Dean, PE, LEED AP Structural Engineer / Project Manager University of North Carolina at Chapel Hill 103 Airport Drive Giles F. Horney Building Suite 202 Chapel Hill, NC 27599-1090

RE: Kenan Laboratories Floors 3-9 Fire Sprinklers

We are excited to submit our qualifications to you on this project. Fire protection upgrade projects, particularly when occupied labs are involved, require a detail-oriented and collaborative approach to ensure both the scope of work and phasing/outage requirements are clearly defined and coordinated in the project documents.

Our team has outstanding related project experience on the UNC Chapel Hill campus including the Kenan Building Energy Conservation Measures project and the Davis Library Advanced Planning project.

Based on our experience at the Kenan Building, we understand the tight construction in the basement and the long term infrastructure planning for the building. These elements are critical to ensure this fire protection project is coordinated with all the renovation work that is needed for Kenan. The Davis Library Advanced Planning project included planning and budgeting for a complete fire protection system upgrade and Davis is also a high rise building with a fire pump.

We are submitting to you a proven team that has specific expertise in fire protection upgrade projects, including laboratory projects. Our team includes **RND Architects** who we have partnered with on several laboratory projects. We also have **Froehling & Robertson, Inc. (F&R)** for asbestos abatement design if the need arises. F&R is a HUB-certified firm that has worked with us on the Kenan Labs Building Energy Conservation Measures project and has a long history of partnering with McKim & Creed.

1730 Varsity Drive

Suite 500

Raleigh, NC 27606

In regards to the technical approach to this project, we have extensive fire protection system experience that brings value to UNC Chapel Hill for a project of this type. We are intricately familiar with all performance and fire pump requirements as required by SCO, and have extensive experience on sprinkler systems in high rise construction (including Davis Library, and Hearst Tower in downtown Charlotte). This includes going beyond performance based design, as our team is capable of providing branch piping and head layouts that may be needed for a complicated project such as this.

919.233.8091

Fax 919.233.8031

We understand that a new room will be established for the fire pump location in accordance with current code, and we will review location options with UNC Chapel Hill on the basement and ground floor levels to ensure the best long term location is

identified and selected as part of this project. We also fully understand the fire alarm system integration that needs to occur and the new front-end fire alarm panel that is being requested by UNC Chapel Hill. McKim & Creed recently completed a very similar fire alarm panel migration at Berryhill Hall as the prime consultant working directly with UNC Chapel Hill.

By selecting McKim & Creed, you will have a familiar and experienced team - a team that believes in proactive communication throughout the design and construction process to bring together ideas on finalizing project scope and phasing, and a team with a history of performance both at UNC Chapel Hill and the State Construction Office. All of our current UNC Chapel Hill HVAC projects will have design completed and be in the construction phase by the time this project starts, and will not be in conflict with this project due to our personnel involved on these projects. As such, McKim & Creed has ample resources to be fully dedicated to this project.

We value our excellent, long standing relationship with UNC Chapel Hill staff and look forward to continuing this working relationship under this contract. Our team knows, and can do, what it takes to make this project work so that your needs are met.

Respectfully submitted, McKim & Creed, Inc.

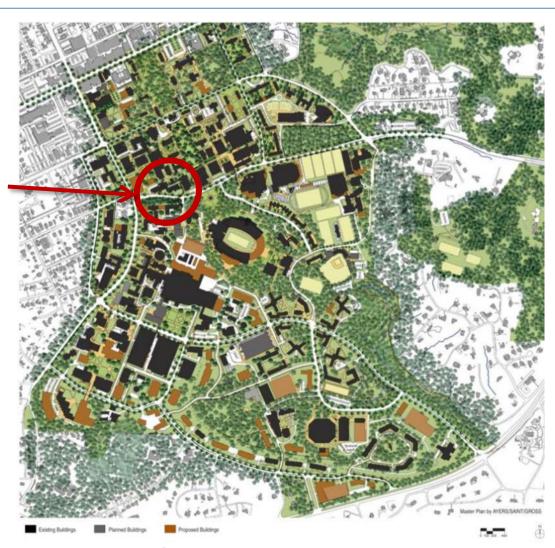

Matthew E. Daves, PE, LEED AP, CBCP

PROJECT SITE

<u>DESIGNER SELECTION – MBRL/GLAXO ENERGY CONSERVATION MEASURES</u> – AIRFLOW REDUCTION

This project will implement airflow ventilation reduction at the MBRL portion (approximately 13,500 gross square feet) of the building using the existing constant-volume controlled terminals with reheat coils and the exhaust terminals. The existing constant volume ventilation system will be converted to a variable volume air supply distribution system based upon the minimum air ventilation and space cooling requirements.

