OPEN SESSION

The following items were presented for action:

FOR SPENDING AUTHORITY – TAYLOR HALL BSL-3 AUTOCLAVE REPLACEMENT
Anna Wu, Associate Vice Chancellor for Facilities presented on spending authority for Taylor Hall BSL-3 Autoclave Replacement.

The scope of this project is to replace an aged front load autoclave in the Taylor Hall high containment lab with a pass-through type autoclave. This replacement will require modifications to the interior walls of the lab and associated plumbing, mechanical, and electrical systems. This project was initially approved for delegated spending authority of $497,047 in March 2021. Since then, the cost of the project has increased for two reasons: (i) minor unforeseen conditions during initial scoping of the project, and (ii) changes in market conditions as reflected in the bids received in December 2021.

The project budget is $665,000 and will be funded by F&A funds.

(ATTACHMENT A)

Committee Vice Chair Kotis made a motion to approve the report. Trustee Boliek seconded and it passed.

A copy of this presentation is located in the Office of the Assistant Secretary and at bot.unc.edu.

Evan Yassky, Executive Director and University Architect presented the following items for action:

FOR ADVANCE PLANNING SPENDING AUTHORITY – PORTHOLE ALLEY REDEVELOPMENT
The scope of this project is to redevelop the parcels around Porthole Alley, including the buildings 128, 134, and 144 East Franklin Street and the Porthole Building. Based on a preliminary site capacity study, the 144 East Franklin building, also known as the Hill Commercial Building, would be renovated, while the other buildings would be demolished and redeveloped with roughly 125,000 gross square feet of new construction. The resulting project would maintain and expand retail opportunities facing Franklin Street, create a new home for Undergraduate Admissions and
the Visitor Center, student meetings and maker space, and office space for University or third-party tenancies.

The project budget for advance planning is $2,000,000, and will be funded by University debt.

(ATTACHMENT B)

A motion was made by Trustee White to approve the advance planning spending authority. Trustee Boliek seconded, and it passed.

A copy of this presentation is located in the Office of the Assistant Secretary and at bot.unc.edu.

The following items were presented for information only:

**BUDGET UPDATE**
Nathan Knuffman, Vice Chancellor for Finance and Operations presented the Fiscal Year 2023 budget update.
- UNC-CH budget balanced by end of FY 2021.
- UNC-CH established budget management plans in early 2021 for both FY21 and FY22.
- Focus on continuing to manage personnel and operating expenses in FY22 and developing the FY23 budget.
- Modest revenue available in FY23 due to 3 factors:
  - Effective budget management measures
  - Enrollment increase (tuition funds)
  - Growth in research (F&A funds)
- Units have requested nearly $173M in new spending.

Knuffman noted that three themes guiding budget deliberations is investing in North Carolina’s future, Support Carolina’s Excellence, and Fiscal Responsibility.

The committee entertained questions and thanked Knuffman for his update.

A copy of this presentation is in the Office of the Assistant Secretary and at bot.unc.edu.

**REVIEW OF COMPREHENSIVE ANNUAL FINANCIAL REPORT**
Nathan Knuffman, Vice Chancellor for Finance and Operations presented the Annual Financial Report. UNC-CH’s overall financial results for the FY ended on June 30, 2021 were positive with a $1.4 billion increase in net position driven by the strong investment return.
- Operating revenues increased by $92.9 million.
- Operating expenses decreased by $52.7 million.
- UNC Investment Fund’s FY21 return of 42.3% was above FY20 return of 2.3%.
- COVID-19 support increased $71.0 million.
- Capital contributions increased $58.3 million.
- Fiscal Health will be monitored in two ways—Core Annual Budget and Annual Comprehensive Financial Report.

A copy of this presentation is located in the Office of the Assistant Secretary and at bot.unc.edu.

**2021-23 CAPITAL PROGRAM UPDATE**
Nathan Knuffman, Vice Chancellor for Finance and Operations and Anna Wu, Associate Vice Chancellor for Facilities presented the Capital Program Update.

