FOR SPENDING AUTHORITY – TAYLOR HALL BSL-3 AUTOCLAVE REPLACEMENT

The scope of this project is to replace an aged front load autoclave in the Taylor Hall high containment lab with a pass-through type autoclave. This replacement will require modifications to the interior walls of the lab and associated plumbing, mechanical, and electrical systems. This project was initially approved for delegated spending authority of $497,047 in March 2021. Since then, the cost of the project has increased for two reasons: (i) minor unforeseen conditions during initial scoping of the project, and (ii) changes in market conditions as reflected in the bids received in December 2021.

The project budget is $665,000 and will be funded by F&A funds.

RECOMMENDED ACTION:

A motion to approve for spending authority.
FOR ADVANCE PLANNING SPENDING AUTHORITY – PORTHOLE ALLEY REDEVELOPMENT

The scope of this project is to redevelop the parcels around Porthole Alley, including the buildings 128, 134, and 144 East Franklin Street and the Porthole Building. Based on a preliminary site capacity study, the 144 East Franklin building, also known as the Hill Commercial Building, would be renovated, while the other buildings would be demolished and redeveloped with roughly 125,000 gross square feet of new construction. The resulting project would maintain and expand retail opportunities facing Franklin Street, create a new home for Undergraduate Admissions and the Visitor Center, student meetings and maker space, and office space for University or third-party tenancies.

The project budget for advance planning is $2,000,000, and will be funded by University debt.

RECOMMENDED ACTION:

A motion to approve for advance planning spending authority.

PORTHOLE ALLEY REDEVELOPMENT

New Porthole Building (~125,000 SF new construction)
• Program users:
  • Admissions Office: 25,000 – 30,000 SF
  • Visitors Center: 5,000 SF
  • Academic and Research: 45,000 – 80,000 SF
  • Student Social Space/Innovation Hub/BEAM: 10,000 SF
  • Commercial Retail/Franklin Street frontage: 8,000 SF

Renovation of Historic Hill Commercial Building (~10,000 SF renovation)
• Maintain existing ground floor retail tenants
• Create leased space on second floor
• Building owned by UNC Endowment; renovations funded through Endowment or by sale of older/non-core Endowment real estate
PORTHOLE ALLEY REDEVELOPMENT

PRESERVATION AND MASSING STRATEGY

Retain the Hill Commercial building as a stand-alone structure

- Greatest architectural and historical value of the existing buildings
- Remove later additions to the rear that do not contribute to the character of the building
- Lifelong home of the Carolina Coffee Shop
- Helps anchor and integrate new building with historic streetscape

For new construction, lowest height is along Franklin Street, stepping up to the south

R&R PROGRAM UPDATE

Implementation Considerations

• Cost escalation
  • Escalate project costs to reflect current market conditions

• Sequencing of targeted projects – evaluate impact to GPC pool with Registrar. Swing Space requirements
  • Bingham Hall
  • Phillips or Hamilton

• Construction schedules and supply chain impact

• Staffing – Currently recruiting to fill vacancies in Planning, Engineering & Construction Management

• Explore options for Project Delivery

• Funding for Emerging R&R needs

Recap: Current State of Budget Planning

- UNC-CH established budget management plans in early 2021 for both FY21 and FY22
- UNC-CH balanced budget by end of FY21
- We’re ahead of schedule, but still have work to do!
- Current focus:
  - Continuing to manage personnel and operating expenses in FY22
  - Developing the FY23 UNC-CH budget
FY23 Budget Development Schedule: Update

- **October 4, 2021**: Instructions for Developing FY22-23 Budget Submission sent to Campus Units
- **November 29, 2021**: Major Campus Unit (MCU) FY22-23 Budget Submission Due
- **December 15, 2021**: Compilation of MCU Budget Requests
- **January 5 to 28, 2022**: Review and Discussion of Requests with Chancellor
- **February 4, 2022**: Final Budget Decisions
- **February 25, 2022**: Final Budget Documents Completed
- **March 4, 2022**: Final Budget Proposal Delivered to BOT
- **March 24, 2022**: Budget Approved by BOT / Submitted to BOG (BOT Meeting)
- **May 25, 2022**: BOG Reviews Budget (BOG Meeting)