The Project budget is \$580,000 and will be funded by University funds.

This project was advertised on November 13, 2015. Eight (8) proposals were received. Three (3) firms were interviewed on January 6, 2016. Members of the Board of Trustees did not participate in the interviews.

The committee recommended the selection of three firms in the following priority order:

1. Stanford White Raleigh, NC

2. McKim & Creed, Inc. Raleigh, NC

3. RDK Engineers Durham, NC

The firms were selected for their strength of the project team, specific project approach on recent Energy Conservation Measures projects and previous University and State Construction Office experience.

RECOMMENDED ACTION

A motion to approve the three firms in the following priority order:

1. Stanford White Raleigh, NC

2. McKim & Creed, Inc. Raleigh, NC

3. RDK Engineers Durham, NC

December 4, 2015

Mr. Wm Keith Snead, LEED AP Project Manager Facilities Planning Office UNC Chapel Hill 103 Airport Drive, Suite 202E Chapel Hill, NC 27599

Re: Energy Conservation Measures MBRL / Glaxo UNC Chapel Hill

Dear Keith:

Thank you for corresponding with me regarding this project.

Stanford White is very interested in providing engineering services to implement energy conservation measures at the Glaxo/Molecular Biology Research Lab at UNC Chapel Hill.

Stanford White has the qualifications and expertise to successfully engineer this project, most notably:

- Lab HVAC design
- Lab energy conservation measures
- Lab projects (new, renovation, teaching, research, public, private)
- University & College experience in North Carolina

A response to your list of critical selection factors for designers follows this letter. A firm profile, staff resumes, and examples of experience are also included in this proposal package.

We appreciate the opportunity of offering our professional engineering services to you. We are proud of our quality work and our history of client satisfaction. We look forward to continuing our working relationship with you and UNC Chapel Hill.

Sincerely,

STANFORD WHITE, Inc.

MBRL/GLAXO BUILDING ENERGY CONSERVATION MEASURE

PROJECT SITE

Ν

APPROVAL FOR THE DEMOLITION OF ODUM VILLAGE UNITS

The demolition of the thirty-six (36) buildings which contain a total of two hundred thirty-six (236) apartments is necessary for future campus development. The apartments will not be allowed as residential units after the fall of 2016 due to the lack of a proper fire protection system. The Power Generation and Chilled Water Plants at Manning Plant and Durham-Orange Light Rail Transit are two projects currently in design that will require development of some of the existing building sites.

The project budget is \$5.1M and will be funded by University funds.

Recommended action:

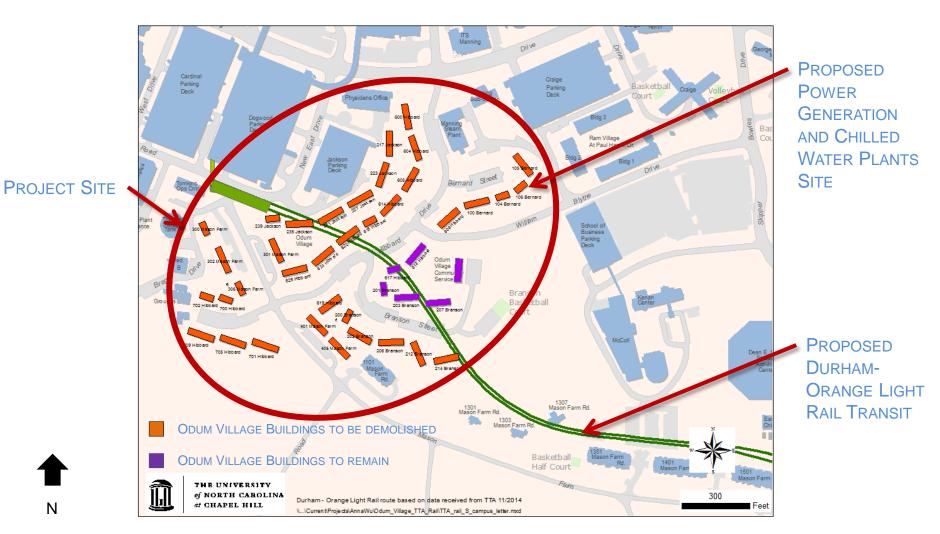

A motion to approve the demolition of the following thirty-six (36) buildings at Odum Village:

