The Ordinance Regulating Traffic and Parking on the Campus of The University of North Carolina at Chapel Hill

INTRODUCTION

This Ordinance defines the general operations and policies for traffic and parking on the campus of The University of North Carolina at Chapel Hill. The provisions set forth in this Ordinance are designed to ensure the safety and protection of all users of the traffic and parking system.

Effective Date - August 15, 2019

Be it ordained by the Board of Trustees of The University of North Carolina at Chapel Hill, pursuant to Chapter 116, Article 1, Part 6 of General Statutes of North Carolina:

ARTICLE I. GENERAL PROVISIONS

Sec. 1-1. Definitions

The words and phrases defined in this section have the meaning indicated when used in this Ordinance, unless the context clearly requires another meaning:

1. *"Bicycle"* means every device propelled by human power upon which any person may ride, and supported by either two tandem or three wheels, one of which is sixteen inches or more in diameter. "Abandoned bicycles" are those which have not been moved from the same location for a period of two weeks or longer.

2. *"Booting"* means to immobilize a Vehicle through the use of a device designed to be attached to the rear tire or wheel to render the Vehicle inoperable.

3. *"Campus"* means all property that (i) is owned or leased in whole or in part by The State of North Carolina and (ii) is subject to the general oversight of the Board of Trustees of the University excepting and excluding:

- (a) property leased to another not located within one of the areas set out in Sec. 3-3;
- (b) the University Lake watershed; and
- (c) property held for use as an official residence for administrative officers of the University.

4. *"Chancellor"* means the Chancellor of the University.

5. *"Electric Two-Wheeled Vehicle"* means any Motorized Two-Wheeled Vehicle that is propelled by means of a battery powered motor, including, without limitation, Segways, electric standup scooters and electric assisted bicycles.

6. *"Electric Vehicle"* means any Vehicle that is propelled, partially or exclusively, by means of a battery powered motor.

7. *"Internal Combustion Two-Wheeled Vehicle"* means any Motorized Two-Wheeled Vehicle that is propelled by means of an internal combustion motor, including, without limitation, motorcycles, mopeds, motorbikes, and scooters.

8. *"Main Campus"* means the portion of the Campus where the Old Well is located and all other portions of Campus contiguous thereto by University ownership or lease that are north of Fordham Blvd. For purposes of illustration, this definition is intended to include the

portions of Campus commonly referred to as “North Campus” and “South Campus,” and exclude (without limitation) the portions of Campus commonly referred to as “Carolina North,” the “Mason Farm Property,” and “University Lake.”

9. “*Motorcycle*” means any Motorized Two-Wheeled Vehicle that has an engine size exceeding 150 cubic centimeters.

10. “*Motorized Two-Wheeled Vehicle*” means any two-wheeled (or three-wheeled) Vehicle that is self-propelled by means of an internal combustion motor or a battery powered motor, and is capable of carrying passenger(s), including, without limitation, Internal Combustion Two-Wheeled Vehicles and Electric Two-Wheeled Vehicles.

11. “*Park*” means to leave a Vehicle unattended by any person authorized to, or capable of, moving it immediately upon the direction of a law enforcement or parking control officer. Notes in Vehicles, activated hazard lights, or a running engine do not render a Vehicle “attended.”

12. “*Parking Coordinator*” means a department-assigned staff member who acts as a liaison with the University Department of Transportation and Parking.

13. “*Parking Permit*” means any identification assigned by the Department of Transportation and Parking to be displayed on a Vehicle for parking legally on the Campus.

14. “*State-owned Vehicles*” are all Vehicles, including service Vehicles, owned by the State of North Carolina.

15. “*T&P*” means the University’s Department of Transportation and Parking.

16. “*University*” means The University of North Carolina at Chapel Hill.

17. “*Vehicle*” means any device by which a person may be transported upon a roadway, except (a) bicycles and other devices moved by human power, and (b) devices used as a means of transportation by a person with a mobility impairment and limited by design to travelling no more than 15 miles per hour.

18. “*Visitor*” means any individual other than a student or employee of either the University or UNC Hospitals and any of their contract or temporary employees.

19. “*Weeknight*” means 5:00 p.m. to 7:30 a.m., Monday through Thursday.

Sec. 1-2. North Carolina Motor Vehicle Laws; Regulating; Delegating of Authority

1. The laws and regulations of Chapter 20 of the General Statutes of the State of North Carolina relating to the use of highways of the State and the operation of motor vehicles thereon apply to all streets, alleys, driveways, parking lots, and parking structures on University property.

2. The Chancellor is authorized to adopt and promulgate such rules and regulations and to establish such administrative procedures as he/she may deem necessary or advisable for the administration, interpretation, and enforcement of this Ordinance.