- **Budget development on schedule**
  - All materials submitted
- **Discussion to date:**
  - Financial overview
  - Budget priorities
  - Modelling ARP options
  - Reviews of unit submissions
Current State of Budget Planning for FY23

• Modest revenue available in FY23 due to 3 factors:
  1. Effective budget management measures
  2. Enrollment increase (tuition funds)
  3. Growth in research (F&A funds)

• Units have requested nearly $173 M in new spending
  • Salary/retention/new hires comprise nearly three-quarters of the requests
  • Requests are heavily concentrated – 9 units account for $136 M of total

• 3 themes guiding budget deliberations:
  • Invest in NC’s Future
  • Support Carolina’s Excellence
  • Fiscal Responsibility
Budget Themes FY22-23: Fiscal Responsibility

- Commitment to sustainable budget
- Affordability – reducing mandatory fees
- Stewardship of state assets – uses UNC-CH funds to address repair and renovation needs
- New tuition and appropriation allocation model work
- Identify and redeploy savings through administrative efficiencies
  - Continuous reviews of spending
  - Benchmarks for administrative performance
  - Reduce senior administrative positions
  - Discussing reorganizing and restructuring options
Budget Themes FY22-23: Invest in NC’s Future

- **Meeting the workforce needs of NC**
  - Support current enrollment expansion in the College and new curriculum - IDEAS in Action
  - Enrollment/program expansions in data science, medical education, nursing, business, new MPP program, and online (Kitty Hawk)

- **Economic Development**
  - Local - Porthole Alley project, innovation hub
  - Regional - workforce development, ICS
  - State - expand enrollment

- **Innovation**
  - Leverage all campus investments and university resources

- **Research and clinical**
  - Educating NC’s health care workforce; academic partner to State’s health system
  - Clinical and life science research
  - READDI
  - Collaboratory
Budget Themes FY22-23: Support Carolina’s Excellence

- Attract and retain top employees
- DEI; commitment to VITAE program
- F&A start-up reserve
- Graduate student funding
- Future of Work recommendations
Questions
FY21 Audit Summary

For the fiscal year ended June 30, 2021 (FY2021), the University received an unqualified opinion from the North Carolina Office of the State Auditor.

Notable audit highlights include:

- No audit findings, management comments or material misstatements recorded
- No adjustments suggested by auditors
- Audit conducted entirely remotely without issue on both sides
- New audit manager and staff rotation
- Implementation of GASB 84 – Fiduciary Activities Presentation
FY21 Revenue & Expense Highlights

UNC’s overall financial results for the fiscal year ended June 30, 2021 were positive with a $1.4 billion increase in net position driven by the strong investment return.

- **Operating revenues increased $92.9 million**, or 4.2 percent, to $2.3 billion in FY2021 from $2.2 billion in FY2020. The revenue increase was primarily driven by an increase of $71.8 million in grants and contracts and a $54.1 million increase in patient services offset by a decrease of $37.7 million in sales and services.

- **Operating expenses decreased by $52.7 million**, or -1.7 percent, driven by a $55.1 million decrease in supplies and services and $20.5 million in depreciation and amortization offset by an increase of $15.4 million in scholarship and fellowships and $10.0 million in salaries and benefits.

- UNC Investment Fund’s FY2021 return of **42.3%** was well above the FY2020 return of 2.3% which drove an increase in the investment income to **$1.0 billion**. This is a FAIR MARKET VALUE Adjustment – NOT INCREASE IN CASH

- Noncapital grants/gifts/contributions, net **increased $106.3 million** driven by increased giving to the University and its Foundations along with a one time transfer of $33.0 million from the State Health Plan.

- Covid-19 support **increased $71.0 million**, which consisted of state aid of $48.0 million and federal aid of $28.8 million.