- Units 300 306 Mason Farm Road, four (4) buildings
- Units 401 407 Mason Farm Road, two (2) buildings
- Units 100 109 Bernard Street, four (4) buildings
- Units 200, 202, 204, 206, 208, 210, 212, 214 & 216 Branson Street, three (3) buildings
- Units 217 239 Jackson Circle, six (6) buildings
- Units 600 630 Hibbard Drive, twelve (12) buildings
- Units 700 711 Hibbard Drive, five (5) buildings

REPORT TO THE FINANCE AND INFRASTRUCTURE COMMITTEE OF THE BOARD OF TRUSTEES

Internal Audit Department

University of North Carolina at Chapel Hill

January 27, 2016

UNC - CHAPEL HILL

INTERNAL AUDIT DEPARTMENT

SUMMARIES OF AUDIT ACTIVITIES AND PROJECTS COMPLETED AND IN PROCESS AUGUST 24 TO DECEMBER 13, 2015

COMPLETED

2015/16 Risk Assessment and Audit Plan – this project forms the basis for selecting items scheduled for audit in fiscal year 2014/15. The risk assessment process defines auditable units – a combination of core business practices, information technology systems and activities, individual schools and departments, cross-department activities, and current issue in higher education – and evaluates the significance or risk associated with each auditable.

Members of University management provide input in identifying risks and opportunities that the University has making the audit work plan a collaborative product. Discussion with these individuals provide the opportunity to share information about risks and opportunities across the University.

<u>Environmental Sciences and Engineering</u> – a financial, compliance, and operational review of activities related to time-keeping, travel, and procurement.

We performed this review at the request of the Dean of the Gillings School of Global Public Health. Our review disclosed:

- Inadvisable time-keeping practices such as one person frequently entering work time for someone else and employees entering work time at the beginning of a reporting period before the hours were worked:
- Multiple edits to the same time entries; and
- Employees who "clocked in" from a UNC-CH IP address but "closed out" from an off-campus address (or the reverse) which meant that employee was being paid for commute time between home and work.

Each of these issues were also noted in a 2014 audit of the department but were not corrected by the department's business manager.

We also found inappropriate purchases made by and payments to an individual who is no longer with the department. The University is working with UNC Public Safety to recover the funds lost.

In addition to the project report, we will issue a supplemental report with recommendations for managing university-wide risks associated with a decentralized operating environment. Suggestions include more use of joint business service centers and data mining and analysis.

IN PROCESS

<u>Center for Health Promotion and Disease Prevention</u> – a financial, compliance, and operational review of fiscal processes in the Center particularly those related to retro-active salary changes and other grant management activities. We found issues related to grant management and are working with center management to identify ways to resolve these issues. Draft report is with management.

UNC - CHAPEL HILL

INTERNAL AUDIT DEPARTMENT

SUMMARIES OF AUDIT ACTIVITIES AND PROJECTS COMPLETED AND IN PROCESS AUGUST 24 TO DECEMBER 13, 2015

<u>Orthodontics</u> – assistance to management with a review of processes and transactions related to acquisition of dental molds and implants for patient care and instructional purposes. Potential issues related to procurement and patient information.

<u>Learn NC</u> – limited review of activity in sponsored awards managed by the School of Education. The review will focus on allocablity of costs and the nature of financial information provided to award principal investigators.

<u>Coal Sorbent Contract</u> – review of procurement process related to purchase of limestone and similar materials used to reduce sulfur-dioxide emissions from the University's coal-fired boilers. Also, reviewing monitoring processes related to sorbent quality and performance.

<u>Clery Act Reporting</u> – a review of processes used to manage notifications and reporting required by the "Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act". Internal Control review in process.