3. The Chancellor may delegate administrative responsibilities imposed on him/her by this Ordinance to the Director of Public Safety, the Director of Transportation and Parking, and other officers of the University that the Chancellor may choose.

4. The Department of Transportation and Parking operates twenty-four hours a day, seven days a week. In-office customer service is available from 7:30 a.m. until 5:00 p.m., Monday through Friday, except on University-recognized holidays and as otherwise posted. Regulations may be enforced at any time deemed necessary by special event activities or other circumstances.

Once posted, these restrictions are in effect at all times unless otherwise stated.

Sec. 1-4. Publications of Ordinance and Regulations

The Chancellor, through his/her designated administrative officers, shall cause copies of this Ordinance and regulations issued pursuant hereto to be printed and made available to students, faculty, and employees of the University in the lobby of the Department of Public Safety building. Vehicles, public and private, and they shall be enforced twenty-four hours a day except as otherwise specified by this Ordinance. It shall be unlawful for any operator to violate any of the provisions of this Ordinance except as otherwise permitted by The Ordinance or General Statutes of North Carolina.

The operator of any Vehicle shall obey the lawful instruction of any law enforcement officer, parking control officer, official traffic signs or control devices appropriately placed and in accordance with provisions of these regulations.

3. The son, daughter, spouse, or ward of the registered owner enrolled in or employed with the University or UNC Hospitals.

The prima facie rule of evidence established by this Section 1-8 shall not apply to the registered owner of a leased or rented Vehicle when said owner can furnish evidence that the Vehicle was, at the time of the parking violation, leased or rented, to another person. In such instances, the owner of the Vehicle shall, within reasonable time after notification of the parking violation, furnish the Department of Transportation and Parking with the name and address of the person or company who leased or rented the Vehicle.

Sec. 1-9. Trust Accounts

All monies received pursuant to this Ordinance, except for the clear proceeds of civil penalties that are required to be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2, shall be placed in trust accounts and may be used for the following purposes:

ARTICLE II. PAYMENTS AND COLLECTIONS

Sec. 2-1. Payment Methods

Payments owed to the Department of Transportation and Parking may be made in the following ways (the Department of Transportation and Parking reserves the right to change payment methods for operational efficiency):

1. Cash (not recommended to be sent through the mail) except unrolled coins (receipts will not be given until coins are properly rolled);

3. University and UNC Hospitals Payroll Deduction;
4. University Journal Entry (to be used by University departments for transferring funds);

6. Department Validation Coupons
7. MasterCard/VISA;
8. UNC - One Card;
9. Online and pay-by-phone payments; and
10. Automated pay stations.

Sec. 2-2. Pay Lots After-Hours

1. Vehicles Exiting Unattended Pay Lots After-Hours. Vehicles exiting pay parking lots after pay attendant operations have closed and when the gates are lowered must pay for all parking fees incurred by utilizing the automated pay stations to process their payment for parking fees.

2. Failure to Pay Upon Exiting a Pay Lot. The owner of any Vehicle exiting a visitor or patient parking facility without paying or otherwise having parking validated will be sent a billing notice for a full day's parking.

Sec. 2-3. Replacement Fee

A lost or stolen parking permit must be reported immediately to the Department of Transportation and Parking and an affidavit must be filed. A lost permit will be replaced at a charge of \$25.00 or the face value of the permit, or whichever is less. The replacement fee shall be refunded if the missing permit is found and returned to the Department of Transportation and Parking.

A permit reported stolen will be replaced free of charge on a one time only basis. In order for a stolen permit to be replaced free of charge, a police report must be filed for such permit. Permits reported lost or stolen may not be replaced without the approval of the Director of the Department of Transportation and Parking or his/her designee.

Sec. 2-4 Returned Checks

Any payment made by a check that is returned by the bank and not cleared upon notification shall necessitate that a hold be placed with the University Registrar or that the amount be deducted from an employee's paycheck. Returned checks of non-affiliated individuals or companies will be forwarded to a collection agency if not cleared upon notification. A \$25.00 service charge shall be imposed for all returned checks.

Sec. 2-5 Collection Methods

No parking permit may be issued to any individual who has outstanding debts to the Department of Transportation and Parking. The Department of Transportation and Parking may reduce or retain any refund from the cancellation of a permit to clear all outstanding balances associated with the account. Failure to pay debts within the required time frame can result in the University arranging for the collection of fees assessed against faculty, staff, students, and visitors in the following manner:

1. Debts owed by employees of the University and UNC Hospitals may be deducted from payroll checks.
2. Debts owed by students necessitates that a “hold” status be placed with the University Registrar.
3. The Attorney General for the State of North Carolina may recommend the use of a collection agency to collect debts from individuals whose debts may not be collected by payroll deduction or by other means.
4. Failure to pay civil penalties or other just debts owed to the Department of Transportation and Parking within ten calendar days of the date of the citation(s) or incurrence of the debt will result in a \$10.00 late payment fee being assessed on each unpaid citation or other transaction.
5. Debts owed by individuals not eligible for payroll deduction may be subject to garnishment of North Carolina State income tax refund.