The UNC System received funding for Repairs and Renovations (R&R) in the State’s current fiscal year budget passed in November 2021. The System Office has provided further guidance to UNC-Chapel Hill as to the amount and timing of the available funds as well as additional guidelines as to how the funds can be used.

PRELIMINARY DESIGN REVIEW

1. Cone Kenfield Tennis Center
   The project at Cone-Kenfield Tennis Center is the first phase of an anticipated three phase plan. The primary driver for the project is the replacement of the twelve (12) outdoor courts which are in poor condition and require extensive annual maintenance. Phase 1 will rebuild the courts on top of upgraded soils and post-tensioned concrete slabs, while also regrading the site to reconfigure the court layout to optimize for coaching effectiveness and an improved spectator experience. Spectator seating and court lighting will be upgraded. A small outbuilding containing a concession stand and dedicated spectator restrooms will be provided as part of this initial phase. Future phases, which are not funded at this time, will create a new team building adjacent to the current indoor facility and renovate the existing building. The budget for Phase 1 is $17,000,000 and will be funded from gifts raised by the Educational Foundation. Groundbreaking is anticipated in February 2022.

(ATTACHMENT H)

A copy of this presentation is located in the Office of the Assistant Secretary and at bot.unc.edu.

2. Finley Golf Course
   The project at Finley Golf Course is also the first phase of a multiphase plan. Phase 1 focuses on renovations to the playing course, swapping the front and back nines, modifying the existing back nine to create two (2) new holes while making slight modifications to other holes. These changes will allow the creation of a new varsity “short course” training area at the footprint of current holes 10 and 11. The scope for Phase 2, which is not funded at this time, includes a replacement team building, the reconfiguration of Finley Golf Course Drive to improve the circulation pattern around the entrance to the clubhouse, and new varsity team building. The budget for Phase 1 is $12,900,000 and will be funded from gifts raised by the Educational Foundation. Groundbreaking is anticipated in April 2022.

Committee Chair Perrin W. Jones called the meeting to order at 10:23 a.m. at the Magnolia Room, Rizzo Conference Center. The following committee members were present:
   Ramsey R. White, Vice Chair
   Robert P. Bryan
   R. Gene Davis Jr.
   Ralph W. Meekins
   W. Marty Kotis
   David L. Boliek

OPEN SESSION

The following items were presented for information only (no formal action was requested at this time).

STRATEGIC PLAN UPDATE
Chancellor Kevin Guskiewicz presented an overview of the Carolina Next – Innovations for Public Good Strategic Plan to the Board. The goal of the Carolina Next Strategic Plan is to be the best global public research university.

Chancellor Guskiewicz shared with the Committee the five guiding principles: aspire to preeminence, help the university serve as an economic powerhouse for North Carolina, prepare graduates for new economy and contemporary life, adopt a global mindset, and address societal issues.

The guiding principles listed were utilized in the development of the eight initiatives of the Plan:

- Build Our Community Together
- Strengthen Student Success
- Enable Career Development
- Discover
- Promote Democracy
- Serve to Benefit Society
- Globalize – Study Abroad Spring 2022
- Optimize Operations

Chancellor Guskiewicz shared that the Board of Trustees endorsed the Strategic Plan in January 2020.

The Committee entertained questions and thanked Chancellor Guskiewicz for his presentation.

A copy of this presentation is located in the Office of the Assistant Secretary and at bot.unc.edu.
CAROLINA LEADERSHIP INITIATIVE
Committee Chair Jones introduced Mark McNeilly, Professor of the Practice of Marketing, to the Committee to share his thoughts on developing and implementing a Carolina Leadership Initiative. McNeilly shared the need for exploration for every Carolina student to have access to leadership training.

McNeilly presented a proposal to be studied on developing a university-wide leadership program available to all UNC undergraduates and graduate students that focuses on the essentials of leadership, provides relevancy to their career development, leads to measurable behavioral change, and is internally and externally branded.

McNeilly shared questions that are to be explored prior to moving forward with this proposal, such as needs and interests of the student body and university units, coordination with other leadership offerings, size, scope and content, and opportunities for certification and creation of a minor.