<u>Historically Under-utilized Business Program</u> – a review of processes used to promote and encourage full and open competition, promote equal access to contracting opportunities among the various contractors and vendors that do business with the University, and ensure compliance with policy a reporting requirements related to this program. Planning and preliminary survey in process

<u>Auxiliary Services Equipment</u> – referral from the Office of the State Auditor – review of equipment acquisition and management related to Dining Services.

<u>Lineberger Cancer Center Grants</u> - referral from the Office of the State Auditor – review of cost management related for sponsored funds.

Lease Report

Board of Trustees
The University of North Carolina at Chapel Hill

January 27, 2016

Review of the Types of Leases Held by The University of North Carolina at Chapel Hill

I. Lease Acquisitions (Space Leased to the University by Others)

A. Office Space Leases

- · 42647 square feet of office space leased to the University with annual rent payments of \$8,830,548.97 (representing 2.75% increase in leased square feet and 2.30% increase in annual rent payments since the last lease report in July, 2015)
- 63,471 square feet of office space (included in the above-referenced 426,472 square feet) leased to the University in Endowment owned buildings with annual rent payments of \$1,364,626.50 (representing no change in leased square feet and .89% increase in annual rent payments since last lease report in July, 2015)

B. Miscellaneous Leases

• Leases to the University with annual rent payments of \$ 402,741.59. (representing 16.45% increase in annual rent payments since last lease report in July, 2015)

C. Storage Space Leases

· 3,208 square feet of storage space leased to the University with annual rent payments of \$23,316.00 (representing 10.32% increase in leased square feet and 26.74% increase in annual rental payments since the last lease report in July, 2015)

II. Lease Dispositions (Space Leased by the University to Others)

A Rental Houses

21 houses (22 leases) with projected annual rent receipts of \$347,702.00 (representing a .26% increase in annual rent receipts since the last lease report In July, 2015)

B. Rental Buildings

2 buildings with annual rent receipts of \$5,409,721.00
 (representing no change in annual rent receipts since the last lease report in July, 2015)

C. Land Leases

78.08 acres of land leased with nominal rent receipts (representing no change in land leased and no change in nominal annual rent receipts since the last lease report in July, 2015)

2. Cogen Steam Tunnel Rehabilitation (495)	\$6,000,000
3. Upper Quad HVAC & Window Replacement (469)	\$6,450,000
4. Morehead Chemistry Building Roof Replacement (521)	\$515,326
5. Skipper Bowles Drive Repair & Resurface (448)	\$2,367,100
6. Craige Residence Hall Roof Replacement (554)	\$702,370
7. Murray Hall Renovation 3401 Lab Up-Fit (563)	\$550,000
8. Volleyball Suite Renovation, Woolen Gym (562)	\$1,047,000
Total	\$53,343,396

PROJECTS UNDER CONSTRUCTION:

Marsico Hall (formerly Imaging Research Building) (378) - \$245,543,902

(Funding - Appropriations)

Construction began June 2009 and beneficial occupancy was granted March 2014. Additional work was added to the lower basement levels extending the project completion to March 2016.

Rizzo Center Phase III (517) - \$36,000,000

(Funding - University Non-Appropriated)

Construction began October 2013 and is 85% complete. Project completion is expected in March 2016.

Lighting Upgrades for Parking Decks (464) - \$3,000,000

(Funding - University Non-Appropriated)

Construction began March 2015 and is 60% complete. Project completion is expected in May 2016.

Howell Hall Renovation (503) - \$12,300,000

(Funding - University Non-Appropriated/Repair&Renovation)

Construction began April 2015 and is 74% complete. Project completion is expected in March 2016.

Aycock Family Medicine Center Renovation (504) - \$4,177,108

(Funding - University Non-Appropriated)

Construction began January 2015 and is 65% complete. Project completion is expected in March 2016.

North Chiller Plant Capacity Upgrade (509) - \$4,500,000

(Funding - University Non-Appropriated)

Construction began February 2015 and is 95% complete. Project completion is expected in January 2016.

208 West Franklin Street Renovation (513) - \$3,932,598

(Funding - University Non-Appropriated)

Construction began March 2015 and is 94% complete. Project completion is expected in January 2016.