- **Capital contributions increased $58.3 million** driven by the indoor football practice complex and soccer lacrosse field received from the Educational Foundation.
Monitoring Fiscal Health in Two Ways

Core Annual Budget

- The annual budget is generally a cash-based plan of activities of the proposed income sources and expenditures for the upcoming year, following both State and internal financial policies.
- An all-funds budget, with a focus on selected operating funds (state, central receipts, F&A, auxiliaries).
- No adjustments for accrued liabilities, deferred revenue etc.
- Inter-departmental billings included between units to reflect full transactional activity.
- Uses recent trends as a predictor of future performance.
- Budget targets set and monitored at campus unit level (e.g., all of F&O).

Annual Comprehensive Financial Report (ACFR)

- The Annual Report is a comprehensive review of financial activity in the previous year and includes several additional items such as agency funds, associated entities and long-term future liabilities. The Annual Report follows generally accepted accounting principles set by Governmental Accounting Standards Board (GASB) used by all state and local governments.
- All fund types, including capital activities and donated funds.
- Full accrual accounting (includes depreciation expense, estimated post employment and other long-term liabilities, etc.).
- Asset, liabilities, revenue, expenses, and net position focused.
- Used to benchmark to financial peers and industry.

Understanding both views provides a full picture of UNC Chapel Hill’s finances.
Questions
FOR INFORMATION – 2021-23 CAPITAL PROGRAM UPDATE

The UNC System received funding for Repairs and Renovations (R&R) in the State’s current fiscal year budget passed in November 2021. The System Office has provided further guidance to UNC-Chapel Hill as to the amount and timing of the available funds as well as additional guidelines as to how the funds can be used.

This information is presented to the Board of Trustees for review and comment.
FOR INFORMATION – CONE-KENFIELD TENNIS CENTER AND FINLEY GOLF COURSE DESIGN

The project at Cone-Kenfield Tennis Center is the first phase of an anticipated three phase plan. The primary driver for the project is the replacement of the twelve (12) outdoor courts which are in poor condition and require extensive annual maintenance. Phase 1 will rebuild the courts on top of upgraded soils and post-tensioned concrete slabs, while also regrading the site to reconfigure the court layout to optimize for coaching effectiveness and an improved spectator experience. Spectator seating and court lighting will be upgraded. A small outbuilding containing a concession stand and dedicated spectator restrooms will be provided as part of this initial phase. Future phases, which are not funded at this time, will create a new team building adjacent to the current indoor facility and renovate the existing building. The budget for Phase 1 is $17,000,000 and will be funded from gifts raised by the Educational Foundation. Groundbreaking is anticipated in February 2022.

The project at Finley Golf Course is also the first phase of a multiphase plan. Phase 1 focuses on renovations to the playing course, swapping the front and back nines, modifying the existing back nine to create two (2) new holes while making slight modifications to other holes. These changes will allow the creation of a new varsity “short course” training area at the footprint of current holes 10 and 11. The scope for Phase 2, which is not funded at this time, includes a replacement team building, the reconfiguration of Finley Golf Course Drive to improve the circulation pattern around the entrance to the clubhouse, and new varsity team building. The budget for Phase 1 is $12,900,000 and will be funded from gifts raised by the Educational Foundation. Groundbreaking is anticipated in April 2022.

This information is presented to the Board of Trustees for review and comment.
Real Estate Operations
Board of Trustees, January 2022

- Bi-annual Lease Portfolio Review
Mid FY 2022 Lease Review

- **Vacated**
  - 18k sf at 400 Roberson, Carrboro, saving approximately $400k/year.
  - Subleased 12k sf for a savings of $170k/year
- **Added**
  - 2.4k sf in Kinston to support Dental school program
  - 1.4k sf in Raleigh to support Horizons clinical outreach
- **Re-trades:**
  - 4 leases re-traded for annual savings of $62k against baseline increases
- **Opportunities:**
  - 200k sf of office, lab and academic space expires in 2022 and 2023 representing $4.6m in annual expense.
  - Much of this will be needed to support the mission, but all of it will be reviewed to identify possible savings.