Sec. 2-6 Civil Suits for Recovery of Penalties

When the Chancellor in his sole judgment determines that civil penalties validly imposed for violation of this Ordinance cannot or will not be collected through normal administrative procedures, he may request the Attorney General of North Carolina to bring a civil action against the offender in the name of the State for the recovery of the penalty.

ARTICLE III. PARKING

Sec. 3-1. Method of Parking

The Chancellor, or his/her delegates, shall cause each area in which parking is permitted by this Ordinance to be surveyed and developed for parking. Each parking space shall be defined by appropriate signs and painted lines (when the parking area is paved). Parking spaces in unpaved lots will be marked by wheelstops. When parking spaces have been marked off in the area in which parking is lawful, Vehicles shall be parked within the spaces so designated at all times.

1. Some spaces shall be marked for compact Vehicles. These spaces shall be fifteen feet in length and five feet in width, with two and one-half feet of hatching between spaces. It is unlawful for any Vehicle to occupy more than the five-foot portion of the space. Signs shall be posted or on-ground markings shall designate compact spaces.

2. It is a violation of this Ordinance to occupy portions of more than one space when such spaces are defined by painted lines. It is also a violation of this Ordinance to park in any portion of the area not clearly designated for parking.

3. When spaces are painted at an angle (diagonally) to a street curb or dividing median, Vehicles must park with the front of the Vehicle next to the curb or median. When parking spaces are parallel to a curb or dividing median, Vehicles must park with the front of the Vehicle facing the direction of travel authorized for that side of the street or driveway.

Sec. 3-2. Disabled Vehicles

It is unlawful to leave a disabled Vehicle parked in violation of this Ordinance without immediately notifying the Department of Transportation and Parking. If the Vehicle is obstructing traffic, in a reserved space, or creating a hazard, it must be moved immediately.

No Vehicle will be placed on the disabled Vehicle list more than one time per month unless the operator will accept assistance from the Department of Transportation and Parking or a tow firm. Persons who exceed the limitations for placing their Vehicle on the disabled list and do not accept assistance shall be subject to the appropriate penalty if the Vehicle remains parked in violation of this Ordinance. If the Department of Transportation and Parking has permits available for the lot in which the Vehicle is parked, the operator may be required to purchase a permit rather than be placed on the disabled list.

Sec. 3-3. Parking Zones

Any person parking a Vehicle in the parking lots and areas described in this Section 3-3 must possess the appropriate permit for that lot or parking area during those days and hours specified at the entrance to such lots or areas. Any Vehicle parked without possessing a valid permit is subject to the issuance of a civil penalty, Vehicle immobilization/booting, and/or towing.

If the assigned zone is full, a temporary permit for an alternate zone may be obtained from the Department of Transportation and Parking in the Public Safety building located off Manning Drive (285 Manning Drive, Chapel Hill, NC 27599). UNC Hospitals' employees may obtain temporary permits from the Hospital Parking Office.

It is unlawful for any person to park a Vehicle within any zone other than the one authorized by the appropriate permit. Any person possessing a valid special permit obtained through the Department of Transportation and Parking may park as indicated by use of those permits and their related restrictions. All Main Campus permits shall also be valid in any R Zone lots, excluding R2 lots.

The salary scale determined on April 1st will be used for the entire permit year and will not change if salary changes occur during the permit year. If an employee's employment begins after April 1st, the employee's starting day base salary will be used to determine the parking permit fee.

The student parking permit fees shall be charged as follows:

If the tow truck has initiated towing actions and the Vehicle's owner has arrived, the Vehicle will not be released until the appropriate fees have been paid to the Department of Transportation and Parking.

demand. If the owner does not appear to claim the proceeds within thirty days after disposal of the Vehicle, the funds shall be deposited in the University Department of Public Safety Trust Fund, and the owner's rights therein shall be forfeited forever.

Failure to meet the ten day appeal period requirement shall result in a forfeiture of all appeal privileges. The Hearing Officer shall review all written appeals and establish limited hours to review those in-person appeals that meet the ten-day requirement.

Written appeals must be submitted on a standard appeal form, available from the Department of Transportation and Parking.

If the Hearing Officer decides the appeal against the appellant, he or she may appeal to the Chancellor, in writing, within ten calendar days of the date of the Hearing Officer's decision.