Rosenau Hall, Beard Hall and Old Clinic Building Roof Repairs and Fall Protection Installation (523) - \$743,000

(Funding - University Non-Appropriated)

Construction began June 2015 and is 80% complete. Project completion is expected in January 2016.

Thurston Bowles DLAM Renovation (558) - \$2,000,001

(Funding - University Non-Appropriated)

Construction began June 2015 and is 85% complete. Project completion is expected in January 2016.

Hill Hall Renovation (502) - \$19,670,000

(Funding - University Non-Appropriated, Gifts, and Repair&Renovation)

Construction began September 2015 and is 25% complete. Project completion is expected in October 2016.

Craige Residence Hall Elevator Repairs (555)- \$683,000

(Funding - University Non-Appropriated)

Construction began June 2015 and is 40% complete. Project completion is expected in March 2016.

GA Chiller Replacement (556)- \$1,072,707

(Funding – University Non-Appropriated)

Construction began July 2015 and is 96% complete. Project completion is expected in January 2016.

PROJECTS IN DESIGN:

Renovations to Mary Ellen Jones Building (501) - \$117,292,391

(Funding - University Non-Appropriated)

Project will be uner construction in February 2016.

Improvement to Pedestrian, Bicycle & Vehicular Access to an Area between Franklin Street and Cameron

Avenue, Porthole Alley (531) - \$2,850,000

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Hamilton Hall Envelope Restoration (516) - \$1,500,000

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Campus Way Finding Signage (514) - \$2,466,250

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Campus Wide Sidewalk Improvements for Pit Area Walkway (538) - \$2,300,000

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Cogeneration Environmental Site Investigation/Remediation (467) - \$750,000

(Funding - University Non-Appropriated)

Site investigation completed.

Davis Library Sprinklers and Fire Alarm Panel Replacement (551) - \$8,778,300

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Kenan Lab - Energy Conservation (543) - \$1,000,000

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Medical Biomolecular Research Building - Energy Conservation (553) - \$1,500,000

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Power Generation & Chilled Water Plant Addition (547) - \$86,307,988

(Funding - University Non-Appropriated)

Project is in design development phase.

<u>HVAC Controls Upgrade - Energy Efficiency in Hanes, Mitchell, Swain and Steele Halls (542) - \$498,000</u> (Funding - State Appropriated 1292 Funds)

Project is in construction documents phase.

Sitterson Bus Stop (541) - \$700,000

(Funding - University Non-Appropriated)

Project is in construction documents phase.

Davis Library Roof Replacement West Sector (524) - \$305,000

(Funding - University Non-Appropriated)

Project is in construction documents phase.

School of Dentistry Vacuum System Feasibility Study (578) - \$945,375

(Funding - University Non-Appropriated)

Project is in design development phase.

Abernethy Hall Exterior Repairs (577) - \$450,000

(Funding - University Non-Appropriated)

Project is in schematic design phase.

Department of Athletics Master Plan - \$200,000

(Funding - University Non-Appropriated)

Project is in feasibility study phase.

Campus Master Plan - \$1,500,000 (570)

(Funding - University Non-Appropriated)

Project is in pre-planning phase.

Davie Hall, Gardner Hall and Lineberger Cancer Center Elevator Repairs (582) - \$2,035,375

(Funding - University Non-Appropriated)

Project is in feasibility study phase.

Ehringhaus, Hinton James and Carmichael Residence Halls Elevator Repairs – (568) \$1,900,000

(Funding - University Non-Appropriated)

Project is in schematic design phase.

Ehringhaus, Hinton James and Carmichael Residence Halls Roof Replacement (569) - \$1,200,000

(Funding - University Non-Appropriated)

Project is in schematic design phase.

Kenan Laboratory Building and Friday Center Roof Replacement (575) - \$1,505,860

(Funding - University Non-Appropriated)

Project is in schematic design phase.

Knapp - Sanders Building Structural Repairs (576) - \$626,700

(Funding - University Non-Appropriated)

Project is in construction document phase.

Morehead Chemistry Building HVAC Repairs (581) - \$682,500

(Funding - University Non-Appropriated)

Project is in schematic design phase.