Trustee White inquired if the leadership institutes were exhaustive. The institutes mentioned in the presentation were the most prominent.

Trustee Davis commented on his support for promoting the development of student’s leadership skills. Trustee Davis shared that it would be interesting to assess current resources and how they can be utilized in the proposal, as well as gave his support for creating a leadership certification program.

Trustee Bryan shared that the Kenan-Flagler Business School offers several leadership classes and opportunities, and he would like to see similar offerings to other student populations.

The Committee entertained questions from McNeilly. Current leadership programs and opportunities exist within the university; however, lack of access is an issue for some students. A comment was made that there is opportunity for collaboration with Strategic Initiative #3 – Enable Career Development. Additional work is required before the proposal is submitted for final approval. McNeilly and Committee Chair Jones commented that the model for the leadership program would be similar to the Bell Leadership Institute.

McNeilly requested that the Board commission a working group to study and develop this proposal to return with a recommendation on how to proceed in March 2022.

Committee Chair Jones thanked McNeilly for his presentation and time; sharing that there will be continued discussion with hopes of bringing a proposal to the Board in March.

ADJOURNMENT
There being no further business to come before the committee, Trustee Davis made the motion, it was seconded by Trustee Kotis and passed. Committee Chair Jones adjourned the meeting at 11:28 a.m.
Committee Chair Rob Bryan, called the meeting to order at 2:26 p.m. at the Magnolia Room, Rizzo Conference Center. The following committee members were present:
   Teresa Artis Neal, Vice Chair
   R. Gene Davis Jr.
   Perrin W. Jones
   Allie Ray McCullen
   John P. Preyer
   Lamar G. Richards
   Malcolm K. Turner
   David L. Boliek, ex-officio

OPEN SESSION
Committee Chair Bryan opened the meeting by welcoming the committee members and attendees. The following items were presented to the committee for information only (no formal action required at this time):

EMPLOYEE FORUM UPDATE
Katie Musgrove, Chair, provided an update to the committee on behalf of UNC-CH employees.

The committee engaged in discussion with Musgrove and entertained questions. Committee Chair Bryan requested that Musgrove provide continued updates and communication to distribute employee information with the committee.

GRADUATE AND PROFESSIONAL STUDENT FEDERATION UPDATE
Neel Swamy, President, provided an update to the committee on the behalf of the Graduate and Professional Student Federation.

The committee engaged in discussion about advocacy efforts for graduate students at the university. The committee suggested that Swamy provide the committee more frequent updates from graduates for better engagement.

SAAO TIER II APPROVALS PROCESS
Becci Menghini, Vice Chancellor for Human Resources & Equal Opportunity and Compliance discussed the SAAO Tier II Approvals Process with the committee.

Trustee Boliek requested to address the committee regarding this agenda item and Committee Chair Bryan agreed. Trustee Boliek shared a resolution to compose a panel of three Trustees that will meet with Vice Chancellor Menghini and Chancellor Kevin Guskiewicz about the approvals process.

Trustee Boliek motioned to authorize between now and the March 2022 meeting the Assistant Secretary and Counsels office any needed amendments to bylaws to create a panel that will approve Tier II approvals after the March 2022 meeting. Trustee Davis seconded and the motion passed.

UPDATE ON DATA SCIENCE INITIATIVE
Chancellor Kevin Guskiewicz provided an update on the Data Science Initiative with Chris Clemens, Executive Vice Chancellor and Provost Elect and Jay Aikat, Chief Operation Officer, RENCI and Research Professor of Computer Science.

- Deliver knowledge and skills for North Carolina to thrive in a data-driven world.
- Educate the next generation of data science leaders at the undergraduate, graduate and professional student levels.
- Serve the state through advancing the public good with human-centric and ethical applications in e.g. genomics, healthcare, biomanufacturing, robotics, and automation, artificial intelligence, and machine learning.

In March 2020, the UNC-CH Board of Trustees endorsed this draft feasibility plan for the launch and implementation of a School of Data, Information and Society.