The Chancellor may delegate to a committee or other body as he/she may establish authority to hear appeals on his/her behalf. Disposition of an appeal by a vote of the full committee to affirm without a panel hearing or by a vote of the majority of a panel in the case of an appeal having been referred to a panel for hearing shall be deemed to exhaust the available appellate procedures. Final disposition by the committee shall be understood to mean a ruling in which the committee or its panel affirms, modifies, or reverses a decision of the Hearing Officer. Any person cited to the District Court Division of the General Court of Justice for violation of this Ordinance constituting a misdemeanor must pursue his plea and appeal, if any, as provided by law for criminal actions generally.

Submitting an appeal to the Chancellor's designated Hearing Officer does not substitute for payment of the towing and storage fees for removal of the impounded Vehicle. Such fees must be paid in accordance with Section 7-1. If the hearing officer decides the appeal in favor of the appellant, the Department of Transportation and Parking will refund the costs of towing and storage.

In the event that the owner or operator elects to leave the Vehicle impounded while filing an appeal, the storage fees will be waived from the day the appeal is submitted to the Hearing Officer until the day the decision is rendered.

Budget Development Process for FY 2019-20

April 3, 2019

Background: Strategic Focus and UNC Strategic Priorities for FY19-20

- Blueprint for Next lays out bold aspirations, which will require significant investments.

Key Budget Priorities:

- Increase faculty salaries to approach salaries at peer institutions;
- Provide consistent and ongoing resources for faculty start-up funding;
- Raise cash flow and liquidity margins closer to Aaa rated peer institutions;
- Begin resolving long-term structural instability of central strategic funds;
- Address long-standing, significant deferred maintenance needs

Background: External Environmental Scan

- UNC's governance bodies are asking for – and expecting – greater financial and operational transparency and accountability.
- Carolina will continue to face pressure on its primary revenue sources (e.g., tuition, appropriations, patient revenues), thereby increasing emphasis on managing expenses.
 - Moody's and S&P, the two primary bond rating agencies, recently downgraded the outlook for higher education to “negative”;
 - Numerous recent Board and legislative actions are directed at affordability;
 - Board of Governors continues to consider significant funding model reforms (e.g., enrollment, repair and renovations);
 - Uncertainty about stage of business cycle; and
 - Preliminary State revenue forecast for FY19-20 indicates availability of recurring revenues will be limited.

Background: State Budget Update

- Consensus revenue forecast indicates modest revenue surplus in current fiscal year, and modest growth through 2020 (3.0% to 4.0%)
- Major budget pressures over next biennium (FY 2019-21)
 - State Capital & Infrastructure Fund (SCIF)
 - Education enrollment
 - State Health Plan and retirement
 - Medicaid/Health Choice
 - State employee salaries
- Governor released budget proposal on March 7th; legislature currently working on budget

FY19-20 Financial Context – UNC and Peer Benchmarks

Operating Cash Flow Margin

“Operating Cash Flow Margin” measures net income (before non-cash expenses) relative to operating revenue to indicate the amount of cash a university generates to support its strategic and capital investments and debt service. Higher measure is better.

Spendable Cash/Investment to Operating Expenses

“Spendable Cash and Investments to Operating Expenses” is a liquidity measure that represents the coverage of a university’s annual operating expenses by unrestricted and temporarily restricted cash and investments. Provides a measure of potential cushion for an institution’s operations. Higher measure is better.

Background:

Monthly Days Cash On Hand

“Monthly Days Cash On Hand” represents the number of days of operating expenses an institution has on hand in the form of cash and investments that are both unrestricted and accessible within a month. Provides a measure of unrestricted liquidity available to support operations on a contingency basis. Higher measure is better.

Background: Internal Environmental Scan

- University's current decentralized and fragmented operating environment makes decision-making based on "University" perspective difficult.
- Lack of central strategic investment funds.
- University has lacked a formalized "all funds" budget and process.
- In 2016, University began due diligence to move toward an incentive-based budget model with Responsibility Center Management (RCM) principles.
- To ensure budget model preserves the collaborative nature of our culture, new EVC/Provost and VC for F&O decided to pause implementation and begin work on an interim step of an "all funds" budget model and process.

Proposed Approach for FY19-20 Budget Process: 3 Forums for Engagement and Budget Development

- Engage 3 University-wide groups to formulate FY19-20 Budget:
 - Provost's Leadership Cabinet (Deans and Vice Chancellors)
 - Campus Unit Finance Leads
 - Create a Budget Working Group (BWG)
- These groups serve as forums for Campus Units to engage and advise on budget development process
 - PLC provides conceptual guidance;
 - Campus Unit Finance Leads direct budget formulation across campus; and
 - BWG ensures data consistency and accuracy, campus adherence to budget guidance, and provides general support for the budget process