Murray Hall Renovation (559) - \$4,381,586

(Funding - University Non-Appropriated)

Project is in construction document phase.

Phillips Hall Renovation (560)- \$1,797,000

(Funding - University Non-Appropriated)

Project is in construction document phase.

Taylor Hall Fire Safety Improvements –(583) \$1,896,000

(Funding - University Non-Appropriated)

Project is in feasibility study phase.

Emergency Declaration - Cheek/Clark Building Repairs (598) \$2,500,000

(Funding – University Non-Appropriated)

Project is in feasibility study phase.

Medical Biomedical Research Building (MBRB)/Glaxo Building (584) - \$440,000

(Funding -University Non-Appropriated)

Project is in bid phase.

Morehead Planetarium Building, Renovation of Classrooms, Offices (585) \$5,576,122

(Funding - Foundation/gifts)

Awaiting approval to complete advance planning.

South Building Accessbility Improvements (586) \$319,700

(Funding: University Non-Appropriated)

Project is in schematic design phase.

Battle Grove Regenerative Stormwater Conveyance (587) \$362,439

(Funding: University Non-Appropriated)

Project will be under construction in January 2016.

Campus Safety Upgrade (588) \$4,750,000

(Funding: University Non-Appropriated)

Project is in construction document phase.

Joan H. Gillings Auditorium (590) \$2,400,000

(Funding: Foundation and Endowment Income)

Project is in schematic design phase.

Carolina Performing Arts at Carolina Square (123 W Franklin St (592) \$4,000,000

(Funding: University Non-Appropriated)

Project is in schematic design phase.

Children's Wonder Garden – NC Botanical Garden (593) \$765,839

(Funding: Foundation)

Project is in schematic design phase.

McGavran Greenburg Animal Facility Improvements (595) \$1,949,968

(Funding – Grant (\$475,925 & University Non-Appropriated \$1,474,043)

Project is in schematic design phase.

<u>Lineberger Laboratory Renovations (596) \$495,000</u>

(Funding University Non-Appropriated)

Project is in construction document phase.

Hooker Fields Improvements (597) \$2,817,500

(Funding: University Non-Appropriated)Project is in construction document phase.

Emergency Declaration - Cheek/Clark Building Repairs (598) \$4,020,000

(Funding: University Non-Appropriated) Project is in schematic design phase.

Emergency Declaration - Van Hecke-Wettach Asbestos (601) \$350,000

(Funding: University Non-Appropriated) Project is in schematic design phase.

CURE HIV Genetic Medicine Lab Renovation (602) \$799,200

(Funding: University Non-Appropriated)Project is in construction documents phase.

Wilson Hall Annex (603) \$31,450,173 (Funding: University Non-Appropriated)

Project is in feasibility study phase.

<u>Davie Hall Replacement (604) \$300,000</u> (Funding: University Non-Appropriated)

Project is in feasibility study phase.

Energy Services Utility Improvements in Academic Affairs Area (606) \$5,200,000

(Funding: University Non-Appropriated)Project is in schematic design phase.

Ackland Arts Steam Replacement Project (612) \$480,000

(Funding: University Non-Appropriated) Project is in schematic design phase.

MEMORANDUM

TO: James W. Dean, Jr.,

Executive Vice Chancellor and Provost

FROM: Carol Tresolini

Carol Tresolini CU carol_tresolini@unc.edu

Vice Provost for Academic Initiatives and Chair, Centers & Institutes Review

Committee

DATE: October 12, 2015

RE: Approval to Decommission Certain Centers and Institutes

The Centers & Institutes Review Committee has received requests to decommission three centers in the Gillings School of Global Public Health. These requests were initiated by the dean to address units that either were no longer operational or did not meet the definition of "center" or "institute" as described in UNC General Administration regulations (UNC Policy Manual section 400.5[R]) and UNC-Chapel Hill policies. On behalf of the Committee, which has discussed these requests and come to consensus on them, I am now forwarding the Committee's recommendations to you for consideration.