The committee engaged in discussion and entertained questions. Committee Chair Bryan thanked the presenters for their update and expressed appreciation for the effort necessary to develop a new program.

A copy of the presentation can be located in the Office of the Assistant Secretary and bot.unc.edu.

**MOTION TO CONVENE IN CLOSED SESSION**

On motion of Trustee Artis Neal; and seconded by Trustee Davis, the committee voted to convene in closed session pursuant to North Carolina General Statutes Section 143-318.11 (a) (1) (to prevent the disclosure of privileged information under Section 126-22 and the following); and also pursuant to Section 143-318.11 (a) (5) and (a) (6).

**OPEN SESSION**

Trustee Bryan made a motion to return to open session. Trustee Davis seconded, and it passed. The motion passed unanimously.

**ADJOURNMENT**

There being no further business to come before the committee, a motion was made to adjourn and duly seconded, and it passed. Committee Chair Bryan adjourned the meeting at 4:36 p.m.

OPEN SESSION

Nathan Knuffman, Vice Chancellor for Finance and Operations, presented the following items for action.

All-Funds Budget Model
Knuffman presented the University’s first all-funds budget to the committee. Knuffman shared the three themes that guided budget deliberations: investing in NC’s future, supporting the university’s excellence, and fiscal responsibility.

The committee entertained questions and Committee Chair Preyer asked for a motion to approve. Trustee Patel motioned and Trustee Kotis seconded. The motion passed.

Committee Chair Preyer motioned to place the all-funds budget on the Full Board consent agenda. Trustee Artis Neal seconded, and the motion passed.

Advance Spending Authority – Fire Alarm Replacement in Dental Science Complex
The Dental Sciences Complex (Brauer, First Dental, Tarrson, and Koury Oral Sciences Buildings) each have obsolete fire alarm systems. None of the system components are currently available and the systems are approaching end of life. The state budget passed in November 2021 appropriated funds for the replacement of the Brauer fire alarm system. The replacement of the Brauer system will trigger upgrades to other Dental Sciences buildings due to their interconnection.

This request is to provide advance planning for the phased replacement of the entire fire alarm system in each of the four buildings. This will be a very challenging project that will require careful planning and coordination with building occupants to minimize downtimes related to the system replacement.

(ATTACHMENT B)

Advance Spending Authority – Baity Lab Renovation
The Baity Lab renovation will create a space in which to carry out the PFAS ionic fluorogel research that was specifically funded in the most recent state budget, a groundbreaking project that seeks to remove PFAS compounds (e.g. GenX) from potable water sources at the scale of
municipal or regional treatment. The renovation will abate hazardous materials and upgrade mechanical, electrical, plumbing and fire protection systems to meet the requirements of this type of research.

(ATTACHMENT C)

**Designer Selection – Phillips Hall HVAC Renovation**

This project scope of work includes the design for the replacement of central mechanical systems within portions of the 148,064 GSF Phillips Hall on Central Campus. The heavily utilized building contains classroom, laboratory and office space for the departments of Physics and Astronomy, Mathematics, and Biomedical Engineering within the College of Arts and Sciences. Associated work may include new finishes as well as ceiling and lighting systems replacement in affected areas. Careful attention to project phasing and implementation will be required to limit disruptions to building occupants.

(ATTACHMENT D)

**Designer Selection – Wilson Library Infrastructure Upgrades**

This project scope of work includes the design of infrastructure upgrades to the Louis Round Wilson Special Collections Library (Wilson Library). Wilson Library is a 317,529 GSF building originally constructed in 1929, with subsequent additions in 1953 and 1977. The 2021-23 state budget appropriated funding for the creation of a code compliant means of egress upgrade and the replacement of air handling units 1, 2, and 3. The total appropriation for these scope items is $20,300,000. It is the intent of the University to also replace and install additional air handling unit 7 as well as install new fire suppression and alarm systems as part of the project. This additional scope is pending UNC Board of Governors approval and will add approximately $9.5 million to the project budget.

