(ATTACHMENT C)

Internal Audit Work Plan FY 2022

Dean Weber, Chief Audit Officer, presented for review and approval the Office of Internal Audit's Risk Assessment and Fiscal Year 2022 Internal Audit Work Plan for UNC at Chapel Hill. Additionally, he requested approval for a budget and staffing level to execute the plan.

(ATTACHMENT D)

Annual Audit Certification Letter FY 2021

Dean Weber, Chief Audit Officer, presented the certification letter for approval and signature. This letter satisfies a UNC Board of Governors requirement for the Finance, Infrastructure, and Audit Committee to certify in writing that UNC's internal audit function complies with a defined set of standards regarding communications and meetings, reporting, compliance and organizational structure of the internal audit function.

(ATTACHMENT E)

Spending Authority

Nate Knuffman, Vice Chancellor for Finance and Operations presented the following spending authority actions:

- **Kenan Football Center Renovations Advance Planning**

This scope of this project is to renovate the Frank H. Kenan Football Center, which houses the operational needs of the Carolina Football Program including locker rooms, weight room, training room, equipment room, players' lounge, study areas, coaches' offices, and player meeting rooms.

The project budget for advance planning is \$500,000 and will be funded from gifts raised by the Educational Foundation.

(ATTACHMENT F)

- **Cone-Kenfield Tennis Center Renovations Advance Planning**

This scope of this project is to reconstruct twelve (12) existing outdoor courts in poor condition along with associated lighting, add spectator seating and a new building that will house locker rooms, staff offices, player's lounge, and hospitality spaces.

The project budget for advance planning is \$500,000 and will be funded from gifts raised by the Educational Foundation. The project budget is \$590,000 and will be funded from gifts.

(ATTACHMENT G)

- Finley Golf Course Varsity Training Facility and Team Building Advance Planning
This first part of the project scope is to rework the existing 18-hole course, creating two new holes on the western edge of the course so as to create space for a new team range/short course within the existing footprint (at the existing holes 10 and 11). The second part is to construct the team range/short course with a new team building at its western end.

The project budget for advance planning is \$500,000 and will be funded from gifts raised by the Educational Foundation. The project budget is \$590,000 and will be funded from gifts.

(ATTACHMENT H)

Approval of Associated Entity Status

(ATTACHMENT I)

Trustee Preyer made a motion to approve the finance items above. Trustee Boliek seconded, and the motion passed unanimously.

Chair Stevens turned the meeting over to Vice Chair Davis for the next action.

Designer Selection

- Marsico Hall 9.4T MRI
This project will renovate the UNC Biomedical Research Imaging Center (BRIC) Small Animal Imaging Facility to house a new 9.4T MRI and the associated control and equipment rooms. As part of this renovation, the project will renovate an underutilized server room to house existing small animal imaging procedural spaces displaced by the new 9.4T MRI. The renovation includes the associated construction, design and soft costs for enabling projects as required. A recently awarded NIH grant will fund the MRI equipment separately from this funding request.

The budget for advance planning is \$300,000 and will be funded from School of Medicine clinical receipts. The project was advertised on April 7, 2021. Six (6) proposals were received. Three (3) firms were interviewed on May 10, 2021. No members of the Board of Trustees participated in the interviews. The committee recommended the selection of the three firms in the following priority order:

1. RND Architects Durham, NC
2. 310 Architecture Raleigh, NC
3. IHR Architecture Durham, NC

The firms were selected for their past performance on similar projects, strength of their HUB partnerships and experience with campus projects and the State Construction Office.

(ATTACHMENT J)

- Energy Management Control Systems

This project will replace obsolete Building Automation Systems (BAS) also known as Energy Management Controls Systems (EMCS) on the campus that were installed starting in the 1980s. Obsolete building BAS controllers and their Tridium R2 building gateways will be replaced under this project. Under this scope of work approximately 39 buildings with about 160 Air Handling Units will be involved.

The project budget is \$3,250,000 and will be funded from University trust funds. The project was advertised on April 1, 2021. Four (4) proposals were received. Three (3) firms were interviewed on May 11, 2021. No members of the Board of Trustees participated in the interviews. The committee recommended the selection of the three firms in the following priority order:

- | | | |
|----|---------------------------------|----------------|
| 1. | Facilities Dynamics Engineering | Greensboro, NC |
| 2. | Dewberry Engineers | Raleigh, NC |
| 3. | Newcomb & Boyd | Durham, NC |

The firms were selected for their past performance on similar projects, strength of their HUB partnerships and experience with campus projects and the State Construction Office.

(ATTACHMENT K)

Vice Chair Davis called for a motion to approve the designer selection items in priority order. Trustee Preyer made a motion to approve. Trustee Boliek seconded, and the motion passed unanimously. Chair Stevens recused himself from the discussion and vote.