The Committee recommends that the following centers be decommissioned and removed from the official list of UNC-CH centers and institutes, for the reasons described below:

- *Nutrition Obesity Research Center.* This was a grant-supported center that no longer is funded or in operation.
- Occupational Safety and Health Education and Research Center. This center is funded by a single external research grant for which the funding agency uses "center" designation. It does not meet the GA or UNC-CH definition of "center" as an organized administrative unit.
- UNC Center for Innovative Clinical Trials. This is a unit that is more accurately called a laboratory. Its primary purpose and function is to facilitate advances in the design and analysis of clinical trials through collaborative methodological research projects between industry professionals and academic researchers in the Department of Biostatistics. If decommissioned, the SPH will give it a new name, the Innovative Clinical Trials Laboratory.

According to UNC-Chapel Hill policy and UNC General Administration regulations, decisions to discontinue or decommission a center or institute must be approved first by you, and then by the Chancellor and Board of Trustees. If approved, we then will notify the Office of Research and Graduate Education at UNC General Administration.

I would be happy to provide additional information as needed.

Thank you for considering these recommendations and forwarding your determinations to the Chancellor and Board of Trustees for their consideration.

Copy: Members of the Centers and Institutes Review Committee Barbara Rimer, Dean, Gillings School of Global Public Health

1	Campbell	Jeff	University Libraries	University Library	Head, Infrastructure Management Services	\$ 70,287	\$ 90,000	\$ 19,713	28.05		2a - Increase in job duties or responsibilities; includes reclassification of branch/role - This is a salary adjustment related to a permanent increase in job duties or responsibilities. The current duties include serving as the Head of Library Management Systems, managing the Integrated Library System (ILS) and EZProxy software packages, troubleshooting and resolving issues with that software, and chairing the ILS Coordinating Committee. The new additional duties will include serving as the Head of Infrastructure Management Services (IMS), managing four IT staff members, setting priorities and goals for IMS, leading the selection and implementation of complex computer systems for library operations and collections, overseeing the development of annual infrastructure budget requests, providing consultation on infrastructure-related projects and services, and representing the library on a variety of campus IT initiatives. The additional duties were previously part of a different position that will be abolished since the incumbent has retired; this consolidation will result in a net salary savings of \$82,287. A \$2,000 increase was granted effective July 2015 during the Annual Raise Process. There are no comparable positions within the work unit. The employee meets the education and experience requirements for this classification with a Master's degree in Library Science and 17 years and six months of related experience.
2	Kalbas	Brian	Athletics	Athletics-Women's Tennis	Head Women's Tennis Coach	\$ 100,045	\$ 120,000	\$ 19,955	19.95		12 - Other - This proposed increase results from the conversion of an at-will appointment to a term contract with an annual salary of \$120,000; the agreement was approved by the Board of Trustees in June 2015. The employee was granted a \$10,005 increase effective July 2015 during the Annual Raise Process.
3	Levy	Jennifer	Athletics	Athletics-Women's Lacrosse	Head Women's Lacrosse Coach	\$ 97,056	\$ 110,000	\$ 12,944	13.34		12 - Other - This proposed increase results from the conversion of an at-will appointment to a term contract with an annual salary of \$110,000; the agreement was approved by the Board of Trustees in June 2015. The employee was granted a \$9,706 increase effective July 2015 during the Annual Raise Process.

The University of North Carolina at Chapel Hill - EXECUTIVE SUMMARY (EPA Non-Faculty) - Board of Trustees - January 2016

	lı:	Valia	LINC Fahalman	Chamical Dialage and	Conjor Dosovel Asses	¢ F0.340	ć 7 5.000	ć 10.7F1	20.76	1/1/2010	<u> </u>