(ATTACHMENT E)

**Site Approval – Finley Golf Renovation Phase II**

This scope of this project includes the reconfiguration of Finley Golf Course Drive to improve the circulation pattern around the entrance to the clubhouse, and a new varsity team building. The building includes locker rooms for both the men’s and women’s teams, training room, equipment room, players’ lounge, study areas, coaches’ offices, and player meeting rooms.

The total project budget for the team building is being developed and will be funded from gifts raised by the Educational Foundation.

(ATTACHMENT F)

**Site Approval – Cone-Kenfield Tennis Center Renovation Phase II**

The project at Cone-Kenfield Tennis Center will create a new team building adjacent to the current indoor facility and renovate the existing building. The program includes new locker rooms for both the men’s and women’s teams and coaching staff offices to replace the equivalent spaces in the indoor tennis facility and add new training spaces and hospitality areas.

The total project budget for the team building is being developed and will be funded from gifts raised by the Educational Foundation.

Property Acquisition – Nutrition Research Institute
On January 31, 2019, the Board of Trustees granted approval for the purchase of 102 Cedar Avenue, Kannapolis, NC for the purpose of providing temporary housing for graduate students and post-doctoral trainees at the Nutrition Research Institute (NRI). Due to changes in ownership of the property and the COVID-19 pandemic the close of the sale has been delayed. In the interim, the value of the property has increased beyond the previously BOT approved limit of $125,000. The new owner is now willing to sell for $186,000 and the new value includes necessary improvements to meet state requirements for occupancy.

(ATTACHMENT H)

Property Acquisition by Lease – UNC Innovation Hub
This request is to acquire approximately 24,500 square feet of rentable office space from Grubb Properties d/b/a Franklin Office Chapel Hill, LLC at 136 East Rosemary Street, Chapel Hill. This space will be occupied by the Innovation Hub to be operated by the University’s Office of Innovate Carolina. This newly developed co-working space will co-locate the University’s innovation and entrepreneurship programming and services with co-working space that startups and established companies can lease to work closely with Carolina’s students, faculty and researchers and to provide opportunities for the commercialization of University intellectual property. The space is located within walking distance to campus and is ADA accessible.

(ATTACHMENT I)

Trustee Boliek motioned to include the remaining action items on the Full Board consent agenda. Trustee Patel seconded.

There were no items included for information only.

A copy of this presentation is located in the Office of the Assistant Secretary and at bot.unc.edu.

The State of Graduate and Professional Education

Presented by the Graduate and Professional Student Government (GPSG)
Incoming President

• Lauren Hawkinson – PhD Candidate in Human Movement Science
Economic Impact

• ~11,000 grad/prof students
  • Grad/prof student spending impact: $210 million +
  • Jobs created by grad/prof student spending: 6,200
  • Tax revenue produced by grad/prof students: $56 million + (sub-federal)

• ~56,000 grad/prof alumni in-state
  • Grad/prof alumni spending impact: $2.7 billion +
  • Jobs created by grad/prof alum spending: 16,701
  • Tax revenue produced by grad/prof alums: $157 million +
Economic Takeaways

• Student spending returns almost entirely to the state economy – a great deal!
• Grad/prof alumni generate significant value and meet workforce need
Economic Opportunities

• Quantify value of research and teaching done by grad/prof students
• Increase in-state retention of grad/prof students after their degree
• Increase giving from grad/prof alumni
Celebrating Student Success - Placement

- 95% + in MBA and MAC at the KFBS
- 98% + in the Law School
- 98% + employment or continuing education in Gillings
- 90%+ for PharmD and 100% for other ESoP programs
- 100% for School of Government
- 97%+ employment or continuing education in on-campus Hussman programs

Celebrating Student Success - Awards

• Dean’s Distinguished Dissertation Awards (4)
• Impact Awards (11)
• Tanner Teaching Awards (5)
• Student Teaching Awards (4)
• Service Award (1)
• Royster Society of Fellows (96)
Challenges + Opportunities