5	McClain	Erin	UNC Eshelman School of Pharmacy School of Medicine	Center for Maternal & Infant Health	Senior Research Associate Senior Research Associate	\$ 58,249				1/1/2016	2a - Increase in job duties or responsibilities; includes reclassification of branch/role - This proposed increase results from the position being reallocated to a higher-level classification. In the current position (Research Associate), the duties include conducting research in chemical synthesis and structure-activity relationship studies, as well as assisting the Principal Investigator in the preparation and submission of reports and publications related to the research. In the new role (Senior Research Associate), the duties will include designing, executing, and troubleshooting synthetic schemes for complex bioactive molecules; formulating research methods; providing suggestions and recommendations for improving the quality of research schemes; independently interpreting data and using results to drive additional experimental design; and reporting results in external, field-appropriate scientific meetings. The requested salary is commensurate with other similarly situated employees (who have an average salary of \$77,411) and creates no equity issues. The employee meets the education and experience requirements for this classification with a Ph.D. in Organic Chemistry and 16 years of related experience. 2a - Increase in job duties or responsibilities; includes reclassification of branch/role - This proposed increase results from the position being reallocated to a higher-level classification. In the current position (Research Associate), the duties include conducting qualitative and quantitative data collection and analysis regarding maternal and child preconception and inter-conception health, reproductive life planning, and perinatal tobacco use cessation; providing clinical care; and providing training and technical assistance via several modalities. In the new role (Senior Research Associate), the duties will include managing both in-person and web-based training and technical
	Michor	Dotor	Anadomio Inintino	Askland Art Museum	EDA Non Foculty/ Action	Ć 444.0F0	¢ 143 100	¢ 2050	1.45	4/4/2016	assistance for public and private healthcare providers, as well as allied health professionals; developing, implementing, and evaluating public-health programs that focus on the translation of research into practice; and developing and implementing a fellowship program for college-age preconception peer educators. A \$6,039 increase was granted effective July 2015 during the Annual Raise Process. There are no comparable positions within the work unit. The requested salary results in a market index of 79%. The employee meets the education and experience requirements for this classification with a Master's degree in Maternal and Child Health and 10 years of related experience.
6	Nisbet	Peter	Academic Iniatives	Ackland Art Museum	EPA Non-Faculty/ Acting Director	\$ 141,050	\$ 143,100	\$ 2,050	1.45	1/1/2016	2b - Temporary adjustment related to an increase in job duties or responsibilities; salary will revert when temporary duties cease - This request is for the extension of a temporary increase of \$21,600 for additional duties through June 2016. The temporary increase was first approved in July 2014, then extended in April 2015 and again in October 2015. The search for a new permanent director has proceeded more slowly than anticipated due to a declined offer, and the interim period likely will continue until spring 2016. The temporary duties will continue to include providing overall strategic leadership to the Ackland Art Museum and managing its day-to-day operations. A \$2,050 increase was granted effective July 2015 during the Annual Raise Process. Once the position has been permanently filled, the temporary increase will be removed and the salary will revert.

The University of North Carolina at Chapel Hill - EXECUTIVE SUMMARY (EPA Non-Faculty) - Board of Trustees - January 2016

7	Wales	College of Arts & Sciences/Fine Arts and Humanities	PlayMakers Repertory	Associate Director for Diversity and Professional Development	\$ 64,200	\$ 81,500	\$ 17,300	26.95	1/1/2016 2b - Temporary adjustment related to an increase in job duties or responsibilities; salary will revert when temporary duties cease - This request is for the extension of a temporary increase of \$11,333 for additional duties through April 2016. The temporary increase was first approved in April 2015 for nine months. The temporary duties will continue to include serving as the interim Associate Artistic Director, coordinating casting for PlayMakers theater productions locally and in partnership with New York casting agencies, managing partnerships with UNC faculty members for programming related to PlayMakers productions and all other classroom outreach activities, and administering research and development for the expansion of the Teaching Artist Residency Program. A \$3,638 increase was granted effective July 2015 during the Annual Raise Process. Once the position is permanently filled, the temporary increase will be removed and the salary will revert.

Mail Ballot

Board of Trustees

November 20, 2015

Chancellor Carol Folt submits for your review and approval the following salary adjustment recommendations resulting from the EPA employee raise process. According to General Administration regulations, any increase (regardless of amount) for any SAAO Tier I Vice Chancellor or Provost must be approved by the Board of Trustees. Therefore, we submit the attached spreadsheet for your review and vote. This mail ballot will be ratified as part of the Consent Agenda at the Full Board meeting on Thursday, January 28, 2015.

The undersigned votes as follows with recommendation to these proposed actions as presented by the Chancellor.

Approval of SAAO Tier I Vice Chancellor or Provost	Approve	Disapprove
Salary Increases		

Proposed Increase Information	Proposed %
	Increase
Winston Crisp, Vice Chancellor for Student Affairs	5.00%
Bubba Cunningham, Director of Athletics	10.00%