• Funding
  • To support increasing enrollment in workforce priority areas
  • To create a path to prosperity for students from low-income backgrounds

• Affordable Housing + Transit
  • Strong recruitment incentive, highly desired by students
  • Current lack of affordable housing drives students outside Chapel Hill, which is a recruitment challenge
  • Parking is a frequent comment (among all constituencies)
  • Can be ameliorated by increasing nearby housing + transit access

• Deferred Maintenance
  • Especially ADA compliance issues, but the whole spectrum is relevant

• Program Staff
  • To keep up with enrollment need
School-Specific Metrics and Opportunities
College of Arts and Sciences

• Success Metrics
  • Placement rates tracked by individual departments (should become standard procedure to publicize these)
  • 13-15% of classes taught by graduate instructors
  • Research activity/dollars associated with graduate students = ? (opportunity to quantify)

• Opportunities
  • Grow recruitment funding, especially for workforce priority areas
  • Affordable housing for grad/prof students
The Graduate School

• Success Metrics
  • Retention of recruited students; research output of recruited students (e.g., Royster fellows, Impact Award winners, etc.)
  • Enrollment increase in graduate programs

• Opportunities
  • Recruitment funding
  • Affordable housing for graduate students
Kenan-Flagler Business School

• Success Metrics
  • Master’s of Business Administration – 95% + placement rate
  • Master’s of Accounting – 95% + placement rate
  • 8 job placements from the PhD cohort

• Opportunities
  • Continue growing scholarships to expand access for lower-income students
School of Law

• Success Metrics
  • Rose in the rankings from #45 to #23
  • 98% placement for graduates

• Opportunities
  • Increase number of program staff to keep up with enrollment
  • Explore pathway to a new building
Eshelman School of Pharmacy

• Success Metrics
  • 90% placement in PharmD
  • 94% first-time pass rate on NAPLEX (80% natl. avg.)
  • 89% first-time pass rate on MPJE (75% natl. avg.)
  • 100% placement rate for other graduate programs

• Opportunities
  • Central support for interprofessional rural health initiatives
  • Increased recruitment funding for graduate students to compete with other programs
Gillings School of Public Health

• Success Metrics
  • 100% placement rate
  • 94% job satisfaction rate

• Opportunities
  • Expanded funding for recruitment scholarships
  • Funds to support nonprofit practicums
Hussman School of Journalism

• Success Metrics
  • 97% placement rate for PhD program
  • 100% placement in job or continuing education for MA program
  • 70% of Online MA students gain new job or title

• Opportunities
  • Hire additional program staff to support expanded enrollment
School of Social Work

• Success Metrics
  • First-time licensure pass rate is 96% (natl. avg. 87.7%)
  • Launching online, asynchronous program
  • Unique 1000-hr practicum

• Opportunities
  • Hire embedded therapist
  • Funding to support students during the 1000-hr practicum
School of Nursing

• Success Metrics
  • 100% job placement for PhD program
  • 100% pass rate in licensure for Adult-Gerontology Primary Care
  • 100% pass rate Family Care
  • 94.4% pass rate in Psychiatric Mental Health
  • 86% pass rate in Pediatric-Primary Care

• Opportunities
  • Scholarships for nursing students, especially advanced practice nurses, nurse practitioners, and nurse scientist
School of Information and Library Science

• Success Metrics
  • 90% placement for MSIS
  • 80% placement for MSLS

• Opportunities
  • Increase enrollment in the PhD program from 20 to 30-35 students
  • Additional recruitment funding
School of Education

• Success Metrics
  • Students taught by UNC Ed School grads show higher test scores in math and science

• Opportunities
  • Recruitment scholarships
Adams School of Dentistry

• Success Metrics
  • 90% residency match rate in DDS
  • More students in the Advanced Education program are pursuing the (optional) board certification and passing

• Opportunity
  • Recruitment and retention of dental assistants is a fiscal challenge
  • This makes it hard to staff the clinics, which are functionally the student classrooms
  • Hiring more dental assistants will increase our ability to train dentists and meet workforce demands
